DAVID BALLARD GEDDIS JR

802 GEORGIA AVE

PALM HARBOR

April 10, 2018

BOCC April, 2018

At this point and time, any sensible person sees "the actuality" of a Humanitarian crisis on our horizon.

So I must ask, Why has Mayor Rick Kriseman removed the St. Petersburg pier.

With a humanitarian crisis soon to be on our hands. With no pier. Where is the Red Cross/the military to dock their ships? How are we to bring in vital supplies to a society that has been politically "pre-disposition" to fail? ~~as evident in/of itself, constitutionally to fall at the hands as Declared, of our falsely-faced government!~~

The demolition of the St. Petersburg pier, Coupled ^{TODATE} with the *Deliberate/Utter Neglect* of our *Failing* infrastructure; Is the Mayor "in hindsight" taking-up arms against society, *against* those whom he is "only" claiming to govern. Is this man, in his tenure, deliberately committing an act of treason? Or is he (in his mind) free to levy war, as Declared.

I must ask; Mayor George Cretokos of Clearwater; Why is he intent on injecting Reclaimed Water Directly into the ground water supply; injecting "temporarily chlorinated" fecal waste, making rancid, pumping sewage; *Directly* Contaminating, Desecrating (what is remaining of) our vital ground water supply, with Fecal matter.

In hindsight, is this Mayor, conducting warfare against the civilian population. Is he (in his mind) free to levy war, as Declared. Laying us to bare ("*Constitutionally*" with a *Judas kiss*) under the 14th Amendment!

~~Or is he committing an act of treason?~~

And what about ^{THE REHAVIGATION} Paul Toomey, of Geographic Solutions ^{HE IS} claiming to have 50,000 "High Paying" Post Disaster or Crisis related jobs. Is this man, part of an orchestrated ^{CONSTITUTED} ~~co-situated~~ undertaking, a militia, working both sides of a coin, serving as ~~Post Disaster Relief~~ ~~Post Disaster Development and Crisis Relief Employment?~~

~~a cabbala of such, here to decimate/conquer and directly tax the civilian population. Using water as the weapon of choice.~~

And, what about, Niel Vault, a local developer; Is he using car washes as a *false-front* to *Slowly* establish a private well field operation, establishing his own *private well-field* currently disguised as a series of car washes.

~~Two years ago he sues the county. And, with that money (using the law suit money as seed money) is he establishing his own well field disguised as a series of car washes?~~

What "larger than life calling" what purpose do all these men, intend on doing to our RECTITUDE, rectitude.

I'm beginning to smell something funny coming out of this backassward situation.

AS PER ATTACHED:

- ① 14th AMENDMENT
- ② DECLARATION OF INDEPENDENCE
- ③ SEPTEMBER 13, 2012
LAND PLANNING AGENCY

As I have said before, Politically laying waste of our water supply/Constitutionally laying us *bare* in the 14th Amendment, is an act of Blaspheme..

Seeing the "rise" of this catastrophe, it is essential we take *real* emergency measures now.

It appears our politicians feel they have the freedom as Declared, and are conducting "actual" wartime operations against the civilian population/against those they are falsely claiming to govern.

Kriseman (mayor) recently demolished the "*iconic*" *St. Pete pier* . Thus, preventing/blocking Ships...in order to dock themselves, and deliver the vital humanitarian aid, necessary.

A "political duping of society"!

Thus, revealing our government as an enemy (both) as therein and as thereof.

Contempt! A cabbala of such?

Transcript of Declaration of Independence (1776)

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.-- That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

- He has refused his Assent to Laws, the most wholesome and necessary for the public good.
- He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.
- He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.
- He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.
- He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.
- He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.
- He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.
- He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers.
- He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.
- He has erected a multitude of New Offices, and sent hither swarms of Officers to harrass our people, and eat out their substance.

COUNTERFEITED "THEREOF"

SERVES AS PREAMBLE TO HAMILTON'S 2ND CONSTITUTION BIRTHED "THEREOF" AS A WATER JURISDICTION UNDER THE 14TH AMENDMENT

He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.

He has affected to render the Military independent of and superior to the Civil power. He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation.

AND WHAT ABSOLUTE MIGHT THAT BE?

For Quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

FUNNY

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

FUNNY!

12-TRIBES

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

in truth/REALITY/ACTUALITY

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.
