Re: Funding for Lealman Community and Alley way maintenance

Commissioner Justice,

At the request of Assistant County Administrator, Tom Almonte, this request is being submitted for review.

The Florida Dream Center appreciates the support of the local government as we continue our work within the Lealman Community. Since Adopt-a-Block's inception in 2014, our group of staff and volunteers have taken pride in joining forces with local partners to improve Lealman and promote neighborhood relations.

This funding will make it possible to host larger groups, expand areas of service and promote further collaboration. Our program serves over 50% of Lealman residents and donates an average of \$498,794.17 per year worth of labor through services our volunteers provide on a weekly basis.

We are proud to serve in the Lealman community and appreciate this opportunity to increase capacity and impact. Thank you for your time.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Cleveland", is written over a blue horizontal line.

Steve Cleveland
Chief Executive Officer

cc. Tom Almonte, Assistant County Administrator
