Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is to adopt a resolution dedicating County-owned property in St. Petersburg identified as Parcel ID# 27-31-16-15408-003-0162 (Property) as public right-of-way (ROW). The Property was purchased by the County in 2023 for the 22nd Avenue South (51st Street to 34th Street) Roadway Improvements Project for the purpose of being utilized as ROW. The segment to be dedicated as ROW will provide seamless connection to the adjoining ROW to the east and west. As part of the Project, the County purchased the Property, installed a sidewalk on it, and it has been used by the general public ever since. It is recommended that the Property be formally dedicated as ROW.

This resolution has no fiscal impact on Pinellas County.
