Draft 2027 Tri-County Legislative Program

Legislative & Executive Priorities

SB 180 Glitch Bill

Support SB 180 Glitch Bill to provide local governments with the flexibility to amend their comprehensive plans and land-use requirements for properties not damaged by natural emergencies to promote community redevelopment, preserve water quality standards, and advance environmental conservation efforts.

Unfunded Mandates

Support Lifting Unfunded Mandates that restrict the ability for local governments to generate enough revenue to cover the cost of general operations. For example, but not limited to:

- E-911 Fee Increase
- Indexing Local Option Fuel Tax to Inflation
- Electric Vehicle Registration Fees with Proportionate Shared Allocation to Counties
- Medicaid Funding

Growth Management

Monitor Changes to the Growth Management Act (Chapter 163, Part II, Florida Statutes).
