RESPONSE TO OMB REVIEW #16-769D

CDBG Program Specific Performance Agreement

The Local Community Housing Corporation-Home Share Program

Comment:

1. Noticed that the contract numbering convention used on this contract is a little different than some of the other specific performance contracts being submitted for review.

Response:

The numbering convention is longer than usual to identify and differentiate more than one contract with this Agency in the same year and funding source. CD16LCHCHS is for the Local Community Housing Corporation – Home Share Program, which is different than CD16LCHC (Rehab for Cops N Kids).
