### Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

The Human Services Department requests approval of the updated Notice of Federal Interest for the Bayside Health Clinic as required by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA), for the capital improvement grant, which provided funding for the expansion of the facility.

As the grantee, Pinellas County Board of County Commissioners (Board), is required to attach a lien to the Bayside Health Clinic, called a Notice of Federal Interest as a condition of the grant award utilized to fund the construction of the facility to protect the federal interest in the project.

In September 2021, Pinellas County was awarded Fiscal Year 2021 ARP-Capital funding from the Health Resources and Service's Administration (HRSA) in the amount of \$532,472.00 for the Health Care for the Homeless program. This one-time funding will be used to increase the overall square footage of the Bayside Health Clinic by 1,100 square feet for the expansion of dental and behavioral health services.
