Dear Commissioners:

I have a few additional Committee and Board appointments to make at our January 14th BCC meeting. Under New Business I will be seeking a motion to approve the following slate:

Reappointing Vice Chair Eggers as the Chair of the Value Adjustment Board.

Reappointing Commissioner Flowers to the School Transportation Safety Committee.

Reappointing Commissioner Latvala to the Board of the Hillsborough/Pinellas Workforce Development Consortium.

I appreciate your consideration in this matter.

Respectfully,

Chair Brian Scott
