Dear Director Hare:

Due to my current responsibilities I must tender my resignation from the Pinellas County Emergency Medical Services Advisory Board. In discussions with Sheriff Gualtieri I am recommending Captain Michael Liener assume the role as the primary law enforcement representative board member. Due to Captain Glenn Luben's retirement earlier this year, I am also recommending Captain Brian Browne as his replacement to assume the responsibilities as the alternate board law enforcement representative.

I understand these recommendations must meet with the approval of the advisory board and the Board of County Commissioners. I have attached the bios for both Captain Leiner and Captain Browne. Please contact me if you have any questions or need further information.

It has been an honor to serve as a member of the Emergency Medical Services Advisory Board, and I thank you for the opportunity.

Respectfully,
