

# HUMAN SERVICES DASHBOARD

## Purpose

The Human Services Department is responsible for programs and activities designed to help disadvantaged county residents meet essential needs and reach their maximum potential for self-sufficiency. Programs and activities include the Pinellas County Health Program, Homeless Prevention and Self Sufficiency Program, Disability Advocacy, Veterans Services, Justice Coordination, and Consumer Protection. Human Services also manages related County financial obligations, including Medicaid Match and other state mandates, as well as the Pinellas County share of juvenile detention costs. The department administers more than 190 contracts to ensure health, safety, and welfare for County citizens. Target areas include physical and behavioral health, homelessness prevention and assistance, rapid rehousing, and financial assistance.
