2. STATEMENT OF WORK

The Provider shall perform all tasks and provide units of deliverables, including reports, findings, and drafts, as specified in this Contract. Except for advances, if any, provided for in this Contract, these deliverables must be received and accepted by the Contract Manager in writing prior to payment, subject to subsequent audit and review and to the satisfaction of the Department. The Department's determination of acceptable services shall be conclusive. Department receipt of reports and other submissions by the Provider does not constitute acceptance thereof, which occurs only through a separate and express act of the Contract Manager. Unless otherwise provided in the procurement document, if any, or governing law, the Department reserves the right to increase or decrease the volume of services and to add tasks that are incidental or complimentary to the original scope of services. Except where the method of payment is prescribed by law, compensation under Section 3 will be equitably adjusted by the Department to the extent that it prescribes a fixed price (previously called "fixed fee") payment method or does not provide a method of payment for added tasks.

2.1. Scope of Work

The Scope of Work is described in Exhibit B.

2.2. Task List

The Provider shall perform all tasks set forth in the Task List, found in Exhibit C, in the manner set forth therein.

2.3. Deliverables

Deliverables shall be as described in Exhibit D.

2.4. Performance Measures.

2.4.1. The performance measures for acceptance of deliverables are set forth in Exhibit D, Section D-4.

2.4.2. To avoid contract termination, Provider's performance must meet the minimum performance standards set forth in Exhibit E, Minimum Performance Measures, Section E-1, regardless of any other performance measures in this Contract. By execution of this Contract, the Provider hereby acknowledges and agrees that its performance under the Contract must meet these Minimum Performance Measures and that it will be bound by the conditions set forth therein. If the Provider fails to meet these standards, the Department, at its exclusive option, may allow a reasonable period, not to exceed six (6) months, for the Provider to correct performance deficiencies. If performance deficiencies are not resolved to the satisfaction of the Department within the prescribed time, and if no extenuating circumstances can be documented by the Provider to the Department's satisfaction, the Department must terminate the Contract. The Department has the sole authority to determine whether there are extenuating or mitigating circumstances. The Provider further acknowledges and agrees that during any period in which the Provider fails to meet these standards, regardless of any additional time allowed to correct performance deficiencies, payment for deliverables may be delayed or denied and financial consequences may apply.

3. PAYMENT, INVOICE AND RELATED TERMS

The Department shall pay for services performed by the Provider during the service performance period of this Contract according to the terms and conditions of this Contract in an amount not to exceed that set forth in Section 1.1, subject to the availability of funds and satisfactory performance of all terms by the Provider. Except for advances, if any, provided for in this Contract, payment shall be made only upon written acceptance of all services by the Department and shall remain subject to subsequent audit or review to confirm contract compliance. The State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature. Any costs or services paid for under any other contract or from any other source are not eligible for payment under this Contract.

3.1. Prompt Payment and Vendor Ombudsman

Per section 215.422, F.S., the Department has five (5) working days to inspect and approve goods and services, unless the bid specifications, purchase order, or this Contract specify otherwise. Any amount that is authorized for payment but is not available within forty (40) days, measured from the latter of the date a properly completed invoice is received by the Department or the goods or services are received, inspected, and approved (or within thirty-five (35) days after the date eligibility for payment of a health care provider is determined), a separate interest penalty as described in section 215.422, F.S., will be due and payable in addition to the amount authorized for payment. Interest penalties less than 1 dollar will not be paid unless the Provider requests payment. A Vendor Ombudsman has been established within the Department of Financial Services and may be contacted at (850) 413-5516.

3.2. Method of Payment

The Provider shall be paid in accordance with Exhibit F, Method of Payment.

3.3. Invoices

3.3.1. The Provider shall submit bills for fees or other compensation for services or expenses in sufficient detail for proper pre-audit and post-audit. Where itemized payment for travel expenses is permitted in this Contract, the Provider shall submit bills for any travel expenses in accordance with section 112.061, F.S., or at such lower rates as may be provided in this Contract.

3.3.2. The final invoice for payment shall be submitted to the Department no more than 90 days after the Contract ends or is terminated. If the Provider fails to do so, all rights to payment are forfeited and the Department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this Contract may be withheld until performance of services and all reports due from the Provider and necessary adjustments thereto, have been approved by the Department.

3.4. Financial Consequences

If the Provider fails to perform in accordance with this Contract or perform the minimum level of service required by this Contract, the Department will apply financial consequences as provided for in Section 6.1. The parties agree that the penalties provided for under Section 6.1 constitute financial consequences under sections 287.058(1)(h) and 215.971(1)(c), F.S. The foregoing does not limit additional financial consequences, which may include but are not limited to refusing payment, withholding payments until deficiency is cured, tendering only partial payments, applying payment adjustments for additional financial consequences or for liquidated damages

to the extent that this Contract so provides, or termination of this Contract per Section 6.2.3 and requisition of services from an alternate source. Any payment made in reliance on the Provider's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due as an overpayment in accordance with Section 3.5, to the extent of such error.

3.5. Overpayments and Offsets

The Provider shall return to the Department any overpayments due to unearned funds or funds disallowed that were disbursed to the Provider by the Department and any interest attributable to such funds. Should repayment not be made promptly upon discovery by the Provider or its auditor or upon written notice by the Department, the Provider will be charged interest at the lawful rate of interest on the outstanding balance until returned. Payments made for services subsequently determined by the Department to not be in full compliance with contract requirements shall be deemed overpayments. The Department shall have the right at any time to offset or deduct from any payment due under this or any other contract or agreement any amount due to the Department from the Provider under this or any other contract or agreement.

3.6. MyFloridaMarketPlace Transaction Fee.

This Contract is **exempt from** the MyFloridaMarketPlace transaction fee.

4. GENERAL TERMS AND CONDITIONS GOVERNING PERFORMANCE

4.1. Compliance with Statutes, Rules and Regulations

In performing its obligations under this Contract, the Provider shall without exception be aware of and comply with all State and Federal laws, rules and regulations relating to its performance under this Contract as they may be enacted or amended from time-to-time, as well as any court or administrative order, judgment, settlement or compliance agreement involving the Department which by its nature affects the services provided under this Contract.

4.2. State Policies

The Provider shall comply with the policies set forth in the Department of Financial Services' Reference Guide for State Expenditures and active Comptroller/Chief Financial Officer Memoranda issued by the Division of Accounting and Auditing.

4.3. Independent Contractor, Subcontracting and Assignments

4.3.1. In performing its obligations under this Contract, the Provider shall at all times be acting in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida, except where the Provider is a State agency. Neither the Provider nor any of its agents, employees, subcontractors or assignees shall represent to others that it is an agent of or has the authority to bind the Department by virtue of this Contract, unless specifically authorized in writing to do so. This Contract does not create any right in any individual to State retirement, leave benefits or any other benefits of State employees as a result of performing the duties or obligations of this Contract.

4.3.2. The Provider shall take such actions as may be necessary to ensure that it and each subcontractor of the Provider will be deemed to be an independent contractor and will not be considered or permitted to be an officer, employee, or agent of the State of Florida. The Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to the Provider, or its subcontractor or assignee, unless specifically agreed to by the Department in this Contract. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the sole responsibility of the Provider and its subcontractors. The parties agree that no joint employment is intended and that, regardless of any provision directing the manner of provision of services, the Provider and its subcontractors alone shall be responsible for the supervision, control, hiring and firing, rates of pay and terms and conditions of employment of their own employees.

4.3.3. The Provider shall not assign its responsibilities under this Contract to another party, in whole or part, without prior written approval of the Department, upon the Department's sole determination that such assignment will not adversely affect the public interest. No payment shall be made under this Contract to any factor or other person who has been assigned or transferred the right to receive payment in lieu of or on behalf of the Provider except upon full and faithful performance of the Provider's duties hereunder. Any assignment or transfer occurring without prior approval of the Department shall be null and void. The Provider shall not subcontract for any of the work contemplated under this Contract without prior written approval of the Department, which shall not be unreasonably withheld.

4.3.4. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this Contract to another governmental agency in the State of Florida or to a provider of the Department's selection, upon

giving prior written notice to the Provider. In the event of assignment by either party, this Contract shall remain binding upon the lawful successors in interest of the Provider and the Department.

4.3.5. The Provider is responsible for all work performed and for all commodities produced pursuant to this Contract whether actually furnished by the Provider or by its subcontractors. Any subcontracts shall be evidenced by a written document. The Provider further agrees that the Department shall not be liable to the subcontractor in any way or for any reason relating to this Contract.

4.3.6. The Provider shall include, in all subcontracts (at any tier) the substance of all clauses contained in this Contract that mention or describe subcontract compliance, as well as all clauses applicable to that portion of the Provider's performance being performed by or through the subcontract.

- The Provider may subcontract under this Contract.
- This Provider is prohibited from subcontracting under this Contract.

4.3.7. To the extent that a subcontract provides for payment after Provider's receipt of payment from the Department, the Provider shall make payments to any subcontractor within seven (7) working days after receipt of full or partial payments from the Department in accordance with section 287.0585, F.S., unless otherwise stated in the contract between the Provider and subcontractor. Failure to pay within seven (7) working days will result in a penalty that shall be charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one percent (0.5%) of the amount due per day from the expiration of the period allowed for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15%) percent of the outstanding balance due.

4.4. Provider Indemnity

Section 19 of PUR 1000 Form shall apply per its terms, except that the phrase "arising from or relating to personal injury and damage to real or personal tangible property" in the first paragraph is replaced with "arising out of or by reason of the execution of this Contract or arising from or relating to any alleged act or omission by the Provider, its agents, employees, partners, or subcontractors in relation to this agreement," and the following additional terms will also apply:

4.4.1. If the Provider removes an infringing product because it is not reasonably able to modify that product or secure the Department the right to continue to use that product, the Provider shall immediately replace that product with a non-infringing product that the Department determines to be of equal or better functionality or be liable for the Department's cost in so doing.

4.4.2. Further, the Provider shall indemnify the Department for all costs and attorneys' fees arising from or relating to Provider's claim that a record contains trade secret information that is exempt from disclosure or the scope of the Provider's redaction of the record, as provided for under Section 5.3., including litigation initiated by the Department.

The Provider's inability to evaluate liability or its evaluation of liability shall not excuse its duty to defend and indemnify after receipt of notice. Only an adjudication or judgment after the highest appeal is exhausted finding the Department negligent shall excuse the Provider of performance under this provision, in which case the Department shall have no obligation to reimburse the Provider for the cost of its defense. If the Provider is an agency or subdivision of the State, its obligation to indemnify, defend and hold harmless the Department shall be to the extent permitted by section 768.28, F.S. or other applicable law, and without waiving the limits of sovereign immunity.

4.5. Insurance

The Provider shall maintain continuous adequate liability insurance coverage during the existence of this Contract and any renewal(s) and extension(s) thereof. With the exception of a State agency or subdivision as defined by subsection 768.28(2), F.S., by execution of this Contract, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this Contract. Upon the execution of this Contract, the Provider shall furnish the Department written verification supporting both the determination and existence of such insurance coverage and shall furnish verification of renewal or replacement thereof prior to the expiration or cancellation. The Department reserves the right to require additional insurance as specified in this Contract.

4.6. Notice of Legal Actions

The Provider shall notify the Department of potential or actual legal actions taken against the Provider related to services provided through this Contract or that may impact the Provider's ability to deliver the contractual services, or that may adversely impact the

Department. The Department's Contract Manager will be notified within ten (10) days of Provider becoming aware of such actions or potential actions or from the day of the legal filing, whichever comes first.

4.7. Intellectual Property

It is agreed that all intellectual property, inventions, written or electronically created materials, including manuals, presentations, films, or other copyrightable materials, arising in relation to Provider's performance under this Contract, and the performance of all of its officers, agents and subcontractors in relation to this Contract, are works for hire for the benefit of the Department, fully compensated for by the contract amount, and that neither the Provider nor any of its officers, agents nor subcontractors may claim any interest in any intellectual property rights accruing under or in connection with the performance of this Contract. It is specifically agreed that the Department shall have exclusive rights to all data processing software falling within the terms of section 119.084, F.S., which arises or is developed in the course of or as a result of work or services performed under this Contract, or in any way connected herewith. Notwithstanding the foregoing provision, if the Provider is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply.

4.7.1. If the Provider uses or delivers to the Department for its use or the use of its employees, agents or contractors, any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood that, except as to those items specifically listed in Exhibit A as having specific limitations, the compensation paid pursuant to this Contract includes all royalties or costs arising from the use of such design, device, or materials in any way involved in the work contemplated by this Contract. For purposes of this provision, the term "use" shall include use by the Provider during the term of this Contract and use by the Department its employees, agents or contractors during the term of this Contract and perpetually thereafter.

4.7.2. All applicable subcontracts shall include a provision that the Federal awarding agency reserves all patent rights with respect to any discovery or invention that arises or is developed in the course of or under the subcontract. Notwithstanding the foregoing provision, if the Provider or one of its subcontractors is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply, but the Department shall retain a perpetual, fully-paid, nonexclusive license for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products.

4.8. Transition Activities

Continuity of service is critical when service under this Contract ends and service commences under a new contract. Accordingly, when service will continue through another provider upon the expiration or earlier termination of this Contract, the Provider shall, without additional compensation, complete all actions necessary to smoothly transition service to the new provider. This includes but is not limited to the transfer of relevant data and files, as well as property funded or provided pursuant to this Contract. The Provider shall be required to support an orderly transition to the next provider no later than the expiration or earlier termination of this Contract and shall support the requirements for transition as specified in a Department-approved Transition Plan, which shall be developed jointly with the new provider in consultation with the Department.

4.9. Real Property

Any State funds provided for the purchase of or improvements to real property are contingent upon the Provider granting to the State a security interest in the property at least to the amount of the State funds provided for at least five (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of receipt of State funding for this purpose, the Provider agrees that, if it disposes of the property before the Department's interest is vacated, the Provider will refund the proportionate share of the State's initial investment, as adjusted by depreciation.

4.10. Publicity

Without limitation, the Provider and its employees, agents, and representatives will not, without prior Departmental written consent in each instance, use in advertising, publicity or any other promotional endeavor any State mark, the name of the State's mark, the name of the State or any State agency or affiliate or any officer or employee of the State, or any State program or service, or represent, directly or indirectly, that any product or service provided by the Provider has been approved or endorsed by the State, or refer to the existence of this Contract in press releases, advertising or materials distributed to the Provider's prospective customers.

4.11. Sponsorship

As required by section 286.25, F.S., if the Provider is a non-governmental organization which sponsors a program financed wholly or in part by State funds, including any funds obtained through this Contract, it shall, in publicizing, advertising, or describing the sponsorship of the program state: "Sponsored by (Provider's name) and the State of Florida, Department of Children and Families".

the sponsorship reference is in written material, the words "State of Florida, Department of Children and Families" shall appear in at least the same size letters or type as the name of the organization.

4.12. Employee Gifts

The Provider agrees that it will not offer to give or give any gift to any Department employee during the service performance period of this Contract and for a period of two years thereafter. In addition to any other remedies available to the Department, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider will ensure that its subcontractors, if any, comply with these provisions.

4.13. Mandatory Reporting Requirements

The Provider and any subcontractor must comply with and inform its employees of the following mandatory reporting requirements. 4.14.1. The Provider shall ensure that all staff utilized by the Provider and its subcontractors that are required by Florida law to be screened in accordance with chapter 435, F.S., are of good moral character and meet the Level 2 Employment Screening standards specified by sections 435.04, 110.1127, and subsection 39.001(2), F.S., as a condition of initial and continued employment that shall include but not be limited to:

Following such review, the Department will deliver to the Provider a written report of its findings, and may direct the development, by the Provider, of a corrective action plan where appropriate. The Provider hereby agrees to timely correct all deficiencies identified in the Department's written report. This provision will not limit the Department's termination rights under Section 6.2.4.

5.3. Provider's Confidential and Exempt Information

5.3.1. By executing this Contract, the Provider acknowledges that, having been provided an opportunity to review all provisions hereof, all provisions of this Contract not specifically identified in writing by the Provider prior to execution hereof as "confidential" or "exempt" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to section 215.985, F.S. The Provider agrees that, upon written request of the Department, it shall promptly provide to the Department a written statement of the basis for the exemption applicable to each provision identified by the Provider as "confidential" or "exempt", including the statutory citation to an exemption created or afforded by statute, and state with particularity the reasons for the conclusion that the provision is exempt or confidential.

5.3.2. Any claim by Provider of trade secret (proprietary) confidentiality for any information contained in Provider's documents (reports, deliverables or workpapers, etc., in paper or electronic form) submitted to the Department in connection with this Contract will be waived, unless the claimed confidential information is submitted in accordance with the following standards:

5.3.2.1. The Provider must clearly label any portion of the documents, data, or records submitted that it considers exempt from public inspection or disclosure pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, the Provider shall include information correlating the nature of the claims to the particular protected information.

5.3.2.2. The Department, when required to comply with a public records request including documents submitted by the Provider, may require the Provider to expeditiously submit redacted copies of documents marked as trade secret in accordance with Section 5.3.2.a. Accompanying the submission shall be an updated version of the justification under Section 5.3.2.a., correlated specifically to redacted information, either confirming that the statutory and factual basis originally asserted remain unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions that are claimed to be trade secret. If the Provider fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of proprietary or trade secret information.

The Provider shall be responsible for defending its claim that each and every portion of the redactions of trade secret information are exempt from inspection and copying under Florida's Public Records Law.

5.4. Health Insurance Portability and Accountability Act

The Provider certifies that neither it nor its subcontractors will have access to, receive or provide Protected Health Information within the meaning of the Health Insurance Portability and Accountability Act (42 United States Code (U.S.C.) § 1320d.) and the regulations promulgated thereunder (45 CFR Parts 160, 162, and 164) incidental to performance of this Contract.

5.5.1. An appropriately skilled individual shall be identified by the Provider to function as its Data Security Officer. The Data Security Officer shall act as the liaison to the Department's security staff and will maintain an appropriate level of data security for the information the Provider is collecting or using in the performance of this Contract. An appropriate level of security includes approving and tracking all Provider employees that request or have access to any Departmental data system or information. The Data Security Officer will ensure that user access to the data system or information has been removed from all terminated Provider employees.

5.5.2. The Provider shall provide the latest Departmental security awareness training to its staff who have access to departmental information.

5.5.3. All Provider employees who have access to Departmental information shall comply with, and be provided a copy of CFOP 50-2, and shall sign the DCF Security Agreement form CF 0114 annually. A copy of CF 0114 may be obtained from the Contract Manager.

5.5.4. As required by section 287.058(1)(c), F.S., it is expressly understood that the Provider's failure to comply with this provision shall constitute an immediate breach of contract for which the Department may unilaterally terminate this Contract.

5.6.2. As required by section 119.0701, F.S., to the extent that the Provider is acting on behalf of the Department within the meaning of section 119.011(2), F.S., the Provider shall:

5.6.2.1. Keep and maintain public records that ordinarily and necessarily would be required by the Department in order to perform the service.

5.6.2.3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Provider does not transfer the records to the Department.

5.6.2.4. Upon completion of the contract, transfer, at no cost, to the Department all public records in possession of the Provider or keep and maintain public records required by the Department to perform the service. If the Provider transfers all public records to the Department upon completion of the contract, the Provider shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Provider keeps and maintains public records upon completion of the contract, the Provider shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department, upon request from the Department's custodian of public records, in a format that is compatible with the information technology systems of the Department.

Penalties may be imposed for failures to implement or to make acceptable progress on such corrective action plans.

6.1.2. The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan. The penalty, if imposed, shall not exceed ten percent (10%) of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. Noncompliance that is determined to have a direct effect on client health and safety shall result in the imposition of a ten percent (10%) penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.3. Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a five percent (5%) penalty. Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a two percent (2%) penalty.

6.1.4. The deadline for payment shall be as stated in the Order imposing the financial penalties. In the event of nonpayment the Department may deduct the amount of the penalty from invoices submitted by the Provider.

6.2. Termination

Such notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a written notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. In addition, the Department may employ the default provisions in Rule 60A-1.006(3), F.A.C., but is not required to do so in order to terminate the Contract. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this Contract. The provisions herein do not limit the Department's right to remedies at law or in equity.

6.2.5. Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. To be terminated under this provision, the Provider must have: (1) previously failed to satisfactorily perform in a contract with the Department, been notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or (2) had a contract terminated by the Department for cause. 6.3.2. After receipt of a petition for alternative dispute resolution the Department and the Provider shall attempt to amicably resolve the dispute through negotiations. After timely delivery of a petition for alternative dispute resolution, the parties may employ any dispute resolution procedures described in the exhibits or other attachments, or mutually agree to an alternative binding or nonbinding dispute resolution process, the terms of which shall be reduced to writing and executed by both parties.
