Dear Commissioners,

I am writing to express my strong support for the resolution you will consider next Tuesday, which prohibits the promotion of sexual identity in the children's section of the Palm Harbor Library and requires a new strategic plan free of Diversity, Equity, and Inclusion (DEI) principles. This measure aligns with your responsibility to ensure public spaces remain neutral, family-focused environments that prioritize age-appropriate content and respect parental rights.

I urge you to adopt this resolution to safeguard our children's innocence and maintain the library as a trusted resource for all Pinellas County families. Thank you for your leadership on this important issue.

Sincerely,
Raymond and Anne Keckler

Eres, Christian L
