Subject Taxes are a problem. Do not increase or add a gasoline tax. I oppose the GAS TAX increase.

Message

A gasoline tax will increase costs of everything that use that fuels for travel or engine use. Yep the cost of mowing your law will increase as most people don't ask for the taxes back.

Can you please publicize and inform me how citizens can ask for motor vehicle fuels taxes be refunded to them when used for things lawn mowers?

The economy needs less taxes to recover from the pandemic.
DO NOT ADD OR INCREASE TAXES!

I encourage the government be frugal, spend less ideally and not need more tax revenue.

Ideally lower taxes.
I really like the tax free back to school holidays.

Every penny we can save on paying taxes we the Pinellas citizens can spend on our families.

Thanks,
Chuck Granata

Subject Gas tax

Message We do NOT need yet another tax increase in this county. We're all going to be impacted by increased and wasted Federal taxes with the current administration.
 As our local representatives, you are elected to do your best to represent all citizens in the county and you should be fiscally responsible with our hard earned money instead of pulling more money from each individual when you don't want to do your job and use a tax increase as an excuse because you refuse to look for ways to do better with what you already have.
