Description & Comments				
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)				
<p>Housing and Community Development is seeking to conduct a public hearing and adopt a resolution approving the 2025-2029 Five-Year Consolidated Plan (5-Year Plan), including the Fiscal Year (FY) 2025-2026 Annual Action Plan and authorizing actions related to the administration and operation of the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) programs and authorize submittal to the U.S. Department of Housing and Urban Development (HUD). The 5-Year Plan identifies the needs and sets the priorities and objectives related to housing, community development, homeless, and special needs populations. The Annual Action Plan identifies the projects and activities the County will undertake to address the housing and community development needs identified in the 5-Year Plan and contains the application for the Consortium's HOME and the County's CDBG and ESG funds. The County will receive \$2,339,516.00 in CDBG, \$1,074,297.76 in HOME and \$205,566.00 in ESG funding and estimates receiving \$30,000.00 in CDBG and \$825,000.00 in HOME program income in FY26. Funding will be used for target area, public facility, public infrastructure, public service, homeless, homelessness prevention, affordable housing activities and planning and administration. Three community needs assessment meetings, two public hearings and an online survey were conducted to obtain input from participating cities, partnering agencies, community organizations, and the public on community needs.</p> <p>Funding for this resolution is included in the FY26 Proposed Budget for the Housing and Community Development Department in the Community Development Grant Fund.</p>
