Your Stand on the Issue Oppose

Comments My property joins Cypress Run Golf maintenance area. They've been cutting many trees & clearing huge piles of debris that's been there for years, along our fence line for months to prepare for various new buildings that continues to change. The latest is 2 huge metal buildings, 40,000 sq. ft. that is at our property line. This is industrial & lowers our property value & the view of a metal wall for the rest of my life isn't good.
