Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is to authorize the Chairman to sign to issue a Certificate of Public Convenience and Necessity to National NEMT, LLC to provide non-medical wheelchair and stretcher van transport services.

This firm has completed an application and meets the Authority's requirement to operate as a non-medical wheelchair and stretcher van transport provider and will be effective January 20, 2026, to June 30, 2026. Certificates approved during this period will be renewed in June 2026 as part of the annual batch renewal process. There are currently 13 firms providing non-medical wheelchair, three firms providing non-medical wheelchair and stretcher van, and two firms providing stretcher van transport services.

There is no fiscal impact for certifications. Staff administration of the process is included in the annual operating budget for the EMS Fund.
