I'm sorry! We had another delay in finalizing some of the information for the resolution, so Kevin pulled it from the agenda for me yesterday.

I am starting over and will be re-entering the item in Legistar, with July 18th as the new target agenda date. Of course you'll be in the review sequence, but I'll also alert you when it starts, and note the date for the advertisement.

Linda –

Here is the Public Hearing file that Lori asked me to send you, with the additional budget resolution lines. I have attached it in my resolution item (17-545A) and made the association with Lori's resolution item (17-461A).

Kevin and James –

I'm copying you to keep you updated on the status and linking of the two budget resolution items in Legistar. Linda wants me to hold off on replacing the "public hearing notice" attachment file in Lori's item (17-461A) until my resolution has gone through initial OMB peer review (Barry) and Director approval (Bill). I'll finish the draft staff report and attach more backup material files tomorrow, then start the approval sequence.

Sorry Bernie. It looks like it is marked wrong in our OMB sequence list, so I'll get that changed to FYI only in our procedures.

Jim, should we have you listed in the sequence, for Approval or FYI?

If no one in the Clerk's office needs to approve it, you can delegate it back to me, and I'll approve again. Then it will go on to the County Attorney.

Thanks, V-

I'm not authorized to draft or approve an agenda item, I just receive FYI's.

Who should I delegate the item to?

Good morning Jim -

I'm sorry! We had another delay in finalizing some of the information for the resolution, so Kevin pulled it from the agenda for me yesterday.

I am starting over and will be re-entering the item in Legistar, with July 18th as the new target agenda date. Of course you'll be in the review sequence, but I'll also alert you when it starts, and note the date for the advertisement.

I apologize for the false starts!!

Thanks, V-

Good morning all –

I just wanted to let you know that there is a delay in the second budget resolution I had planned to link with Lori's resolution and public hearing on April 25th.
So, I didn't add to the hearing notice or change anything with her item.

Thanks, Veronica

Linda –

Here is the Public Hearing file that Lori asked me to send you, with the additional budget resolution lines. I have attached it in my resolution item (17-545A) and made the association with Lori's resolution item (17-461A).

Kevin and James –

I'm copying you to keep you updated on the status and linking of the two budget resolution items in Legistar. Linda wants me to hold off on replacing the "public hearing notice" attachment file in Lori's item (17-461A) until my resolution has gone through initial OMB peer review (Barry) and Director approval (Bill). I'll finish the draft staff report and attach more backup material files tomorrow, then start the approval sequence.

Thanks very much, V-

Veronica, when you have completed the Public Hearing Ad, can you send to Linda and copy me?

Linda, this document will need to replace the currently Public Hearing attachment (#5 in the list) in Granicus Item #17-461A.

Thanks!
