Subject: RE: Roosevelt Creek WMP - Pinellas County - Indemnification Language Request for Removal

Good afternoon Dave,

The District is not willing to remove Section 10 of the above referenced agreement. It is a standard clause that is included for all of our Cooperators.

Thank you,

Hi Erica - Please see the attached Roosevelt Creek WMP Agreement presented for Pinellas County to sign. Section 10 of the agreement requires the County to indemnify SWFWMD. County Resolution No. 06-70 prohibits the County from indemnifying others in most situations. Please advise if SWFWMD will remove the requirement from the subject agreement. I have attached a previous email response from you as reference. Also, if you are not the correct person and I need to contract another representative at the Department, please let me know. Thanks for your assistance.
