Multimodal priority list grant application with Florida Department of Transportation to request \$3,550,000.00 with a County match of \$10,650,000.00 for the construction of the Belleair Road Multimodal Improvement project. Project 003862A Belleair Rd Roadway Improvements from US Hwy 19 to Keene Rd is currently budgeted in the CIP funded by Penny for Pinellas. This grant will replace a portion of the Penny funding. The total project construction estimate is \$14.2M which aligns with the CIP Six-Year Plan. Budget will be adjusted during the FY26 budget process to add grant funding if the application is approved.
