**UNSPECIFIED SERVICES - 5 Year Total \$175,000.00** (will not be used to determine award)

Unspecified work is defined as services that may be required due to unexpected conditions or events (such as repairs). Unspecified work that is similar in nature during the contract and will be properly authorized by the County before being performed and ordered solely at the discretion of the County.

Unspecified funds stated are an estimate only and no guarantee is given or implied as to the amount that will be used during the contract period. Prices quoted will be the price paid for each service listed below in the event that the service is required.

Unspecified includes the following, but not limited to:

- Section 3.7 Replacement Parts: Bids for parts will be at a percent discounted from MSRP. Evidence of said costs shall be identified on each invoice, for each repair or service call. Proof of MSRP shall be printed, properly identified with manufacturer part number, and dated.

<b>Percentage discount from MSRP for parts</b>	25	%
--	----	---

- Section 3.8 Exception: If special equipment such as a lift or hoist is needed to complete a job, the County will reimburse the Contractor actual cost for such expenses, with no-mark-up, as a separate line item on the final invoice(s) submitted upon completion of the project. Estimates of such charges shall be approved by the Facility Manager or designee in advance of commencement of work. Invoices must be accompanied with the proof of cost document.
- Section 3.9 Other Tests And Inspections: Any inspection or test, other than the quarterly and annual testing (examples: 2, 5, 10 year) or other included inspection or testing, such as sensitivity testing, chemical suppression testing, that has not been completed for a location at commencement of the contract, shall be quoted as requested by the County. Additional testing shall be quoted by building, using the quoted hourly service rate (regular service) and the percent off MSRP for any parts needed. These costs will be paid under unspecified services. If additional testing will be performed after hours or on weekends or holidays, the quoted hourly service rate for after-hours shall be used
