WHEREAS, Lender and Borrower covenant and agree that all proceeds from this loan shall be used for **the construction of 84 multi-family workforce units** as defined in the scope of work referenced in the Agency Agreement, agreed upon contingency funds, and reasonable closing costs associated with this loan. Excess funds,

if any, will be returned to Lender and applied to the Borrower's indebtedness in the following order: (1) outstanding interest due, if any; (2) fees, if any, and (3) the principal balance of the mortgage.

Borrower and Lender mutually covenant and agree as follows:

1. Payment: Principal is deferred for and may be forgiven, at the sole discretion of the Lender, **thirty (30) years** from the date of this Mortgage pursuant to the terms of the corresponding Note (Affordability Period).

2. Taxes and Insurance: Borrower shall pay all ad valorem property taxes due on the subject property prior to any delinquency, and shall maintain adequate casualty, liability, and, if in a flood zone, flood insurance on the subject property until this Mortgage is satisfied.

3. Application of Payments: Unless applicable law provides otherwise, all payments received by Lender under the Note and this Mortgage will be applied by Lender first to interest payable on the Note, if any, then to the principal of the Note, to satisfy the Mortgage only upon full payment of amounts payable to Lender under the Note and under this Mortgage.

4. Charges and Liens: Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, if any, in the manner provided herein. Delinquent taxes, assessments and other similar charges shall constitute a default of this Mortgage. Failure to pay as required hereunder shall constitute a default of this Mortgage. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which will or may gain priority over this security instrument unless otherwise agreed by Lender. If Lender determines that any part of the Property is subject to a lien which can attain priority over this security instrument, Lender may give Borrower a notice identifying the lien. Within **30** days of the date on which such notice is given, Borrower shall either satisfy the lien or diligently be taking all such necessary actions to satisfy the lien. This provision does not restrict the Borrower from creating a lien or encumbrance clearly subordinate to this security instrument.

5. Hazard Insurance: Borrower shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require, and in such amounts and for such periods as Lender may require; provided, that Lender shall not require that the amount of such coverage exceed that amount of coverage required to pay the sums secured by this Mortgage. The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided that such approval shall not be unreasonably withheld. All premiums on insurance policies shall be paid timely when due, directly to the insurance carrier. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and the security of this Mortgage is not thereby impaired. If such restoration or repair is not economically feasible or if the security of this Mortgage would be impaired, the Borrower directing the insurance company to apply insurance proceeds to the sums secured by this Mortgage by such outstanding sums directly to Lender, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

6. Preservation and Maintenance of Property: Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property. Upon project completion and throughout the duration of the Affordability Period, property must meet property standards as defined in 24 CFR 92.251.

7. Protection of Lender's Security: If Borrower, after reasonable notice and opportunity to cure, fails to perform the covenants and agreements contained in this Mortgage, the Note, LURA, or Agency Agreement the terms of which are incorporated herein by reference, or if any action or proceeding is commenced which materially adversely affects Lender's interest in the Property, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankruptcy, then Lender at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums and take such action as is necessary to protect Lender's interest, including, but not limited to entry upon the Property to make repairs. Any amounts disbursed by Lender pursuant to this Paragraph 7, shall bear interest thereon at the rate of ten percent (10%) per annum, and shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from date of disbursement at the rate payable from time to time on outstanding principal under the Note. Nothing contained in this Paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. Inspection: Lender may make, or cause to be made, reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause related to Lender's interest in the Property.

9. Condemnation: The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Mortgage, with excess, if any, paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, there shall be applied to the sums secured by this Mortgage such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Mortgage immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of the proceeds paid to Borrower. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemner offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date such notice is mailed, Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property, or to the sums secured by this Mortgage.

10. Borrower Not Released: Extension of the time for payment or modification of the sums secured by this Mortgage granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify the sums secured by this Mortgage by reason of any demand made by the original Borrower and Borrower's successors in interest.

11. Forbearance by Lender Not a Waiver: Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Mortgage.

12. Remedies Cumulative: All remedies provided in this Mortgage are distinct and cumulative to any other right or remedy under this Mortgage or otherwise afforded by law or equity, and may be exercised concurrently, independently, or successively.

13. Successors and Assigns Bound; Joint and Several Liability; Captions: The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower. All covenants and agreements of Borrower shall be joint and several. The captions and headings of the paragraphs of this Mortgage are for conveyance only and are not to be used to interpret or define the provisions hereof.

14. Notice and Non-Managing Member Cure Rights: Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for this Mortgage shall be given by mailing such notice by certified mail addressed to Borrower at such address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail, return receipt requested, to Lender's address stated hereinabove, in care of the Pinellas County Board of County Commissioners in care of the Affordable Housing Program Administrator or to such other address as Lender may designate by notice to Borrower or Lender when given in the matter designated herein. Lender shall promptly notify Borrower's non-managing members in writing of any default of Borrower under this Mortgage, Note, LURA or Agency Agreement, at the address set forth in the Agency Agreement, and Borrower's non-managing members shall have the right (but not the obligation) to cure any default by Borrower and County acknowledges and agrees that it shall accept or reject such cure as if tendered by Borrower.

15. Governing Law, Severability: The laws of the jurisdiction in which the Property is located shall govern this Mortgage. In the event that any provision or clause of this Mortgage or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Note which can be given effect without the conflicting provision, and to this end the provisions of the Mortgage and the Note are declared to be severable.

16. Borrower's Copy: Borrower shall be furnished a conformed copy of the Note and of this Mortgage at the time of execution or after recordation hereof.

17. Transfer of the Property: If all or any part of the Property or an interest therein is sold or transferred by Borrower without Lender's prior written consent, including the creation of a lien or encumbrance subordinate to this Mortgage, the sums hereunder and under the Note shall be immediately due and payable with interest due from the date of the mortgage and note without further notice to Borrower or Borrower's successor or assign. Further, Borrower's successor or assignee is bound by all the terms and conditions of the Mortgage, Note, LURA, and Agency Agreement as well as all construction timeframes and all conditions set forth in any and all schedules part of the Agency Agreement.

18. Acceleration; Remedies: Upon Borrower's breach of any covenant(s) or term(s) in this Mortgage, the Note, LURA or Agency Agreement, including the covenants to pay when due any sums that are secured by this Mortgage or debts senior to this Mortgage, Lender prior to acceleration shall mail notice to Borrower and Borrower's non-managing members as provided in Paragraph 14 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than thirty (30) days from the date the notice is mailed to Borrower, by which such breach must be cured; however, if such breach can be cured, but not within such thirty (30) day period, the Borrower shall not be in default so long as the Borrower commences cure actions within such thirty (30) day period, thereafter diligently pursues the cure of the breach to completion, and cures the breach within one hundred eighty (180) days from the date of Lender's notice to Borrower and Borrower's managing members of the Notice of the breach; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage, foreclosure by judicial proceeding and sale of Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right

to assert in the foreclosure proceeding, the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the breach is not cured on or before the date specified in the Notice, Lender, at Lender's option, may declare all of the sums secured by this Mortgage to be immediately due and payable without further demand and may foreclose this Mortgage by judicial proceeding. Lender shall be entitled to collect in such proceeding, all reasonable expenses of foreclosure, including, but not limited to, reasonable costs of documentary evidence, abstracts and title reports.

19. Borrower's Right to Reinstate: Notwithstanding Lender's acceleration for the sums secured by this Mortgage, Borrower shall have the right to have any proceedings begun by Lender to enforce this Mortgage discontinued at any time prior to entry of a Judgment enforcing this Mortgage (a) Borrower pays Lender all sums which would be then due under this Mortgage, the Note and notes securing Future Advances as defined herein, if any, had no acceleration occurred; (b) Borrower or Borrower's non-managing members cure all breaches of any other covenants or agreements of Borrower contained in this Mortgage; (c) Borrower pays all reasonable expenses incurred by Lender in enforcing the covenants and agreements of Borrower contained in this Mortgage and in enforcing Lender's remedies as provided in Paragraph 18 hereof, ; and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Mortgage, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Mortgage shall continue unimpaired. Upon such payment and cure by Borrower, this Mortgage and the obligation secured hereby shall remain in full force and effect as if no acceleration had occurred.

20. Assignment of Rents or Other Sums; appointment of Receiver: As additional security hereunder, Borrower hereby assigns to Lender the rents of or other sums generated by the Property, provided that Borrower shall, prior to acceleration under Paragraph 18 hereof or abandonment of the property, have the right to collect and retain such rents or other sums as they become due and payable. Upon acceleration under Paragraph 18 hereof or abandonment of the Property, Lender shall be entitled to have a receiver appointed by a court to enter upon, take possession of and manage the Property and to collect the rents of or other sums generated by the Property, including those past due. All rents or other sums collected by the receiver shall be applied first to payment of Lender's reasonable third-party costs of management of the Property and collection of rents or other sums, including, but not limited to, reasonable receiver's fees, premiums on receiver's bonds, and then to the sums secured by this Mortgage. The receiver shall be liable to account only for those rents actually received.

21. Release: Upon payment or forgiveness of all sums secured by this Mortgage, Lender shall release this Mortgage without charge to Borrower. Borrower shall pay all costs of recordation, if any.

22. Deferred Payment as Personal Benefit: The Lender's waiver of payments on the deferred payment of the sum secured by this Mortgage was made by Lender to Borrower in furtherance of the Borrower's contributions to affordable housing and redevelopment efforts in Pinellas County. The waiver, therefore, results in a delay of reimbursement at a rate not otherwise available to the public at large. Accordingly, Borrower understands that this waiver is to be a personal benefit and not as an instrument to increase the value of the Property, or as a benefit that it may transfer to successive leasehold owners of the Property, without written consent of Lender.
