Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for the approval of the funding agreement between Pinellas County and the City of Clearwater toward the construction of a new fire station. Authorize the Chairman to sign and the Clerk of the Circuit Court to attest.

The County is providing funding on a reimbursement basis for the project. The new fire station facility is located at its current location of 534 Mandalay Avenue in Clearwater and is currently completed and ready to be occupied. County funds may be used by the City for land acquisition, engineering, site preparation, design, construction, and associated costs directly related to the Project.

The \$1,166,523.08 is consistent and included in the FY23 Adopted Budget and included in the FY23 Estimate within the Fire Districts fund. Once approved, the department plans to cut a check to the City of Clearwater for the \$1,166,523.08 and mark the check as an Old Year expense for the Clerk (since construction of the fire station was completed in FY23) to process and record the expenditure in FY23.
