Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Recommend the adoption of the attached resolution dedicating a portion of County-owned property, along 134th Avenue North, as right-of-way.

Approval of resolution declaring a portion of County owned property as right-of-way. County has treated the property as right-of-way, including making roadway, sidewalk, and drainage improvements. Research was conducted, and it was determined that the property had never been dedicated as right-of-way.

There is no Fiscal Impact to the County for declaring public right-of-way.
