Fyi- owner/operator of 3 Daughters Brewing, Mike Harting, will be attending the BCC meeting on Tuesday to speak to the Board about tangible property tax on his business. I know they have been in touch with at least one other office prior to us, Eggers, on this topic. See below for more info. Want to make Mark aware in case he has any other background info he wants to share with offices prior Tuesday. Thanks,

Thank you Doyle,

Mike would like to be there. He plans to talk about the tangible property tax, as we have manufacturing equipment that we pay \$40K a year on until it is no longer functional. Is there anything else I need to fill out or register before he comes on Monday? Does he need to get there early to ensure a spot?

Thanks
Carey

Carey- our meeting on the 20th starts at 2:00pm. Open public comment is #19 (out of 23 agenda items that day). The procedure is to allow 3 minutes on a topic that a citizen would like to voice to the Commission, not including any discussion with the Board that might occur after he or she is finished speaking. If Mike were to arrive around 2:45/3:00PM that should work. It's difficult to predict how long a meeting will take though.

If you have any backup materials or insight you can provide on the details of his comment that you would like the Board to be aware of prior to Tuesday, please let me know and I'll be sure to let the other members and Staff know ahead of time. If he has a specific ask or recommendation for the Board that he wants to provide prior to Tuesday as a way to better utilize the time he has that could be helpful but, certainly not required.

If Mike is looking for a more in-depth discussion, I'm happy to set up a one-on-one with Commissioner Long as well.

If I can clarify or answer any other questions on this please don't hesitate to let me know. Thanks,

-Doyle

Hi Doyle,

I spoke with Mike this afternoon, he is interested in speaking with the board regarding the tangible property tax in regards to manufacturing as it pertains to new businesses. If there is space on the 20th, he would love to do it then. Please let me know what you need from us to make this happen.

Thanks so much for your assistance in this!

Carey

Carey- thanks for reaching out. Our next BCC Public Meeting is June 20th (next Tuesday) at 2pm. We have a public comment section at that meeting and can get you more detail if need be. If your boss would like to set up a meeting with the Chairman's office to discuss I can assist with that as well. If you have any other information you can provide on the topic that would be helpful as well. Talk soon.

Thanks,

-Doyle
