To Whom it May Concern,

We are writing in support of approval of the application for historic designation of the subject property. As owners of the property next door at 1342 Riverside Avenue, and being familiar with the property's history and current well-maintained state, we strongly urge the Historic Preservation Board to approve this application.

This property is a cornerstone of the historic Anclote Village and must be preserved for future generations.

Sincerely,

John and Stacy Loper
