Per FS 125.66 we have to publish a 2nd notice of the second hearing at least 5 days in advance of the second hearing.

James, I think it will be easiest to just run the previous ad a 2nd time as you suggested.

Hi Jim,

The attached is in reference to Legistar file #18-1352A for a 9/25 public hearing date. I'm assuming from the email below that public hearing items for the 9/25 meeting are moving to 2 pm, or was this only for the public hearing items for the 9/13 meeting?

I'll give you a call tomorrow.

Thanks,

Merry Celeste

Della,

Responses:

Item 5-7, see attached email. Renea and Jake are working on updates to item 5. I spoke to Mark about item 6 and 7 and he didn't have any concerns or changes after he and I spoke. I did speak to Jake about item 7 to clarify what we were doing and he had no issues.

Item 13 (18-1352A): area this applies to is the entire County (incorporated and unincorporated). There are other edits to the staff report requested by MSW but I will need it delegated to be to make those edits.

Item 14 (18-640A): I will update the map to include the Phase II area and send over.

Item 16 (18-1293A): Title should be revised to "First Amendment to the Agreement with Waterfront Property Services, LLC dba Gator Dredging for Construction Services (Phase II) for the Lake Seminole **Sediment Removal** and Restoration Project. (Companion to Item No. 15)". Regarding the name of the park, there is no named park where the work is being staged at-its just property that used to be leased to an equestrian group but is not used by anyone currently.

Can you send me 18-1352A and I can make the edits?
