Dear Pinellas County Housing and Community Development,

Thank you for the advance notice on zoning change request.  
RMH to R-5-CO Case No ZON-21-08.

We see that with R-5 zoning no minimum lot size is specified. We Really don't like that idea.

In addition we would like to see any development in the specified area Limited to a single story. It should also require proper landscaping, sidewalks and Adequate parking.

Thank You for your representation,
