Section 2.3 Interest Rates on Bonds.

(a) **Initial Rate - General.** The Bonds shall bear interest as provided herein from the Issue Date to the date of payment in full of the Bonds. Interest accrued on the Bonds (or the applicable portion of the Bonds if the Bonds then bear interest at a Flexible Term Rate) shall be paid on each Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) commencing on _____, 2015. The interest rate on the Bonds will be determined as provided in this Section except that no rate shall exceed the lesser of (i) the Ceiling Rate or (ii) the maximum rate permitted by applicable law. The Bonds shall initially bear interest at a Bank Rate from _____, 2015 until the date on which the Interest Rate Determination Method is changed as described in Section 2.4. Notwithstanding anything herein to the contrary, each Interest Rate Determination Method in effect from time to time shall continue in effect until the date on which such Interest Rate Determination Method is changed as described in Sections 2.3(c) or (d) or Section 2.4.

(b) **Weekly Rate.** During any Weekly Rate Period the Bonds will bear interest at the Weekly Rate. During any Weekly Rate Period, the Remarketing Agent will determine the Weekly Rate for the applicable Interest Period by 4:00 p.m., Local Time, on the applicable Computation Date. Each Weekly Rate shall be the rate of interest which, if borne by the Bonds, would, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for revenue bonds or other securities the interest on which is excluded from gross income of the holders thereof for federal income tax purposes of the same general nature as the Bonds or securities the interest on which is excluded from gross income of the holders thereof for federal income tax purposes that are comparable as to credit and maturity (or comparable with respect to optional tender provisions) with the credit and maturity or the optional tender provisions of the Bonds, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to place the Bonds at a price of par (plus accrued interest, if any) on the first Business Day of such Interest Period; provided, that, if for any reason the Weekly Rate for any Interest Period is not established as aforesaid by the Remarketing Agent, no Remarketing Agent shall be serving as such hereunder or the rate so established is held to be invalid or unenforceable with respect to any Interest Period, then the Weekly Rate for such Interest Period shall be 100% of the Alternate Weekly Index on the date such interest rate was (or would have been) determined as provided above. The Remarketing Agent (or if no Remarketing Agent is serving as such hereunder, the Trustee) shall notify the Company immediately by telephone if the Alternate Weekly Index is applicable, with written notice to follow promptly. In connection with any change or deemed change in the Interest Rate Determination Method to a Weekly Rate pursuant to Sections 2.3(c)

or (d) or Section 2.4(a), the initial Weekly Rate shall be determined as provided above on the applicable Computation Date.

(c) **Flexible Term Rate.** During any Flexible Term Rate Period, each of the Bonds will bear interest at a Flexible Term Rate. During any Flexible Term Rate Period, the Remarketing Agent will determine the Flexible Term Rate and Flexible Term Rate Period to be applicable to each Bond by 1:00 p.m., Local Time, on the applicable Computation Date. For each Flexible Term Rate Bond, the Flexible Term Rate Period shall be the period which would, in the judgment of the Remarketing Agent, having due regard to prevailing financial market conditions for securities of the same general nature as such Bond which are comparable as to credit and maturity (or period for tender) with the credit and maturity of such Bond, ultimately produce the lowest overall net interest cost on such Bond to maturity. No Flexible Term Rate Period applicable to any Bond may (A) be less than one or more than two hundred seventy (270) days in length, (B) extend beyond any scheduled Mandatory Purchase Date or the final maturity date of the Bonds, or (C) end on a day preceding a non-Business Day. The Remarketing Agent may assign different Flexible Term Rate Periods to different Flexible Term Rate Bonds. For each Flexible Term Rate Bond, the Flexible Term Rate shall be the rate of interest which, if borne by such Bond for its applicable Flexible Term Rate Period, would, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for revenue bonds or other securities the interest on which is excluded from gross income of the holders thereof for federal income tax purposes of the same general nature as such Bond or securities the interest on which is excluded from gross income of the holders thereof for federal income tax purposes which are comparable as to credit and maturity (or period for tender) with the credit and maturity of such Bond, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to place such Bond at a price of par (plus accrued interest, if any) on the first Business Day of such Flexible Term Rate Period. If for any reason the applicable rate is not established as aforesaid by the Remarketing Agent, no Remarketing Agent shall be serving as such hereunder or the rate so established is held to be invalid or unenforceable, then the Interest Rate Determination Method shall be deemed to have converted to the Weekly Rate on the date such interest rate was (or would have been) determined as provided above. The Remarketing Agent (or if no Remarketing Agent is serving as such hereunder, the Trustee) shall notify the Company, the Trustee and the Paying Agent immediately by telephone if such a conversion is deemed to have occurred, with written notice to follow promptly. In connection with any change in the Interest Rate Determination Method to a Flexible Term Rate pursuant to Section 2.4, the initial Flexible Term Rate and Flexible Term Rate Period for each Bond shall be determined as provided above on the applicable Computation Date.

(d) **Medium-Term Rate.** During any Medium-Term Rate Period, the Bonds shall bear interest at the Medium-Term Rate. The interest rate to be borne by the Bonds from the applicable Conversion Date to the last day of the applicable Medium-Term Rate Period shall be the rate determined by the Remarketing Agent on the applicable Computation Date to be the rate which, if borne by the Bonds would, in the judgment of the Remarketing Agent having due regard for prevailing market conditions for revenue bonds or other securities the interest on

which is excluded from gross income of the holders thereof for federal income tax purposes and that are comparable to the Bonds, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to place the Bonds at a price of par (plus accrued interest, if any) on the applicable Conversion Date. If for any reason the applicable rate is not established as aforesaid by the Remarketing Agent, no Remarketing Agent shall be serving as such hereunder or the rate so established is held to be invalid or unenforceable, then the Interest Rate Determination Method shall be deemed to have converted to the Weekly Rate on the date such interest rate was (or would have been) determined as provided above. The Remarketing Agent (or if no Remarketing Agent is serving as such hereunder, the Trustee) shall notify the Company, the Trustee and the Paying Agent immediately by telephone if such a conversion is deemed to have occurred, with written notice to follow promptly.

On the Computation Date with respect to a Medium-Term Rate, the Remarketing Agent shall determine the Medium-Term Rate Period. Each Medium-Term Rate Period shall be at least two hundred seventy-one (271) days and shall end no later than the date of maturity of the Bonds or, if earlier, on a day immediately preceding a Business Day. If the Remarketing Agent fails to determine the Medium-Term Rate Period or the Medium-Term Rate Period so established is held to be invalid or unenforceable, the Medium-Term Rate Period shall be (i) if the Interest Rate Determination Method in effect immediately prior to such Conversion Date was a Medium-Term Rate, the shorter of (a) the period equal to the Medium-Term Rate Period for such Medium-Term Rate (provided, however, that if the last day of such period would not be a day immediately preceding a Business Day, such period shall be extended to the next succeeding day that is a day immediately preceding a Business Day) and (b) the remaining maturity of the Bonds, or (ii) if the Interest Rate Determination Method in effect immediately prior to such Conversion Date was not a Medium-Term Rate, the shorter of (a) the period ending on the first date that is a day immediately preceding a Business Day and is at least two hundred seventy-one (271) days after the Conversion Date and (b) the remaining maturity of the Bonds.

If requested in the Conversion Notice by the Company, the Remarketing Agent may also determine on the Computation Date redemption premiums, different from those set forth in Section 2.18, for optional redemption of the Bonds during the Medium-Term Rate Period. These redemption premiums shall be consistent with the prevailing market conditions, in the reasonable judgment of the Remarketing Agent. The Remarketing Agent shall not, however, establish redemption premiums different from those set forth in Section 2.18 unless an Opinion of Bond Counsel shall be furnished to the effect that such action will not adversely affect the exclusion of interest on the Bonds from gross income of the Holders thereof for federal income tax purposes.

(e) **Fixed Rate.** The Bonds shall bear interest at the Fixed Rate during the Fixed Rate Period. The interest rate to be borne by the Bonds from the Fixed Rate Conversion Date to the date of payment in full of the Bonds shall be the rate determined by the Remarketing Agent on the applicable Computation Date to be the rate which, if borne by the Bonds would, in the

judgment of the Remarketing Agent having due regard for the prevailing market conditions for revenue bonds or other securities the interest on which is excluded from gross income of the holders thereof for federal income tax purposes and that are comparable to the Bonds, be the interest rate necessary, but would not exceed the interest rate necessary, to enable the Remarketing Agent to place the Bonds at a price of par (plus accrued interest, if any) on the Fixed Rate Conversion Date. If for any reason the Fixed Rate is not established as aforesaid by the Remarketing Agent or no Remarketing Agent shall be serving as such hereunder, then the provisions of the last paragraph of Section 2.4(e) shall apply; if the Fixed Rate established by the Remarketing Agent is held to be invalid or unenforceable, the interest rate to be borne by the Bonds from the Fixed Rate Conversion Date to the date of payment in full of the Bonds shall be determined by the Remarketing Agent based on the criteria in the preceding sentence and avoiding the cause of invalidity or unenforceability.

If requested in the Conversion Notice by the Company, the Remarketing Agent may also determine on the Computation Date redemption premiums, different from those set forth in Section 2.18, for optional redemption of the Bonds during the Fixed Rate Period. These redemption premiums shall be consistent with the prevailing market conditions, in the reasonable judgment of the Remarketing Agent. The Remarketing Agent shall not, however, establish redemption premiums different from those set forth in Section 2.18 unless an Opinion of Bond Counsel shall be furnished to the effect that such action will not adversely affect the exclusion of interest on the Bonds from gross income of the Holders thereof for federal income tax purposes.

(f) **Bank Rate.** Upon the initial issuance, and from any future Conversion Date after which the Bonds will bear interest at a Bank Rate until the next following Conversion Date or the maturity date of the Bonds, whichever is earlier (the "Bank Rate Period"), the Bonds shall bear interest at the Bank Rate, as hereinafter described.

The Bank Rate will initially be set upon the issuance of the Bonds and will be set on (i) the Conversion Date after which the Bonds will bear interest at the Bank Rate for the period beginning on such date and ending on the day immediately preceding the first (1st) Business Day of the immediately succeeding calendar month, (ii) on any subsequent Conversion Date of a conversion to a Bank Rate Period and ending on the day immediately preceding the first Business Day of the calendar month immediately succeeding the Conversion Date, and (iii) on the first (1st) Business Day of each month thereafter for the period beginning on such first Business Day and ending on the day immediately preceding the first Business Day of the immediately succeeding calendar month. The interest rate for the Bonds shall be established at a rate equal to 63.7% of LIBOR plus ____%. Upon a determination by the Bank that the Bonds are not Bank Qualified, then from and after the date on which the Bonds are not Bank Qualified the interest rate shall be established at a rate equal to LIBOR [plus 4.76%].

The determination of the Bank Rate (absent manifest error) shall be conclusive and binding upon the Issuer, the Company, the Trustee, the Credit Issuer (if any), and any Beneficial

Owner. If for any reason the Bank shall fail to establish the Bank Rate, the Bonds shall bear interest at the Bank Rate last in effect.

The Bank shall have the right to further adjust the interest rate on the Bonds by multiplying the interest rate by the Margin Rate Factor upon a change in the rate of federal taxation imposed on corporations under the Code.

(g) **Notice of Rates and Deemed Conversions.** Promptly following the determination of any Rate, the Remarketing Agent shall give notice thereof to the Trustee and the Paying Agent. Promptly upon receipt from the Remarketing Agent of any Bank Rate, Medium-Term Rate or Fixed Rate, the Paying Agent shall give each Holder notice of the new Rate. The Company and any Holder or Beneficial Owner may obtain any Rate on or after the applicable Computation Date upon request to the Remarketing Agent. Promptly upon receipt from the Remarketing Agent or the Trustee of notice of any deemed conversion to the Weekly Rate under this Section, the Paying Agent shall give each Holder, the Credit Issuer, if any, and the Rating Agency, if any, then rating the Bonds notice of the deemed conversion.

(h) **Determination of Rate Conclusive.** The determination of any Rate by the Remarketing Agent shall be conclusive and binding upon the Issuer, the Company, the Trustee, the Paying Agent, the Remarketing Agent and the Holders or Beneficial Owners.

(i) **No Liability.** In determining the interest rate or rates that the Bonds shall bear as provided in this Section, the Remarketing Agent shall have no liability to the Issuer, the Company, the Trustee, the Paying Agent, the Registrar, the Credit Issuer, if any, or any Holder or Beneficial Owners except for its negligence or willful misconduct.

Section 2.4 Conversion of Interest Rate Determination Method.

(a) **Conversion Notice.** The Interest Rate Determination Method for the entire amount of Outstanding Bonds may be changed under this Section from any Interest Rate Determination Method to any other Interest Rate Determination Method, from a Medium-Term Rate to a new Medium-Term Rate or from a Bank Rate to a new Bank Rate on any Conversion Date by the Company giving written notice of such change (a "Conversion Notice") to the Remarketing Agent and the Trustee with a copy to the Issuer, the Paying Agent, the Rating Agency, if any, rating the Bonds and the Credit Issuer (if any). The Conversion Notice must be received by the Remarketing Agent and the Trustee at least twenty-five (25) days prior to the proposed Conversion Date. Any Conversion Notice shall be applicable to the Bonds in whole, and any change in the Interest Rate Determination Method shall be effective as to the entire aggregate principal amount of Bonds Outstanding.

Each Conversion Notice shall state (i) that the Company elects to change the Interest Rate Determination Method to a new Interest Rate Determination Method from the interest rate applicable during a Medium-Term Rate Period to a new interest rate during a new Medium-Term Rate Period or from the interest rate applicable during a Bank Rate Period to a new

interest rate during a new Bank Rate Period , (ii) the proposed Conversion Date, (iii) the Interest Rate Determination Method to be in effect from and after such Conversion Date, (iv) if the new interest Period is not a Bank Rate Period, whether a Credit Facility is to be in effect from and after such Conversion Date, and, if so, the terms of such Credit Facility, and (v) if a Long-Term Rate is to be in effect from and after such Conversion Date, and if redemption premiums different from those set forth in Section 2.18 are to be applicable as described in Section 2.3(d) and (e), the redemption premiums to be applicable during such Long-Term Rate Period.

(b) **Opinions With Respect to Conversions.** Each Conversion Notice given to the Remarketing Agent and the Trustee shall be accompanied by an Opinion of Bond Counsel to the effect that the change in the Interest Rate Determination Method or the change from a Medium-Term Rate to a new Medium-Term Rate will not cause the interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes and that such change is permitted under this Indenture. The Company shall deliver to the Remarketing Agent and the Trustee, by 10:00 a.m., Local Time, on the proposed Conversion Date under this Section a supplemental Opinion of Bond Counsel to the effect that the change in the Interest Rate Determination Method or from a Medium-Term Rate to a new Medium-Term Rate is permitted under this Indenture and, under the laws existing on such Conversion Date, the change will not cause the interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes. Notwithstanding the other requirements of this Section 2.4(b), however, if Bond Counsel delivers a current Opinion of Bond Counsel regarding the exclusion from gross income of the interest on the Bonds, the Conversion Notice for the initial conversion of the Bonds to the Bank Rate Period shall not require the delivery of an additional Opinion of Bond Counsel on the date of delivery of instructions for conversion.

(c) **Conversion Date.** If the Interest Rate Determination Method in effect prior to the Conversion Date under this Section is:

- (i) a Weekly Rate, the Conversion Date may be any Business Day;
- (ii) a Flexible Term Rate, the Conversion Date must be the day that would otherwise be an Interest Payment Date for all of the Bonds, such Interest Payment Date to be determined at the time the Conversion Notice is received by the Remarketing Agent;
- (iii) a Medium-Term Rate, the Conversion Date must be the Business Day immediately succeeding the last day of the Medium-Term Rate Period; or
- (iv) a Bank Rate, the Conversion Date may be any Business Day.

(d) **Notice of Conversions to Holders.** The Trustee shall give written notice to the Holders of a Conversion Date, which notice shall be in substantially the form attached to this Indenture as Exhibit B, appropriately completed, and shall be sent by first-class mail, postage prepaid, at least fifteen (15) days prior to the proposed Conversion Date.

(e) **Failure or Revocation of Conversion.** If (i) the Company fails to deliver to the Trustee and the Remarketing Agent by 10:00 a.m., Local Time, on the proposed Conversion Date any supplemental Opinion of Bond Counsel required by subsection (b) of this Section, or (ii) an Event of Default shall have occurred and be continuing hereunder, the Interest Rate Determination Method for the Bonds shall not be changed on the proposed Conversion Date and the Trustee shall immediately notify by telephone the Credit Issuer, if any, the Remarketing Agent, the Issuer and the Paying Agent that the Interest Rate Determination Method for the Bonds shall not be changed on the proposed Conversion Date.

Notwithstanding any other provision in this Indenture to the contrary, no conversion of the Interest Rate Determination Method to the Fixed Rate shall occur if the Company, not later than 10:00 a.m., Local Time, on the Business Day immediately preceding the applicable Computation Date, directs the Remarketing Agent not to change the Interest Rate Determination Method to the Fixed Rate by written notice, with a copy to the Trustee, the Issuer, the Paying Agent, the Remarketing Agent and the Credit Issuer, if any.

If a proposed conversion of the Interest Rate Determination Method is cancelled pursuant to the provisions of the two preceding paragraphs, all Bonds shall nevertheless be tendered for purchase on the proposed Conversion Date and shall be purchased on the proposed Conversion Date. The Bonds shall continue to bear interest in accordance with the Interest Rate Determination Method in effect prior to the proposed Conversion Date and, in the case of a proposed change from a Medium-Term Rate, for a Medium-Term Rate Period ending on the first day that is a day immediately preceding a Business Day and that occurs on or after the day that is the same number of days after the proposed Conversion Date as the number of days in the immediately preceding Medium-Term Rate Period (but in no event later than the maturity of the Bonds); provided, however, that the rate of interest that the Bonds will bear shall be determined on the proposed Conversion Date.

(f) **Failure to Mail Certain Notices.** Failure to mail the notice described in subsection (d), or any defect therein, shall not affect the validity of any interest rate or change in the Interest Rate Determination Method on any of the Bonds or the requirement that the Bonds shall be tendered pursuant to Section 2.6(e) or extend the period for tendering any of the Bonds for purchase, and the Trustee shall not be liable to any Holder by reason of its failure to mail such notice or any defect therein.

(g) **Compliance with Rule 15c2-12.** Notwithstanding any provision in this Indenture to the contrary, no conversion to a Long-Term Rate shall be permitted unless the Trustee, the Issuer and the Remarketing Agent shall have received, at least two (2) Business Days prior to the proposed Conversion Date, a copy of a continuing disclosure agreement imposing obligations upon the Company, or any other responsible party to comply with the requirements of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to the Bonds, together with such disclosure documents as the Remarketing Agent shall require in order to comply with the Rule, if the Rule will be applicable upon such conversion.

(h) **Conversion to Flexible Term Rate or a Long-Term Rate.** The Interest Rate Determination Method may not be converted to (i) the Flexible Term Rate unless the interest component of the Credit Facility to be in effect immediately following such conversion, if any, provides for payment of at least 271 days of interest on the Bonds at the Ceiling Rate or (ii) a Long-Term Rate unless the interest component of the Credit Facility to be in effect immediately following such conversion, if any, provides for payment of at least 183 days of interest on the Bonds at such Long-Term Rate. If a rating for the Bonds is to be maintained after any such conversion, the Trustee and the Remarketing Agent must receive, prior to the effective date of such conversion, written confirmation from each Rating Agency rating the Bonds that such rating will not be reduced or withdrawn.

(i) **Remarketing Agent Required.** No conversion to a Short-Term Rate, Medium-Term Rate or Long-Term Rate shall be effective unless a Remarketing Agent is appointed to act in connection with the Bonds during such period.

(j) **Execution of New Bonds.** Upon conversion to or from the Bank Rate Period, the Issuer shall at the written request and sole expense of the Company, execute and direct the Trustee to, and the Trustee shall, authenticate and deliver new Bonds of like dates and denominations and in the form attached hereto as Exhibit A when converting from the Bank Rate Period, and Exhibit F when converting to the Bank Rate Period.

Section 2.5 Issuance of a Credit Facility.

(a) **Issuance by a Credit Issuer.** No Credit Facility is required during the Bank Rate Period. During any Credit Facility Period, the Company shall keep the Bonds secured by a Credit Facility at all times unless (a) the Bonds receive an investment grade rating from a Rating Agency, without external liquidity support or other credit enhancement or (b) the Issuer consents in advance to a release of the Credit Facility requirement. Thereafter, if for either reason no Credit Facility is in effect during any Short-Term Rate Period and if no Credit Facility will be in effect on the first day of any Long-Term Rate Period, the Company may arrange for issuance by a Credit Issuer of a Credit Facility, on the terms and subject to the conditions hereof and upon delivery by the Company to the Trustee, the Remarketing Agent, the Paying Agent and the Issuer:

(i) of (1) a notice (the "Credit Issuance Notice") stating that the Company has arranged for the issuance of a Credit Facility and specifying a proposed Credit Issuance Date at least twenty-five (25) days after receipt of such notice by the Trustee, and (2) a proposed form of an Opinion of Bond Counsel to the effect that the issuance of such Credit Facility will not cause interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes and that such issuance is permitted under this Indenture; and

(ii) by 10:00 a.m., Local Time, on the proposed Credit Issuance Date, of (1) a supplemental Opinion of Bond Counsel stating that under the laws existing on the

Credit Issuance Date the issuance of the Credit Facility will not cause the interest on the Bonds to be included in gross income of the Holders thereof for federal income tax purposes, (2) an opinion of Counsel satisfactory to the Trustee, the Rating Agency, if any, rating the Bonds, the Issuer and the Remarketing Agent, to the effect (a) that the Credit Facility has been duly executed, issued and delivered by the Credit Issuer and is the legal, valid and binding obligation of the Credit Issuer (or, in the case of a branch or agency of a foreign commercial bank, such branch or agency) enforceable in accordance with its terms, and (b) that the Credit Facility is not and the issuance of the Credit Facility will not cause the Bonds to be subject to the registration requirements of the Securities Act of 1933, as amended, (3) if required by the Rating Agency, if any, rating the Bonds, an opinion of Counsel satisfactory to the Rating Agency to the effect that payments of principal, premium, if any, or Purchase Price of or interest on the Bonds from the proceeds of a drawing on such Credit Facility will not constitute avoidable preferential payments pursuant to the provisions of Section 547 of the Bankruptcy Code recoverable from Holders of the Bonds pursuant to Section 550 of the Bankruptcy Code. In addition, if the Credit Facility is issued by a branch or agency of a foreign commercial bank, there shall also be delivered an opinion of Counsel licensed to practice law in the jurisdiction in which the main office of such bank is located, satisfactory to the Trustee, the Rating Agency, if any, rating the Bonds, the Issuer and the Remarketing Agent, to the effect that such Credit Facility has been duly executed, issued and delivered and is the legal, valid and binding obligation of such Credit Issuer enforceable in accordance with its terms.

(b) **Credit Issuance Date.** A Credit Issuance Date must be (i) during any Weekly Rate Period, any Business Day, (ii) during any Flexible Term Rate Period, a day that would otherwise be an Interest Payment Date for all of the Bonds, or (iii) the first day of a Long-Term Rate Period.

(c) **Notice of Credit Facility to Holders.** Upon receipt of a Credit Issuance Notice from the Company meeting the requirements set forth in subsection (a) hereof, the Trustee shall give notice by first-class mail, postage prepaid, to the Holders at least fifteen (15) days prior to the proposed Credit Issuance Date which notice shall be in substantially the form of Exhibit C hereto, appropriately completed.

(d) **Nonacceptance of Credit Facility.** If the Company fails to deliver to the Trustee, the Paying Agent and the Remarketing Agent by 10:00 a.m., Local Time, on the proposed Credit Issuance Date (i) the opinions of Bond Counsel and other Counsel required by subsection (a)(ii) of this Section or (ii) evidence that the anticipated ratings specified in the Trustee's notice to Holders pursuant to subsection (c) of this Section have been received, the Trustee shall not accept the Credit Facility, but all Bonds shall be tendered for purchase on the proposed Credit Issuance Date and shall be purchased on such date. The Trustee shall immediately notify by telephone the Issuer and the Company if the Credit Facility is not accepted on the proposed Credit Issuance Date.

Section 2.6 Tender of Bonds for Purchase.

(a) **Optional Tender During Weekly Rate Period.** During any Weekly Rate Period, the Holders of the Bonds shall have the right to tender any such Bond (or portion thereof in an Authorized Denomination, provided that any Bond or portion thereof remaining is also in an Authorized Denomination), for purchase at par on any Optional Tender Date, but only upon:

(i) delivery to the Trustee and Remarketing Agent at its principal office, not later than 4:00 p.m., Local Time, on or before the seventh day (or on the immediately preceding Business Day, if such seventh day is not a Business Day) next preceding such Optional Tender Date, of an irrevocable written, telephonic (followed, if requested by the Remarketing Agent, by written or facsimile confirmation delivered to the Trustee and Remarketing Agent no later than the close of business on the next succeeding Business Day), facsimile or telegraphic notice (with a written or facsimile copy to the Trustee) stating (1) that such Holder will tender for purchase all or any portion of his/her Bonds in an Authorized Denomination and the amount of Bonds to be tendered and (2) the Optional Tender Date on which such Bonds will be tendered; and

(ii) delivery of such Bond (with an appropriate instrument of transfer duly executed in blank) to the Trustee at its principal office at or prior to 10:00 a.m., Local Time, on such Optional Tender Date; provided, however, that no Bond (or portion thereof) shall be purchased unless such Bond as delivered to the Trustee shall conform in all respects to the description thereof in the aforesaid notice.

(b) **Optional Tender By Beneficial Owners.** If the Bonds are held in a Book-Entry System, a purchase notice pursuant to Section 2.6(a)(i) may be delivered by a Beneficial Owner. Such purchase notice must be delivered as set forth in Section 2.6(a)(i) and must state that such Beneficial Owner will cause its beneficial interest (or portion thereof in an Authorized Denomination) to be tendered, the amount of such interest to be tendered, the Optional Tender Date on which such interest will be tendered and the identity of the Participant through which the Beneficial Owner maintains its interest. Upon delivery of such notice, the Beneficial Owner must make arrangements to have its beneficial ownership interest in the Bonds being tendered transferred to the Trustee at or prior to 10:00 a.m., Local Time, on the Optional Tender Date, but need not otherwise comply with Section 2.6(a)(ii).

(c) **Election to Tender Irrevocable.** Any election of a Holder to tender Bonds for purchase on an Optional Tender Date in accordance with subsection (a) above shall be irrevocable and shall be binding on the Holder making such election and on any transferee of such Holder.

(d) **Notices.** The Remarketing Agent shall give prompt notice by telephone of receipt of (i) any tender notice received by it in accordance with paragraph (i) of subsection (a) above to the Trustee, the Paying Agent and the Credit Issuer, if any, or (ii) any Credit Issuance

Notice received by it from the Company in accordance with Section 2.5(a) to the Trustee and the Paying Agent.

(e) **Mandatory Purchase on Mandatory Purchase Date.** The Bonds (or the applicable portion of the Bonds during any Flexible Term Rate Period) shall be subject to mandatory tender for purchase on any Mandatory Purchase Date at the Purchase Price thereof. Notwithstanding the preceding sentence, Bonds to be redeemed on such Mandatory Purchase Date (and Bonds issued in exchange for or upon the registration of transfer of such Bonds) shall be redeemed instead of being purchased. Holders of Bonds subject to mandatory tender for purchase shall tender such Bonds to the Trustee by 10:00 a.m., Local Time, on each Mandatory Purchase Date.

(f) **Bonds Deemed Tendered.** If (i) with respect to a Mandatory Purchase Date, a Holder fails to deliver such Bond to the Trustee on or before the Mandatory Purchase Date, or (ii) with respect to an Optional Tender Date, a Holder gives notice pursuant to Section 2.6(a) to the Remarketing Agent and thereafter fails to deliver such Bonds (or portion thereof) to the Trustee, as required, then such Bond (or portion thereof) that is not delivered to the Trustee shall be deemed to have been properly tendered (such Bond being hereinafter referred to as an "Untendered Bond") and, to the extent that there shall be on deposit with the Paying Agent on the date purchase thereof is required as provided herein an amount sufficient to pay the Purchase Price thereof, such Untendered Bond shall cease to constitute or represent a right to payment of principal or interest thereon and shall constitute and represent only the right to the payment of the Purchase Price payable on such date.

(g) **Source of Funds for Purchase of Bonds.** On each Optional Tender Date and each Mandatory Purchase Date there shall be purchased (but solely from funds set forth below) the Bonds (or portions thereof), tendered (or deemed tendered) to the Trustee for purchase in accordance with this Section at the applicable Purchase Price. Funds for the payment of the Purchase Price for such Bonds (or portions thereof), shall be paid by the Paying Agent solely from the following sources and in the following order of priority:

(i) proceeds of the remarketing of such Bonds (or portions thereof) pursuant to Section 2.7 that have been transferred to the Paying Agent pursuant to said Section;

(ii) if a Credit Facility is then in effect, moneys drawn under such Credit Facility pursuant to Section 3.8(a)(ii);

(iii) if a Credit Facility is then in effect, moneys from the Bond Purchase Fund constituting Eligible Funds, if any, under clause (i) of the definition of Eligible Funds that have been transferred to the Paying Agent pursuant to Section 4.4; and

(iv) any other moneys furnished by or on behalf of the Company for purchase of Bonds.

Bonds (or portions thereof) purchased as provided above shall be delivered as provided in Section 2.8.

(h) **Notice of Mandatory Purchase Date.** Not less than fifteen (15) days prior to each Mandatory Purchase Date occurring as a result of a Credit Modification Date or at the Company's direction, and not less than three (3) days prior to each Mandatory Purchase Date occurring at the Credit Issuer's direction, the Trustee shall give written notice of such Mandatory Purchase Date to the Remarketing Agent, the Paying Agent and, by first-class mail, postage prepaid, the Holders, which notice shall be in substantially the form of Exhibits "D" or "E" hereto, as the case may be, appropriately completed. Failure to mail such notice or any defect therein shall not affect the rights or obligations of Holders and the Trustee shall not be liable to any Holder by reason of its failure to mail such notice or any defect therein. With respect to a Mandatory Purchase Date that is a Conversion Date, the Trustee shall provide notice to the Holders as set forth in Section 2.4(d). With respect to a Mandatory Purchase Date that is a Credit Issuance Date, the Trustee shall provide notice to the Holders as set forth in Section 2.5(c). With respect to a Mandatory Purchase Date that is the first Business Day immediately succeeding the last day of each Flexible Term Rate Period applicable to a Bond, no notice of mandatory tender shall be sent to the Holder of such Bond.

Section 2.7 Remarketing of Bonds.

(a) **Best Efforts to Place Bonds.** The Remarketing Agent shall use its best efforts to place Bonds (or portions thereof) at a price of par plus accrued interest, if any, on each date that such Bonds (or portions thereof) are required to be purchased pursuant to Section 2.6 and if such Bonds are not placed on such date (such Bonds being hereinafter referred to as "Unremarketed Bonds"), the Remarketing Agent shall continue, for a period not in excess of thirty (30) days thereafter, to use its best efforts to place such Unremarketed Bonds at a price of par plus accrued interest, if any. The Remarketing Agent shall use its best efforts to place Unremarketed Bonds on a particular date that is more than thirty (30) days after the date on which such Unremarketed Bonds were tendered (or deemed tendered) for purchase and became Unremarketed Bonds upon receipt by the Remarketing Agent and the Trustee by 10:00 a.m., Local Time, on such date, of an Opinion of Bond Counsel to the effect that under the laws existing on such date, the placement of such Unremarketed Bonds on such date will not adversely affect the exclusion of interest on the Bonds from gross income of the Holders thereof for federal income tax purposes. By 12:00 noon, Local Time, on the Business Day prior to each date that the Bonds (or portions thereof) are required to be purchased pursuant to Section 2.6, the Remarketing Agent shall give initial notice by telephone (promptly confirmed by telecopy) of the principal amount of the Bonds for which it has arranged placement, together with the principal amount of the Bonds, if any (and such other particulars with respect thereto as the Trustee may deem necessary), for which it has not arranged placement, to the Trustee, the Company and the Credit Issuer, if any, and the Paying Agent.

Such initial notice shall be confirmed by telephone notice by 9:00 a.m., Local Time, on the date that such Bonds are to be purchased (such notice to be promptly confirmed in writing)

of the amount of Bonds not remarketed and the information necessary to enable the Trustee to prepare new Bond certificates with respect to the Bonds that were remarketed. By 9:30 a.m., Local Time, the Remarketing Agent shall transfer to the Paying Agent the proceeds of the remarketing of such Bonds. By 10:30 a.m., Local Time, the Paying Agent shall notify the Trustee of the amount of remarketing proceeds it received from the Remarketing Agent. If no notice is received by 10:30 a.m. then the Trustee shall draw 100% of the Purchase Price of the Bonds.

Notwithstanding anything herein to the contrary, Bonds may be remarketed only at a price of par.

(b) **Draws on Credit Facility.** In the event that moneys from the source described in Section 2.6(g)(i) are insufficient to pay the Purchase Price of Bonds tendered or deemed tendered on an Optional Tender Date or a Mandatory Purchase Date, the Trustee shall, by 11:00 a.m., Local Time, on such Optional Tender Date or Mandatory Purchase Date, take all action required to cause the Purchase Price of such Bonds, to the extent not available from the source described in Section 2.6(g)(i), to be paid from the Credit Facility. In the event the Purchase Price of Bonds is paid from the Credit Facility as described herein, and the Company does not reimburse the Credit Issuer for such Purchase Price, upon the remarketing of such Bonds as described in Section 2.7(a), the Paying Agent shall deliver the proceeds of the remarketing of such Bonds to the Credit Issuer.

(c) **No Remarketing During Default.** The Remarketing Agent shall not be required to remarket any Bonds pursuant to this Section if it has actual knowledge that an Event of Default shall have occurred and be continuing hereunder or if the Remarketing Agent determines, in its sole discretion, that the remarketing of the Bonds would be unlawful or would be likely to result in the imposition of liability or damages against the Issuer, the Remarketing Agent, the Paying Agent, the Trustee, the Credit Issuer, if any, or the Company.

(d) **Remarketing to Company or Issuer.** If a Credit Facility is then in effect, the Remarketing Agent shall not remarket any Bonds to (i) the Company, (ii) any other Person obligated (as guarantor or otherwise) to make payments on the Bonds or under the Loan Agreement or the Reimbursement Agreement, (iii) an "affiliate" of the Company as defined in Bankruptcy Code § 101(2) (if the Remarketing Agent has actual knowledge that such Person is an "affiliate" at the time of such remarketing), or (iv) the Issuer, pursuant to this Section prior to the expiration or earlier termination of the Credit Facility unless, prior to such remarketing, the Trustee, the Rating Agency, if any, rating the Bonds, and the Remarketing Agent shall have received an unqualified opinion of Counsel experienced in bankruptcy law matters which opinion is acceptable to each Rating Agency rating the Bonds, to the effect that such remarketing would not result in a preferential payment pursuant to the provisions of Section 547 of the Bankruptcy Code recoverable from Holders of the Bonds pursuant to Section 550 of the Bankruptcy Code in the event of an Act of Bankruptcy, and if a Rating Agency is rating the Bonds, such Rating Agency has confirmed to the Trustee in writing that its rating will not be withdrawn or reduced as a result of such remarketing.

(e) **Notice to Proposed Purchasers of Bonds.** The Remarketing Agent will give any Person to whom Bonds are proposed to be remarketed written notice of any Mandatory Purchase Date, acceleration of maturity of Bonds or redemption of Bonds, notice of which has been given to Holders, prior to remarketing Bonds to such Person.

(f) **No Remarketing Under Certain Conditions.** Notwithstanding anything to the contrary herein provided, the Bonds shall not be remarketed unless (i) a Credit Facility providing for the payment of the principal of and interest on, and Purchase Price of, the Bonds will be in effect following the remarketing of such Bonds, (ii) no such Credit Facility will be in effect, but at the time of such remarketing, the Bonds are rated by a Rating Agency and such long-term and/or short-term rating is satisfactory to the Remarketing Agent in its sole discretion, or (iii) no such Credit Facility will be in effect, but following the remarketing of such Bonds, the Bonds will bear interest at a Long-Term Rate. Notwithstanding anything to the contrary herein provided, the Bonds shall not be remarketed following a Mandatory Purchase Date occurring at the Credit Issuer's direction unless and until the Remarketing Agent has received the consent of the Credit Issuer to such remarketing.

Section 2.8 Delivery of Purchased Bonds. Bonds (or portions thereof) purchased pursuant to Section 2.6 shall be delivered as follows:

(a) **Bonds Purchased from Remarketing Proceeds.** Bonds purchased with moneys described in Section 2.6(g)(i) shall be delivered to the purchasers thereof upon receipt of payment therefor. Prior to such delivery the Registrar shall provide for registration of transfer to the Holders, as provided in a written notice from the Remarketing Agent.

(b) **Bonds Purchased from Draws Under Credit Facility.** Bonds (or portions thereof) purchased with moneys drawn under the Credit Facility ("Pledged Bonds") shall be surrendered to the Trustee for registration of transfer to the Company and upon such registration of transfer, the Bonds issued in respect thereof shall be (i) delivered to and held by the Trustee for the account of the Company, and no such Bond shall be released, pledged or otherwise transferred or disposed of until the Trustee shall have received written notice from the Credit Issuer that the amounts so drawn under the Credit Facility, together with interest thereon, if any, due pursuant to any Reimbursement Agreement, have been reimbursed to the Credit Issuer and that the amount so drawn under the Credit Facility with respect to such Bonds has been, or upon such release will be, correspondingly and fully reinstated, and thereupon shall be delivered to, or in accordance with the written direction of, the Company or (ii) if required pursuant to any Reimbursement Agreement, issued to a pledge agent for the account of the Credit Issuer as pledgee of such Bonds and no such Bond shall be released, pledged or otherwise transferred or disposed of until the Trustee shall have received written notice from the Credit Issuer that the amounts so drawn under the Credit Facility, together with interest thereon, if any, due pursuant to any Reimbursement Agreement, have been reimbursed to the Credit Issuer and that the amount so drawn under the Credit Facility with respect to such Bonds has been, or upon such release will be, correspondingly and fully reinstated. If the Book-Entry System is in effect and less than all of the Bonds become Pledged Bonds, the Trustee

shall withdraw any Pledged Bonds from the Book-Entry System and shall authenticate and hold physical bonds as described in this subsection until such Bonds are released as provided in this subsection and the Credit Facility is reinstated, at which time the Trustee shall reinstate the Book-Entry System with respect to such Bonds.

(c) **Bonds Purchased with Other Moneys.** Bonds (or portions thereof) purchased with any other moneys pursuant to Section 2.6(g)(iv) shall be delivered to the Trustee (i) for cancellation and shall be cancelled, or (ii) if the Company requests, for registration of transfer to the Company.

(d) **During Book-Entry System.** Notwithstanding anything herein to the contrary, so long as the Bonds are held under the Book-Entry System, Bonds will not be delivered as set forth in (a) through (c) above (except as set forth in the last sentence of Section 2.8(b) above); rather, transfers of beneficial ownership and pledges of the Bonds to the persons indicated above will be effected on the books of the Securities Depository and its Participants pursuant to its rules and procedures.

Section 2.9 Execution; Limited Obligation; Mortgage. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of the Mayor of the Issuer and attested by the manual or facsimile signature of the Clerk of the Issuer and countersigned by the Director of Finance of the Issuer and shall have impressed or imprinted thereon the seal (or a facsimile thereof), if any, of the Issuer.

In case any officer whose manual or facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signatures shall nevertheless be valid and sufficient for all purposes.

The Bonds shall be limited obligations of the Issuer. The Bonds and the interest thereon and redemption premium, if any, shall not be deemed to constitute or create an indebtedness, liability or obligation of the Issuer, Pinellas County, the State or any political subdivision or agency thereof within the meaning of any State constitutional provision or statutory limitation or a pledge of the faith and credit or the taxing power of the State or any such political subdivision or agency. The Bonds and the interest thereon are payable solely from and secured by the Security, including the moneys available to be drawn by the Trustee under any Credit Facility that may be in effect from time to time to support payments due on or with respect to the Bonds, all as described in and subject to limitations set forth in this Indenture, for the equal and ratable benefit of the Holders, from time to time, of the Bonds.

In addition to the Security provided hereby, during the Bank Rate Period the Bonds shall also be secured by the terms of the Mortgage benefiting the Bank as the Bondholder, pursuant to which the Company shall grant a mortgage on, and security interest in, certain property, including the Project, to secure its obligations under the Loan Agreement.

Section 2.10 Certificate of Authentication. No Bonds shall be secured hereby or entitled to the benefit hereof or shall be or become valid or obligatory for any purpose unless there shall be endorsed thereon a certificate of authentication, substantially in the form as set forth in the form of Bonds referred to in Section 2.11, executed by an authorized representative of the Trustee; and such certificate on any Bond issued by the Issuer shall be conclusive evidence and the only competent evidence that it has been duly authenticated and delivered hereunder.

Section 2.11 Form of Bonds.

(a) The Bonds, the Trustee's certificate of authentication and the form of assignment shall be in substantially the form set forth as Exhibit A, or Exhibit E, as applicable, hereto, with such appropriate variations, omissions, substitutions and insertions as are permitted or required hereby or are required by law and may have such letters, numbers or other marks of identification and such legends and endorsements placed thereon as may be required to comply with any applicable laws or rules or regulations, or as may, consistent herewith, be determined by the officers of the Issuer executing such Bonds, as evidenced by their execution of the Bonds.

(b) The Bonds shall be in either typewritten or printed form, as the Company shall direct, on behalf of the Issuer, with approval of the Trustee; provided that any expenses, including but not limited to expenses of printing, incurred in connection therewith shall be paid by the Company.

(c) On and after any Mandatory Purchase Date, Bonds authenticated and delivered hereunder shall have omitted from the text thereof such provisions contained in the form of the Bonds set forth as Exhibit A, or Exhibit E, as applicable, hereto as are not applicable to the Bonds on and after such date or shall include such provisions as will become applicable after such date including, without limitation, with respect to any Bonds in the form set forth in Exhibit A, any reference to entitlement to any benefit of the Credit Facility, if then in effect, and any redemption provisions made applicable as a result of the occurrence of a Conversion Date relating to a conversion to a Long-Term Rate.

Section 2.12 Delivery of Bonds. Upon the execution and delivery hereof, the Issuer shall execute the Bonds and deliver them to the Trustee, and the Trustee shall authenticate the Bonds and deliver them to such purchaser or purchasers as shall be directed in writing by the Issuer as hereinafter provided in this Section.

Prior to the direction by the Issuer to the Trustee to deliver any of the Bonds there shall be filed with the Trustee (by hand delivery, overnight courier, electronic delivery (E-mail), or facsimile):

(a) A certified copy of all resolutions adopted and proceedings had by the Issuer authorizing execution of the Indenture and the Loan Agreement and the issuance of the Bonds;

(b) A fully-signed copy of this Indenture and the Loan Agreement;

- (c) Modifications to the mortgages on the properties composing the Project;
- (d) Copies of any Financing Statements filed to perfect the security interests in the Security, if any;
- (e) A copy of completed IRS Form 8038 to be filed by or on behalf of the Issuer pursuant to Section 149(e) of the Code;
- (f) A signed copy of the certificate of the Issuer establishing its reasonable expectations to the effect that the Bonds will not be "arbitrage bonds" within the meaning of Section 148 of the Code;
- (g) A signed copy of an opinion of Counsel to the effect that this Indenture and the Loan Agreement have been duly authorized, executed and delivered by the Issuer and are legal, valid and binding agreements of the Issuer, and an approving opinion of Bond Counsel that the Bonds have been duly authorized and validly issued, and that interest on the Bonds will not be included in gross income of the Holders thereof for federal income tax purposes;
- (h) A signed copy of an opinion of Counsel for the Company addressed to the Issuer, the Trustee and the Paying Agent to the effect that the Loan Agreement has been duly authorized, executed and delivered by the Company and are legal, valid and binding agreements of the Company and addressing the 501(c)(3) status of the Company;
- (i) Reserved; and
- (j) A signed copy of a request and authorization to the Trustee on behalf of the Issuer and signed by a duly authorized officer of the Issuer directing the Trustee to authenticate and deliver the Bonds in such specified denominations as permitted herein to the initial purchaser or purchasers upon payment to the Trustee, but for the account of the Issuer, of a specified sum of money.

Upon receipt of the foregoing, the Trustee shall authenticate and deliver the Bonds as provided above.

Section 2.13 Mutilated, Lost, Stolen or Destroyed Bonds. If the Bonds are not in the Book-Entry System, if any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate and deliver a new Bond of the same maturity, interest rate, principal amount and tenor in lieu of and in substitution for the Bond mutilated, lost, stolen or destroyed; provided, that there shall be first furnished to the Trustee evidence satisfactory to it and the Issuer of the ownership of such Bond and of such loss, theft or destruction (or, in the case of a mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee), together with indemnity satisfactory to the Trustee and the Issuer and compliance with such other reasonable regulations as the Issuer and the Trustee may prescribe. If any such Bond shall have matured or a redemption date pertaining thereto shall have passed, instead of issuing a new Bond the Issuer may pay the same without surrender thereof. The Issuer and the Trustee

may charge the Holder of such Bond with their reasonable fees and expenses in connection with this Section.

Section 2.14 Exchangeability and Transfer of Bonds; Persons Treated as Owners.

Books for the registration of the Bonds and for the registration of transfer of the Bonds as provided herein shall be kept by the Registrar.

Any Holder of a Bond, in person or by his/her duly authorized attorney, may transfer title to his/her Bond on the Register upon surrender thereof at the principal office of the Trustee, and by providing the Registrar with a written instrument of transfer (in substantially the form of assignment attached to the Bond) executed by the Holder or his/her duly authorized attorney, and thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same aggregate principal amount and tenor as the Bond surrendered (or for which transfer of registration has been effected) and of any Authorized Denomination or Authorized Denominations.

Bonds may be exchanged upon surrender thereof at the principal office of the Registrar with a written instrument of transfer satisfactory to the Registrar executed by the Holder or such Holder's attorney duly authorized in writing, for an equal aggregate principal amount of Bonds of the same tenor as the Bonds being exchanged and of any Authorized Denomination or Authorized Denominations. The Issuer shall execute and the Trustee shall authenticate and deliver Bonds that the Holder making the exchange is entitled to receive, bearing numbers not contemporaneously then outstanding.

Such registrations of transfer or exchanges of Bonds shall be without charge to the Holders of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Holder of the Bond requesting such registration of transfer or exchange as a condition precedent to the exercise of such privilege. Any service charge made by the Registrar for any such registration of transfer or exchange and all reasonable expenses of the Issuer and the Trustee shall be paid by the Company.

The Registrar shall not register any transfer of any Bond, except pursuant to a tender of Bonds on an Optional Tender Date or a Mandatory Purchase Date, after notice calling such Bond (or portion thereof) for redemption has been given and prior to such redemption, except in the case of any Bond to be redeemed in part, the portion thereof not to be redeemed. In connection with any such transfer pursuant to a tender of Bonds on an Optional Tender Date or a Mandatory Purchase Date, the Registrar shall deliver to the transferee a copy of the applicable notice of redemption.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of either principal or interest shall be made only to or upon the order of the registered owner thereof or his/her duly authorized attorney, but such registration may be changed as hereinabove provided. All

such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

All Bonds issued upon any registration of transfer or exchange of Bonds shall be legal, valid and binding limited obligations of the Issuer, evidencing the same debt, and entitled to the same security and benefits under this Indenture, as the Bonds surrendered upon such registration of transfer or exchange.

Notwithstanding the foregoing, for so long as the Bonds are held under the Book-Entry System, transfers of beneficial ownership will be effected pursuant to rules and procedures established by the Securities Depository.

Section 2.15 Replacement Bonds. Except when the Bonds are held in the Book-Entry System, the Issuer shall execute and the Trustee shall authenticate and deliver Replacement Bonds to replace Untendered Bonds. Any such Replacement Bond shall be executed and authenticated as provided in this Indenture. The Company shall bear all expenses in connection with the preparation and delivery of the Replacement Bonds.

Section 2.16 Cancellation. All Bonds that have been surrendered to the Registrar pursuant to Sections 2.13, 2.14 or 2.15 of this Indenture or for the purpose of purchase upon an Optional Tender Date or a Mandatory Purchase Date, or for payment upon maturity or redemption prior to maturity, shall be cancelled and destroyed by the Registrar and a certificate of destruction shall be delivered to the Issuer and the Company.

Section 2.17 Ratably Secured. All Bonds issued hereunder are and are to be, to the extent provided in this Indenture, equally and ratably secured by this Indenture without preference, priority or distinction on account of the actual time or times of the authentication, delivery or maturity of the Bonds so that subject as aforesaid, all Bonds at any time Outstanding shall have the same right, lien and preference under and by virtue of this Indenture and shall all be equally and ratably secured hereby with like effect as if they had all been executed, authenticated and delivered simultaneously on the date hereof, whether the same, or any of them, shall actually be disposed of at such date, or whether they, or any of them, shall be disposed of at some future date. Notwithstanding the foregoing, any Bond that is registered in the name of the Company or held or required to be held by the Trustee or any pledge agent under a pledge agreement pursuant to Section 2.8 shall not be entitled to any benefit of the Credit Facility, if any.

Section 2.18 Redemption of Bonds; Partial Redemption of Bonds.

(a) **Optional Redemption.** During any Weekly Rate Period or Bank Rate Period the Bonds are subject to redemption, at the option and direction of the Company, in whole on any Business Day or in part on any Interest Payment Date at a redemption price equal to one hundred percent (100%) of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date.

During any Flexible Term Rate Period each of the Bonds is subject to redemption, at the option or direction of the Company, in whole or in part on any Interest Payment Date applicable to such Bond to be redeemed, at a redemption price equal to one hundred percent (100%) of the principal amount of such Bond plus accrued interest thereon to, but not including, the redemption date.

During any Long-Term Rate Period the Bonds are subject to redemption, at the direction of the Company, in whole or in part on any Interest Payment Date occurring on or after the First Day of Redemption Period as described below, at the principal amount thereof, plus a redemption premium (expressed as a percentage of principal amount) plus accrued interest thereon to, but not including, the redemption date as follows, provided, however, if a Credit Facility is then in effect, such redemption premium shall be paid only from Eligible Funds described in clause (i) of the definition of Eligible Funds on deposit in the Bond Fund, unless such Credit Facility provides for payment of such premium:

Length of Long-Term Rate Period From Conversion Date Until End of Rate Period (Expressed in Years)	First Day of Redemption Period	Redemption Premium as a Percentage of Principal Amount of Bonds
More than 15	10 th Anniversary of Conversion Date	3% declining by 1% every year after the 10 th Anniversary of the Conversion Date until reaching 0%, and thereafter 0%
More than 10 but not more than 15	7 th Anniversary of Conversion Date	3% declining by 1% every year after the 7 th Anniversary of the Conversion Date until reaching 0%, and thereafter 0%
More than 5 but not more than 10	4 th Anniversary of Conversion Date	2% declining by 1% every year after the 4 th Anniversary of the Conversion Date until reaching 0%, and thereafter 0%
5 or less	Bonds not redeemable pursuant to this paragraph	N/A

The above premiums may be changed upon the conversion to a Long-Term Rate upon the receipt of an Opinion of Bond Counsel subject to and in accordance with the provisions of Sections 2.3(d) and (e).

During any Credit Facility Period, if required by the terms of the Credit Agreement, the Trustee shall make a draw on the Credit Facility in principal amount equal to the amount of any funds deposited by or on behalf of the Company in the Current Account of the Bond Fund for the optional redemption of Bonds in accordance with the terms of the Credit Agreement at or

before noon on the date required by the Credit Agreement and shall apply the proceeds of such draw to the optional redemption of Bonds on such date in each applicable year. Notwithstanding the terms of this Indenture, no additional notice or direction need be given by the Issuer or the Company to the Trustee in order to effectuate the redemption of Bonds in the manner described in this paragraph. The Credit Issuer shall be reimbursed for the draw on the Credit Facility from the funds of the Company in the Current Account of the Bond Fund.

(b) **Extraordinary Optional Redemption.** The Bonds are subject to redemption in whole, at the option and direction of the Company, at a redemption price equal to one hundred percent (100%) of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date, on any date for which the requisite notice of redemption can be given, within one hundred eighty (180) days of the occurrence of any of the following events:

(i) the Project shall have been damaged or destroyed to such an extent that in the judgment of the Company (A) it cannot reasonably be restored within a period of three (3) consecutive months to the condition thereof immediately preceding such damage or destruction, (B) the Company is thereby prevented from carrying on its normal operations at the Project for a period of three (3) consecutive months, or (C) it would not be economically feasible for the Company to replace, repair, rebuild or restore the same;

(ii) title in and to, or the temporary use of, all or substantially all of the Project shall have been taken under the exercise of the power of eminent domain by any governmental authority or any Person acting under governmental authority (including such a taking as, in the judgment of the Company, results in the Company being prevented thereby from carrying on its normal operations at the Project for a period of three (3) consecutive months);

(iii) as a result of any changes in the Constitution of the State, or the Constitution of the United States of America or by legislative or administrative action (whether state or federal) or by final decree, judgment, decision or order of any court or administrative body (whether state or federal), the Loan Agreement shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein;

(iv) unreasonable burdens or excessive liabilities shall have been imposed on the Company with respect to the operations of the Project, including, without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Indenture that, in the judgment of the Company, render the continued operation of the Project uneconomical;

(v) changes which the Company cannot reasonably control or overcome in the economic availability of materials, supplies, labor, equipment and other properties

and things necessary for the efficient operation of the Project for the purposes contemplated by the Loan Agreement shall have occurred or technological changes that the Company cannot reasonably overcome shall have occurred that, in the judgment of the Company, render the continued operation of the Project uneconomical;

(vi) legal curtailment of the Company's use and occupancy of all or substantially all of the Project for any reason other than that set forth in (ii) above, which curtailment shall, in the judgment of the Company, prevent the Company from carrying on its normal operations at the Project for a period of three (3) consecutive months; or

(vii) the Loan Agreement is terminated prior to its expiration for any reason other than the occurrence of an Event of Default under the Loan Agreement.

(c) **Mandatory Redemption.** The Bonds are subject to mandatory redemption in whole at a redemption price equal to one hundred percent (100%) of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date (and not including any premium that might otherwise be payable during any Long-Term Rate Period) on any Business Day for which the requisite notice of redemption can be given within forty-five (45) days after the occurrence of a Determination of Taxability; provided, however, if mandatory redemption on account of a Determination of Taxability of less than all the Bonds would result, in the Opinion of Bond Counsel, in the interest on the Bonds Outstanding following such mandatory redemption not being includable in the gross income of the Holders of such Bonds Outstanding, then the Bonds are subject to mandatory redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

(d) **Selection of Bonds to be Redeemed.** If less than all the Outstanding Bonds shall be called for redemption, the Registrar or, if the Bonds are held in the Book-Entry System, the Securities Depository shall first select and call for redemption Bonds held by the Trustee or a pledge agent for the account of the Company and pledged to the Credit Issuer as contemplated in Section 2.8(b). If, following such selection, additional Bonds must be selected and called for redemption, the Registrar or, if the Bonds are held in the Book-Entry System, the Securities Depository shall select or arrange for the selection, in such manner as it shall deem fair and equitable and pursuant to its rules and procedures, the Bonds, in Authorized Denominations, provided that any Bond or portion thereof remaining Outstanding shall be in an Authorized Denomination. If there shall be called for redemption less than the principal amount of a Bond, the Issuer shall execute and the Trustee shall authenticate and deliver, upon surrender of such Bond, without charge to the Holder thereof in exchange for the unredeemed principal amount of such Bond at the option of such Holder, Bonds in any of the Authorized Denominations or, if the Bonds are held in the Book-Entry System, the Securities Depository shall, acting pursuant to its rules and procedures, reflect in said system the partial redemption and the Trustee shall (i) either exchange the Bond or Bonds held by the Securities Depository for a new Bond or Bonds in the appropriate principal amount, if such Bond is presented to the Trustee by the

Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of the Bonds held by such Securities Depository.

Section 2.19 Notice of Redemption. The Company shall exercise its option to prepay Repayments (and thereby cause a redemption of Bonds) by giving written notice to the Remarketing Agent, the Trustee, the Paying Agent and the Credit Issuer, if a Credit Facility is then in effect, not less than forty-five (45) days prior to the date selected for redemption; provided, however, that, if such redemption is pursuant to Section 2.18(b), the Company shall also deliver a certificate of a Company Representative (as defined in the Loan Agreement) certifying that the conditions precedent to such redemption have been met. To exercise any optional redemption pursuant to Section 2.18(a) so long as a Credit Facility is in effect, then at least one day before the Trustee is to give notice of such redemption, the Trustee must have received written consent from the Credit Issuer to the redemption if moneys in the Bond Fund constituting Eligible Funds under clause (i) of the definition of Eligible Funds will not be available to reimburse the Credit Issuer for such drawing on the date of such redemption. If the Credit Issuer does not consent to a drawing for such optional redemption of Bonds pursuant to Section 2.18(a) and/or a redemption premium the payment of which is not provided for in the Credit Facility will be payable in connection with such optional redemption of Bonds pursuant to Section 2.18(a), the Trustee shall condition such call for redemption upon the deposit with the Trustee of sufficient Eligible Funds on or prior to the date selected for redemption to reimburse the Credit Issuer for such drawing and/or to pay such redemption premium, and if sufficient Eligible Funds are not so available on the date selected for redemption, such call for redemption shall be revoked. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days but not more than sixty (60) days before the redemption date to each Holder of the Bonds to be redeemed in whole or in part at his/her last address appearing on the Register, but no defect in or failure to give such notice of redemption shall affect the validity of the redemption. A notice of optional redemption shall describe whether and the conditions under which the call for redemption shall be revoked. All Bonds properly called for redemption will cease to bear interest on the date fixed for redemption, provided Eligible Funds for their redemption have been duly deposited with the Trustee and, thereafter, the Holders of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed.

Notwithstanding anything in this Section 2.19 to the contrary, during any Bank Rate Period, the Trustee shall not be required to mail notice of any redemption pursuant to the terms of the Bank Mode Credit Agreement.

Any optional redemption other than an optional redemption while Bonds bear interest at the Bank Rate may be conditioned upon the occurrence or non-occurrence of events which are specified in the corresponding notice of redemption.

Section 2.20 Book-Entry System. During the Bank Rate Period the Bonds shall not be in a Book-Entry System and shall be registered and held by the Bank. During any Rate Period other than the Bank Rate Period, the Bonds shall be registered pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section. Any provision of this Indenture or the Bonds requiring physical delivery of the Bonds (other than the final sentence of Section 2.8(b)) shall, with respect to any Bonds held under the Book-Entry System, be deemed to be satisfied by a notation on the Register maintained by the Registrar that such Bonds are subject to the Book-Entry System.

So long as a Book-Entry System is being used, one Bond in the aggregate principal amount of the Bonds and registered in the name of the Securities Depository Nominee will be issued and deposited with the Securities Depository and held in its custody. The Book-Entry System will be maintained by the Securities Depository and the Participants and Indirect Participants and will evidence beneficial ownership of the Bonds in Authorized Denominations, with registration of transfers of ownership effected on the records of the Securities Depository, the Participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the Participants and the Indirect Participants. The principal of, interest and any premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Register as the registered Holder of such Bond or his/her registered assigns or legal representative at the principal office of the Registrar. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes (except as provided in Section 2.6(b)). Transfer of principal, interest and any premium payments or notices to Participants and Indirect Participants will be the responsibility of the Securities Depository, and transfer of principal, interest and any premium payments or notices to Beneficial Owners will be the responsibility of the Participants and the Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the Participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of said Holder as may be specified in the Register maintained by the Registrar or by such other method of payment as the Trustee may determine to be necessary or advisable with the concurrence of the Securities Depository.

If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds, or (ii) the Remarketing Agent elects to remove the Securities Depository, then the Remarketing Agent, with the consent of the Company, may appoint a new Securities Depository.

If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds or has been removed and the Remarketing Agent fails to appoint a new

Securities Depository, or (ii) the Remarketing Agent, with the consent of the Trustee, determines that continuation of a Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect the interests of the Beneficial Owners, the Book-Entry System will be discontinued, in which case the Trustee will deliver replacement Bonds in the form of fully registered certificates in Authorized Denominations in exchange for the Outstanding Bonds as required by the Trustee and the Beneficial Owners.

Section 2.21 CUSIP Numbers. The Issuer in issuing the Bonds may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Beneficial Owners; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" numbers. The Bonds are not required to have "CUSIP" numbers while in the Bank Rate Period.

ARTICLE III SECURITY

Section 3.1 Security. The Bonds and the interest and any premium thereon shall be a limited obligation of the Issuer as provided in Section 2.9, and shall be secured by and payable from and the Issuer hereby pledges and assigns to the Trustee as such security the following:

- (iv) all other rights and interests granted to the Issuer in connection with the Loan Agreement (except Reserved Rights) as set forth herein or granted directly to the Trustee as provided herein; and
- (v) all of the proceeds of the foregoing (except the amounts payable to or on behalf of the Issuer on account of its Reserved Rights), including without limitation investments thereof.

The foregoing are collectively the "Security" and, in consideration of the purchase of the Bonds and to secure payment of the principal of, premium, if any, and interest on the Bonds and any other cost or pecuniary liability of the Issuer relating to the Bonds or any proceeding, document or certification incidental to the issuance of the Bonds, and to secure performance and observance of all covenants, terms and conditions upon which the Bonds are to be issued, including without limitation this Indenture, the Issuer, without recourse, representation or warranty, pursuant to law hereby conveys, assigns and pledges all of its right, title and interest in, and grants a security interest in, the Security to the Trustee, and its successors and assigns, in trust for the benefit of the Holders, and their successors and assigns. For reference purposes, any Credit Facility shall be deemed a part of the Security during any period during which it is in effect.

Section 3.2 Payment of Bonds and Performance of Covenants. The Issuer shall promptly pay, but only out of the Security, the principal of, premium, if any, and interest on the Bonds at the place, on the dates and in the manner provided in the Bonds. The Issuer shall promptly perform and observe all covenants, undertakings and obligations set forth herein, in the Loan Agreement or the Bonds on its part to be performed or observed. Upon indemnification, the Issuer shall fully cooperate with the Trustee in the enforcement by the Trustee of any such rights granted to the Issuer under the Loan Agreement.

The Bonds are issued under the Act and as such shall not be deemed to constitute a debt, liability, or obligation of the Issuer or of the State, Pinellas County, or of any such political subdivision thereof, or a pledge of the faith and credit of the Issuer or of the State, Pinellas County, or of any such political subdivision, but shall be payable solely from the revenues provided by the Company. The Issuer shall not be obligated to pay the same nor interest thereon except from the revenues and proceeds pledged therefor, and that neither the faith and credit nor the taxing power of the Issuer or of the State, Hillsborough County, or of any political subdivision thereof is pledged to the payment of the principal of or the interest on the Bonds.

Section 3.3 Authority. The Issuer represents and warrants that (i) it is duly authorized under the Constitution and laws of the State to issue the Bonds, and to execute, deliver and perform the terms of the Loan Agreement and this Indenture; (ii) all action on its part for the issuance of the Bonds and execution and delivery of the Loan Agreement and this Indenture has been duly taken; (iii) the Bonds, upon issuance and authentication, and the Loan Agreement and this Indenture upon delivery, assuming that they are the respective legal, valid, binding and enforceable obligations of the other parties thereto, shall be valid and enforceable obligations of the Issuer in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally and general equitable principles; (iv) it has not heretofore conveyed, assigned, pledged, granted a security interest in or otherwise disposed of the Security; (v) it has not received any payments under the Loan Agreement; and (vi) the execution, delivery and performance of the Loan Agreement and this Indenture and issuance of the Bonds are not in contravention of law or any agreement, instrument, indenture or other undertaking to which it

is a party or by which it is bound and no other approval, consent or notice from any governmental agency is required on the part of the Issuer.

Section 3.4 No Litigation. The Issuer represents and warrants that to its knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending, or, to the best knowledge of the Issuer, threatened against or affecting the Issuer wherein an unfavorable decision, ruling or finding would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Bonds, this Indenture or the Loan Agreement or (ii) the tax-exempt status of interest on the Bonds.

Section 3.5 Further Assurances. The Issuer covenants that upon indemnification it will cooperate to the extent necessary with the Company, the Trustee and any Credit Issuer in their defenses of the Security against the claims and demands of all Persons and, upon payment or provision for payment of the fees and expenses to be incurred by the Issuer in connection therewith, will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee or any Credit Issuer may reasonably require for the better pledging of the Security. The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement without the prior written consent of the Trustee, which consent shall be governed by Article VIII.

Section 3.6 No Other Encumbrances. The Issuer covenants that, except as otherwise provided herein and in the Loan Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any portion of the Security.

Section 3.7 No Personal Liability. No recourse shall be had for the enforcement of any obligation, promise or agreement of the Issuer contained herein or in the Bonds or the other Bond Documents to which the Issuer is a party or for any claim based hereon or thereon or otherwise in respect hereof or thereof against any director, member, officer, agent, attorney or employee, as such, in his/her individual capacity, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever shall attach to, or be incurred by, any member, officer, agent, attorney or employee as such, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity, under or by reason of any of the obligations, promises or agreements entered into in the Bonds or between the Issuer and the Trustee, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such director, member, officer, agent, attorney and employee is, by the execution of this Indenture and as a condition of, and as part of the consideration for, the execution of this Indenture, expressly waived and released.

Section 3.8 Credit Facility.

(a) **Draws on Credit Facility.** Except with respect to Bonds registered in the name of the Company or Issuer, or held or required to be held by the Trustee or any pledge agent under a pledge agreement pursuant to Section 2.8 (which Bonds shall not be entitled to any benefit of any Credit Facility) at any time a Credit Facility is in effect (i) the Trustee shall draw moneys under such Credit Facility in accordance with the terms of the Credit Facility to the extent necessary to make timely payments of principal, premium, if any (if such Credit Facility provides for payment of such premium), and interest on the Bonds, in accordance with Section 4.1, (ii) the Trustee shall draw moneys, in accordance with Section 2.6(g)(ii), under such Credit Facility in accordance with the terms of the Credit Facility to the extent available in order to effect the purchase of Bonds (or portions thereof in Authorized Denominations) on a Mandatory Purchase Date or an Optional Tender Date, and (iii) upon declaration of acceleration of the Bonds pursuant to Section 6.2, the Trustee shall draw on the Credit Facility in accordance with the terms of the Credit Facility to the extent available in an amount equal to the full unpaid principal of and accrued interest on the Bonds. The Paying Agent shall promptly provide notice to the Trustee of any failure to pay principal of, premium, if any, or interest on the Bonds or the Purchase Price thereof.

(b) **Reduction of Credit Facility.** Upon any redemption or defeasance of any Bonds or upon cancellation of any Bonds upon purchase thereof as contemplated by Section 2.8(c)(i), the Trustee shall send notice to the Credit Issuer to reduce the amount available to be drawn on the Credit Facility (with written notice of the same to the Company) and the Trustee shall, upon request, confirm to the Credit Issuer and the Company the principal amount of Bonds redeemed, cancelled or defeased.

(c) **Extensions of Credit Facility.** In the event that the term of the Credit Facility is extended, unless it is automatically extended by its terms or is extended by amendment, the Trustee shall surrender the instrument evidencing the Credit Facility to the Credit Issuer in exchange for a new instrument conforming, in the opinion of Counsel, in all material respects to the instrument evidencing the Credit Facility being surrendered, except that the term thereof shall reflect the new term of the Credit Facility. The Trustee shall promptly surrender the instrument evidencing the Credit Facility to the Credit Issuer for cancellation upon discharge of the Indenture pursuant to Section 5.1 or following a Credit Modification Date and after any required draws under the Credit Facility have been made and the proceeds of the drawing have been received. If the Bonds are rated by a Rating Agency, notice of any extension of the Credit Facility (unless automatically extended by its terms) shall be furnished to such Rating Agency by the Trustee.

(d) **Expiration or Termination of Credit Facility.** If the Credit Facility provides that its term will be extended automatically unless the Credit Issuer notifies the Trustee that the term will not be extended, then if the Trustee receives notice from the Credit Issuer that the term of the Credit Facility will not be extended the Trustee shall mail a copy of such notice to the Company, the Issuer, the Remarketing Agent, the Paying Agent and any Rating Agency

then rating the Bonds no later than the Business Day after the Trustee receives such notice. The Trustee shall give notice to the Remarketing Agent and the Paying Agent, in the name of the Credit Issuer, of the expiration or earlier termination of any Credit Facility then in effect, which notice shall specify the date of such expiration or earlier termination of the Credit Facility. If the Bonds are rated by a Rating Agency, notice of any such expiration or termination of the Credit Facility shall be furnished to such Rating Agency by the Trustee. On any Credit Modification Date, the Trustee shall not surrender any evidence of the Credit Facility that is expiring or being terminated until the Trustee shall have made such drawings, if any, and taken such other actions, if any, thereunder as shall be required under this Indenture in order to provide sufficient money for payment of the Purchase Price of Bonds tendered or deemed tendered on such Credit Modification Date to the extent necessary pursuant to Section 2.6(g), and shall have received the proceeds of such drawing from the Credit Issuer. Notwithstanding any provision hereof to the contrary, the Company may not cause any Credit Facility to be terminated prior to its stated expiration date (whether in connection with the delivery of an Alternate Credit Facility or otherwise) during a Flexible Term Rate Period or a Long-Term Rate Period.

(e) **Alternate Credit Facility.** At any time, upon at least twenty-five (25) days prior written notice to the Trustee, the Issuer, the Paying Agent, the Rating Agency, if any, rating the Bonds, and the Remarketing Agent, the Company may, provide for delivery to the Trustee of an Alternate Credit Facility in accordance with the terms and conditions contained in this Section. Not less than fifteen (15) days prior to the proposed Alternate Credit Facility Effective Date (as defined below), which shall be a Credit Modification Date, the Trustee shall give each Holder notice of such Credit Modification Date by first-class mail, postage prepaid, which notice shall be in substantially the form of Exhibit D hereto, appropriately completed; provided, however, that if the proposed Alternate Credit Facility Effective Date (as defined below) is also a Conversion Date, the notice provisions of Section 2.4(d) shall apply.

If the terms and conditions contained in this Section are satisfied, the Trustee shall accept an Alternate Credit Facility, and such Alternate Credit Facility shall become effective, on the date such Alternate Credit Facility is delivered to the Trustee (the "Alternate Credit Facility Effective Date"). During any Weekly Rate Period, the Alternate Credit Facility Effective Date may be any Business Day. During any Flexible Term Rate Period, the Alternate Credit Facility Effective Date must be a day that would otherwise be an Interest Payment Date for all of the Bonds. During any Long-Term Rate Period, the Trustee shall not accept any Alternate Credit Facility. The Trustee may accept an Alternate Credit Facility on the first day of any Long-Term Rate Period.

An Alternate Credit Facility shall be an irrevocable direct-pay letter of credit issued by a commercial bank organized and doing business in the United States or a branch or agency of a foreign commercial bank located in the United States and subject to regulation by state or federal banking regulatory authorities and shall have an expiration date that shall be at least one (1) year following the effective date thereof or on the second Business Day following the final maturity date of the Bonds, if sooner. On or before the date of the delivery of any Alternate Credit Facility to the Trustee, as a condition to the acceptance of any Alternate Credit

Facility by the Trustee, the Company shall furnish to the Issuer and the Trustee (i) written evidence that the issuer of such Alternate Credit Facility is a commercial bank organized and doing business in the United States or a branch or agency of a foreign commercial bank located and doing business in the United States and subject to regulation by state or federal banking regulatory authorities, (ii) an Opinion of Bond Counsel to the effect that the delivery of such Alternate Credit Facility will not cause interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes and that such delivery is permitted under this Indenture, and (iii) an opinion of Counsel satisfactory to the Trustee, the Rating Agency, if any, rating the Bonds, the Issuer, and the Remarketing Agent to the effect that the Alternate Credit Facility has been duly executed, issued and delivered by, and is the legal, valid and binding obligation of, the Credit Issuer (or, in the case of a branch or agency of a foreign commercial bank, the branch or agency) issuing the same, enforceable in accordance with its terms, that the Alternate Credit Facility is not subject to the registration requirements of the Securities Act of 1933, as amended, and if required by the Rating Agency, if any, rating the Bonds, that payments of principal, premium, if any, or Purchase Price of or interest on the Bonds from the proceeds of a drawing on the Alternate Credit Facility will not constitute avoidable preferences under the Bankruptcy Code. In the case of an Alternate Credit Facility issued by a branch or agency of a foreign commercial bank there shall also be delivered an opinion of Counsel licensed to practice law in the jurisdiction in which the head office of such bank is located, satisfactory to the Trustee, the Rating Agency, if any, rating the Bonds, the Issuer and the Remarketing Agent, to the effect that the Alternate Credit Facility has been duly executed, issued and delivered by and is the legal, valid and binding obligation of such bank enforceable in accordance with its terms. The Trustee shall accept any such Alternate Credit Facility only in accordance with the terms, and upon the satisfaction of the conditions, contained in this Section and any other provisions applicable to acceptance of an Alternate Credit Facility under this Indenture.

ARTICLE IV FUNDS

Section 4.1 Establishment and Use of Bond Fund and Current Account. There is hereby created and established with the Trustee the Bond Fund and, while a Credit Facility is in effect, within such Fund a special account designated the "Current Account." The Trustee shall establish with the Paying Agent a separate account of the Bond Fund (the "Special Credit Facility Account") that, while a Credit Facility is in effect, shall be used for depositing moneys drawn by the Trustee under the Credit Facility for the payment of principal and interest on the Bonds. The Current Account and the Special Credit Facility Account shall be considered Eligible Accounts. Neither the Trustee nor the Paying Agent shall commingle proceeds of a drawing under the Credit Facility with any other funds. There shall be deposited in the Bond Fund (a) all Repayments specified in the Loan Agreement to be deposited in the Bond Fund, including all proceeds resulting from the enforcement of the Security or its realization as collateral, (b) all other moneys received by the Trustee under the Loan Agreement for deposit by it in the Bond Fund and (c) all moneys drawn under any Credit Facility to pay principal,

premium, if any (if the Credit Facility provides for the payment of such premiums), or interest on the Bonds.

While a Credit Facility is in effect, each deposit into the Bond Fund not constituting Eligible Funds shall be placed in the Current Account within the Bond Fund and shall not be commingled with other moneys in the Bond Fund. The Trustee shall establish separate subaccounts within the Current Account for each deposit (including any investment income thereon) made into the Bond Fund so that the Trustee may at all times ascertain the date of deposit of the moneys in each subaccount.

Moneys in the Bond Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the payment of the interest on the Bonds and for the payment of principal of and premium, if any, on the Bonds upon maturity, whether stated or accelerated, or upon mandatory or optional redemption.

The Issuer hereby authorizes and directs the Trustee, and the Trustee hereby agrees, to withdraw and make available at the principal office of the Paying Agent sufficient funds from the Bond Fund to pay the principal of, premium, if any, and interest on the Bonds as the same become due and payable, but only in the following order of priority:

FIRST: Amounts drawn by the Trustee under a Credit Facility then in effect (provided, however, that such amounts shall not be used to pay any premium on the Bonds unless such Credit Facility provides for the payment of such premium);

SECOND: If a Credit Facility is then in effect, from the sources provided in clause (i) of the definition of Eligible Funds; and

THIRD: Any other amounts (whether or not Eligible Funds) in the Bond Fund.

If moneys in the Bond Fund available pursuant to items FIRST and SECOND above are insufficient to make any payment of principal of, premium, if any or interest on the Bonds, whether due by maturity, acceleration, redemption or otherwise, or if the Credit Issuer has dishonored its obligations under the Credit Facility, the Trustee, on or after the date such payment is to be made, shall apply any moneys described in item THIRD above.

To the extent that a Credit Facility is drawn on to make a payment to any Holder, the Trustee shall use any moneys in the Bond Fund not then needed to make payments to Holders, regardless of whether such moneys constitute Eligible Funds, to reimburse the Credit Issuer.

After payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2, and the payment of all other amounts owing hereunder, any amounts remaining in the Bond Fund shall be paid first to the Credit Issuer, if any, if there is then any amount owing by the Company to the Credit Issuer, and second to the Company.

Section 4.2 Establishment and Use of Project Fund. The Project Fund _____. Amounts remaining as of such date shall be distributed as follows: (a) \$_____ which was remaining in the Project Fund is authorized to be disbursed by the Trustee in accordance with a requisition to be signed by the Bank and the Borrower for costs of issuance and (b) the remaining funds are authorized to be submitted to the Bank as a credit against the interest due. Any funds remaining in the Project Fund the Trustee shall remit to the Bank for interest due on the Bonds.

[discuss whether Project Fund is needed]

Section 4.3 Establishment and Use of Surplus Fund. There is hereby established and created with the Trustee the Surplus Fund. The Surplus Fund shall receive all Surplus Bond Proceeds transferred thereto in accordance with the written directions of the Company. The deposit of Surplus Bond Proceeds in the Surplus Fund shall be deemed to be a direction by the Company to the Trustee to redeem the greatest principal amount of the Bonds possible to be redeemed from such deposit pursuant to Section 2.18(a) on the earliest redemption date on which the Bonds may be redeemed, and on such redemption date (or, if such day is not a Business Day, the immediately preceding Business Day) an amount equal to the principal amount of Bonds to be redeemed plus interest accrued thereon to the redemption date shall be transferred from the Surplus Fund to the Bond Fund and used for such redemption. After such transfer, if and to the extent that there are moneys in the Surplus Fund on the date on which (i) the Bonds are scheduled to mature, and (ii) the Bonds are scheduled to be redeemed in whole, such moneys in the Surplus Fund shall be transferred to the Bond Fund and shall be used for such payment or redemption. The foregoing provisions of this paragraph to the contrary notwithstanding, if while a Credit Facility is in effect there shall be any moneys on deposit in the Surplus Fund and there shall occur a drawing on the Credit Facility to pay principal of the Bonds (but not the Purchase Price of tendered Bonds) the Trustee shall use any moneys in the Surplus Fund to reimburse the Credit Issuer for such drawing; provided, further, if any of the events described in clauses (i) and (ii) above shall occur while a Credit Facility is in effect, the Trustee shall draw on the Credit Facility to the extent otherwise provided in this Indenture and shall immediately apply any moneys in the Surplus Fund (whether or not such moneys are Eligible Funds) to reimburse the Credit Issuer therefor in whole or in part.

Section 4.4 Establishment and Use of Bond Purchase Fund. There is hereby established and created with the Trustee the Bond Purchase Fund and, while a Credit Facility is in effect, within such fund a special account designated the "Current Purchase Account." There shall be deposited in the Bond Purchase Fund all moneys required to be paid by the Company to provide for the payment of the Purchase Price of Bonds pursuant to this Indenture, together with any other moneys received by the Trustee pursuant to this Indenture, the Loan Agreement or otherwise (including draws under the Credit Facility pursuant to Section 3.8(a)(ii)) that are required or directed to be paid into the Bond Purchase Fund. The Trustee shall establish with the Paying Agent a separate subaccount of the Bond Purchase Fund into which the proceeds of the remarketing of Bonds to purchasers (other than the Issuer, the Company, any other Person obligated (as guarantor or otherwise) to make payments on the Bonds or under the Loan

Agreement or under the Reimbursement Agreement or any "affiliate" of the Company as defined in Bankruptcy Code § 101(2)) will be deposited and a separate subaccount of the Bond Purchase Fund into which all amounts drawn under the Credit Facility pursuant to Section 3.8(a)(ii) will be deposited. Neither the Trustee nor the Paying Agent shall commingle amounts in either of such subaccounts with any other funds.

While a Credit Facility is in effect, each deposit into the Bond Purchase Fund not constituting Eligible Funds shall be placed in the Current Purchase Account within the Bond Purchase Fund and shall not be commingled with other moneys in the Bond Purchase Fund.

Moneys in the Bond Purchase Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the payment of the Purchase Price of the Bonds required to be purchased as set forth in Section 2.6(g).

The Trustee is hereby authorized and directed, and the Trustee hereby agrees, to withdraw and to transfer to the Paying Agent funds from the Bond Purchase Fund as contemplated by Section 2.6(g) by 3:30 p.m., Local Time, on each date that Bonds are to be purchased pursuant to Section 2.6 from the Bond Purchase Fund to pay the Purchase Price of Bonds tendered (or deemed tendered) for purchase pursuant to Section 2.6. The Trustee shall give the Remarketing Agent prompt telephonic notice of each such transfer.

After payment in full of the Bonds, or provision having been made for payment of the Bonds pursuant to Section 5.2, and payment of all other amounts required to be paid under this Indenture, any amounts remaining in the Bond Purchase Fund shall be paid first to the Credit Issuer, if any, if there is any amount then owing by the Company to the Credit Issuer and, second to the Company.

Section 4.5 **[Reserved.]**

Section 4.6 **Records.** The Trustee shall cause to be kept and maintained records pertaining to the Project Fund, the Surplus Fund, the Bond Fund and the Bond Purchase Fund and all disbursements therefrom and shall periodically deliver to the Company statements of activity and statements indicating the investments made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Company, within a reasonable period of time, with a report stating the principal amount of Bonds outstanding and a list of the registered owners of the Bonds as of the date specified by the Company in its request.

The Trustee shall provide the Company with a written report, on a monthly basis through the calendar month in which the last obligation of the Bonds is retired, identifying the Permitted Investments in which the moneys held as part of the Project Fund, the Surplus Fund, the Bond Fund and the Bond Purchase Fund were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Company in its regular monthly investment reports.

Section 4.7 Investment of Surplus Fund, Bond Fund and Bond Purchase Fund Moneys. Moneys held as part of the Surplus Fund, the Bond Fund and the Bond Purchase Fund shall be invested and reinvested in Permitted Investments as instructed in writing by a Company Representative; provided, however, that (i) any moneys from a drawing under a Credit Facility and any moneys held by the Trustee to pay the principal or Purchase Price of, premium, if any, or interest that has become payable with respect to the Bonds shall not be invested and (ii) the Paying Agent shall not invest any moneys it receives under this Indenture. All Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times to be a part of the fund and account which was used to purchase the same. All interest accruing thereon and any profit realized from Permitted Investments shall be credited to the respective fund or account and any loss resulting from Permitted Investments shall be similarly charged. The Trustee is authorized to cause to be sold and reduced to cash a sufficient amount of Permitted Investments whenever the cash balance in any fund or account hereunder is or will be insufficient to make a requested or required disbursement. The Trustee shall not be responsible for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale, so long as the Trustee performs its obligations hereunder in accordance with the provisions of Section 7.1(e). Notwithstanding anything to the contrary herein provided, moneys constituting Eligible Funds shall only be invested in Government Obligations maturing in 30 days or less, or on or before the date such Eligible Funds will be required for disbursement, whichever period is less. Notwithstanding anything to the contrary herein provided, moneys deposited in the Surplus Fund pursuant to Section 3.4 of the Loan Agreement shall not be invested at a yield exceeding the yield on the Bonds.

Section 4.8 Creation of Rebate Fund; Duties of Trustee; Amounts Held in Rebate Fund.

(a) There is hereby created and established with the Trustee a trust fund to be held in trust to be designated "Pinellas County Industrial Development Authority Revenue Bonds (Volunteers of America Project), Series 2015 Rebate Fund."

(b) Section 148(f) of the Code, as implemented by Sections 1.148-1 to 1.148-11 of the Income Tax Regulations (the "Rebate Provisions") requires that, among other requirements and with certain exceptions, the Issuer pay to the United States of America the Rebate Amount. The Issuer hereby covenants that it will make payments of the Rebate Amount as directed by the Company (but only from moneys provided to the Issuer by or on behalf of the Company for such purposes), if any, required to be made to the United States pursuant to the Code in order to establish or maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

The Company shall timely make or cause to be made all necessary calculations of the Rebate Amount as required to comply with the Rebate Provisions and shall deposit or cause the Trustee to deposit into the Rebate Fund from investment earnings on moneys deposited in the other funds and accounts created hereunder, or from any other funds held by the Trustee and available for such purpose, or from other moneys paid by the Company to the Trustee for such

purpose, the amount necessary to increase the balance in the Rebate Fund to the Rebate Amount. The Company shall certify in writing the Rebate Amount, if any (and if none is due, that none is due), and the calculations determining the same to the Trustee, and shall instruct the Trustee in writing to make from the Rebate Fund (or to the extent necessary, from other funds of the Company delivered to the Trustee) all required payments to the United States of America of the Rebate Amount as shall be required to satisfy the Rebate Provisions, and to the extent the funds held by the Trustee in the Rebate Fund are not sufficient to make payments of such Rebate Amount, the Company shall pay to the Trustee an amount necessary to make up such deficiency. In complying with the foregoing, the Company may rely upon any instructions from and any Opinions of Bond Counsel, including, without limitation, a letter to be delivered by Bond Counsel to the Issuer, Company and the Trustee on the date of issuance of the Bonds, and upon any certificates, opinions or calculations prepared by certified public accountants or other consultants reasonably selected by the Company.

The Trustee shall cooperate with the Company in complying with the requirements of this Section and shall promptly provide to the Company, upon its request, any information in the possession of the Trustee concerning the investment of Gross Proceeds of the Bonds and all other information in the possession of the Trustee of benefit to the Company in complying with the requirements of this Section. "Gross Proceeds" for purposes of this Section include (a) proceeds of the Bonds, (b) amounts received from the Company pursuant to the Agreement with respect to the Bonds, (c) all funds in accounts subject to the lien of this Indenture allocable to the Bonds, and (d) other amounts that the Issuer may advise the Trustee to treat as Gross Proceeds, and investment earnings on all of the foregoing.

Prior to making any distribution from the Rebate Fund held under this Indenture, the Trustee shall determine, from written calculations provided hereunder by the Company, whether funds remaining therein subject to the terms of this Indenture shall be sufficient to pay the Rebate Amount when due and shall advise the Company of the deficiency, if any, which the Company shall promptly pay to the Trustee. Payments to be made to the United States of America as required hereunder may be made directly by the Trustee from the Rebate Fund, or any other fund or account held under this Indenture, or from funds provided by the Company upon, and in such amounts as provided in written instruction from the Company to the Trustee, notwithstanding any other provisions herein to the contrary.

If any amount allocable to the Bonds shall remain in the Rebate Fund after payment in full of all Bonds issued hereunder and after payment in full to the United States of the Rebate Amount with respect to the Bonds in accordance with the terms hereof, the Trustee shall, upon the written request of the Company, distribute such amount to the Company.

Notwithstanding any other provisions of this Indenture, including in particular Article VIII of this Indenture, the obligation to pay the Rebate Amount to the United States and to comply with all other requirements of this Section 4.8 shall survive the defeasance or payment in full of the Bonds.

All funds and accounts created hereunder shall be impressed with a lien to secure prompt payment of the Rebate Amount which shall be prior to the lien created hereunder for the benefit of the Beneficial Owners and further by a lien to reimburse the Trustee for any expense (including reasonable attorneys' fees) incurred by it pursuant to this Section, which lien shall also be prior to the lien created hereunder for the benefit of the Beneficial Owners.

Under no circumstances whatsoever shall the Trustee be liable to the Issuer, the Company or any Beneficial Owner for any loss of the status of interest on the Bonds as excludable from gross income for federal income tax purposes, or any claims, demands, damages, liabilities, losses, costs or expenses resulting therefrom or in any way connected therewith, resulting from a failure to comply with Section 148(f) of the Code so long as the Trustee has, pursuant to the terms of this Section 4.8, in good faith acted in accordance with the written directions of the Company.

(c) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with the Rebate Provisions, including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Rebate Provisions and the fair market value of any investment made hereunder, it being understood and agreed that the sole obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the instructions of the Company. The Trustee shall have no responsibility for determining whether or not the investment made pursuant to the direction of the Company or any of the written instructions received by the Trustee under this Section 4.8 comply with the requirements of the Rebate Provisions and shall have no responsibility for monitoring the obligations of the Company or the Issuer for compliance with the provisions of the Indenture with respect to the Rebate Provisions.

(d) Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any rebatable arbitrage and all amounts owing by the Company to the Credit Issuer under the Credit Agreement or the Bank under the Bank Mode Credit Agreement shall be withdrawn and paid to the Company.

Section 4.9 Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, if funds sufficient to pay the principal of, premium (if any) and interest on such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, payment of such Bond or portion thereof as the case may be, shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee, subject to any applicable escheat laws, to hold such fund or funds uninvested in the Bond Fund, without liability to the Holder of such Bond for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such

fund or funds, for any claim of whatever nature on his/her part on, or with respect to, said Bond, or portion thereof, or premium, if any.

Section 4.10 Home Office Payment Agreement. For so long as the Bonds bear interest at a Bank Rate, the Issuer and Trustee acknowledge that all amounts payable to the Bank with respect to any Bond held by the Bank shall be made by the Company on behalf of the Issuer to the Bank (without any presentment thereof, except upon payment of the final installment of principal, and without any notation of such payment being made thereon) in such manner or at such address in the United States as may be designated by the Bank in writing to the Company and the Trustee. Any payment made in accordance with the provisions of this Section shall be accompanied by sufficient information to identify the source and proper application of such payment. The Bank shall notify the Trustee in writing of any failure of the Company to make any payment of principal of or interest on the Bonds when due, and the Trustee shall not be deemed to have received notice of such failure unless it has received such notice in writing; receipt of notice of non-payment received under this Section 4.10 shall not, in and of itself, require any action on the part of the Trustee. If any Bonds are sold or transferred the Bank shall notify the Issuer, the Trustee and the Company in writing of the name and address of the transferee, and it will, prior to delivery of such Bonds, make a notation on such Bonds of the date to which interest has been paid thereon and of the amount of any prepayments made on account of the principal thereof. So long as this Section is in effect as to any Bond, the Trustee shall have no obligations as Paying Agent in respect to such Bond, nor shall it be obligated to collect loan payments, pursuant to the Loan Agreement or to take any other action in respect thereof, except as such action may be instructed by the express written direction of the Beneficial Owners of all Outstanding Bonds.

ARTICLE V DISCHARGE OF LIEN

Section 5.1 Discharge of Lien and Security Interest. Upon payment in full of all of the Bonds, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee, upon receipt by the Trustee of an opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with shall (a) cancel and discharge this Indenture and the Security Interests; (b) execute and deliver to the Issuer and the Company, at the Company's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the Issuer and the Company the Security, and assign and deliver to the Issuer and the Company so much of the Security as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying Bonds and except for moneys held in the Bond Purchase Fund for the purpose of paying the Purchase Price of the Bonds which have been purchased pursuant to Section 2.6(g); and (c) release the Note and return any Credit Facility to the Credit Issuer; provided, however, that the cancellation and discharge of this Indenture pursuant to Section 5.2 shall not terminate the powers and rights granted to the Trustee, the Registrar and the Paying Agent with respect to the payment, registration of transfer and exchange of the Bonds; provided, further, that the

rights of the Issuer, the Trustee, the Registrar and the Paying Agent to indemnity, non-liability and payment of all reasonable fees and expenses shall survive the cancellation and discharge of this Indenture pursuant to this Section or Section 5.2. If the Bonds are rated by a Rating Agency, notice of payment in full of the Bonds shall be furnished to such Rating Agency.

Section 5.2 Provision for Payment of Bonds. Bonds shall be deemed to have been paid within the meaning of Section 5.1 if:

- (a) there shall have been irrevocably deposited in the Bond Fund:
 - (i) if the Bonds do not bear interest at the Fixed Rate, sufficient Eligible Funds, or
 - (ii) if the Bonds bear interest at the Fixed Rate, either (1) sufficient Eligible Funds, or (2) Government Obligations purchased with Eligible Funds of such maturities and interest payment dates and bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also to be held in trust), be sufficient together with any moneys referred to in subsection (a)(ii)(1) above,

for the payment at their respective maturities or redemption or tender dates prior to maturity of the principal thereof and the redemption premium, if any, and interest to accrue thereon at such maturity or redemption or tender dates, as the case may be (assuming that the Bonds bear interest at the Ceiling Rate during any period during which the interest rate on the Bonds may change);

(b) there shall have been paid or provision duly made for the payment of all fees and expenses of the Issuer, the Trustee, the Registrar, the Paying Agent and the Remarketing Agent due or to become due; and

(c) if any Bonds are to be redeemed on any date prior to their maturity, the Trustee shall have received in form satisfactory to it irrevocable instructions from a Company Representative to redeem such Bonds on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the obligations described in paragraph (a)(ii) of this Section for the purpose of defeasing the lien of this Indenture as to Bonds which have not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary, all Eligible Funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Company, in Government Obligations (or, in the case of a deposit under paragraph (a)(i) of this section, in a money market fund that invests solely in Government

Obligations and is rated in the highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bonds and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund. Notwithstanding the foregoing provisions of this paragraph, if the Bonds are rated by S&P at the time a deposit is made under paragraph (a)(i) of this section, such Eligible Funds may be invested solely in Government Obligations maturing or to be available to be withdrawn at par no later than the earlier of the maturity date, a mandatory tender date, redemption date or the next possible Optional Tender Date.

Notwithstanding any other provision of this Indenture to the contrary, if a Bond has been deemed to be paid under this section and the Holder or Beneficial Owner of such Bond delivers a tender notice with respect to such Bond that would result in the occurrence of an Optional Tender Date for such Bond prior to its maturity or redemption date: (1) the Remarketing Agent shall not remarket such Bond; (2) the Remarketing Agent shall notify the Trustee and the Paying Agent by the third Business Day prior to such Tender Date for such Bond that it has received a tender notice with respect to such Bond; (3) the Trustee shall transfer to the Paying Agent, not later than 9:30 a.m., Local Time, on such Optional Tender Date for such Bond, Eligible Funds from the deposit made into the Bond Fund under paragraph (a)(i) of this section sufficient to pay the Purchase Price of such Bond; (4) the Paying Agent shall purchase such Bond on such Optional Tender Date applicable to such Bond; and (5) such Bond shall be delivered to the Trustee for cancellation and shall be cancelled.

Notwithstanding any other provision of this Indenture to the contrary, if all Bonds have been deemed to be paid because a deposit has been made under paragraph (a)(i) of this section, and the Bonds are rated by S&P at the time such deposit is made, then (i) if such deposit is made with proceeds of one or more drawings under the Credit Facility, then any excess funds remaining in the Bond Fund after payment of all of the Bonds at their respective maturities or redemption or tender dates shall be returned to the Credit Issuer, or (ii) if such deposit is made with Eligible Funds as described in clause (i) of that definition, then there shall be delivered a written opinion of Counsel experienced in bankruptcy law matters, in form satisfactory to S&P, that the portion of such deposit needed to pay principal of, interest on and Purchase Price of the Bonds when due will not be subject to the automatic stay under Section 362 of the Bankruptcy Code in the event of an Act of Bankruptcy.

Notwithstanding any other provision of this Indenture to the contrary, if all Bonds have been deemed to be paid because a deposit has been made under paragraph (a)(i) of this section, the Interest Rate Determination Method may not thereafter be changed by the Company.

Notwithstanding any other provision of this Indenture to the contrary, if all Bonds have been deemed to be paid because a deposit has been made under paragraphs (a)(i) or (a)(ii) of this section with proceeds of one or more drawings under the Credit Facility, then the surrender by the Trustee of the Credit Facility to the Credit Issuer for cancellation prior to the maturity or redemption date of the Bonds shall not constitute a Credit Modification Date.

If the Bonds bear interest at the Fixed Rate and are to be rated by a Rating Agency at or prior to the time provision for payment shall be made there shall be delivered to the Rating Agency the opinion of nationally recognized certified public accountants referred to in paragraph (a)(ii) above and a written opinion of counsel experienced in bankruptcy law matters and in form satisfactory to the Rating Agency that the deposit and use of such moneys will not constitute an avoidable preferential payment pursuant to Section 547 of the Bankruptcy Code, or an avoidable post-petition transfer pursuant to Section 549 of the Bankruptcy Code, recoverable from Holders of the Bonds pursuant to Section 550 of the Bankruptcy Code in the event of an Act of Bankruptcy.

Section 5.3 Discharge of this Indenture. Notwithstanding the fact that the lien of this Indenture upon the Security may have been discharged and cancelled in accordance with Section 5.1, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Security may have been discharged and cancelled, shall nevertheless continue and subsist after payment in full of the Bonds or the deemed payment in full of the Bonds in accordance with Section 5.2 until the Trustee shall have returned to the Company, the Credit Issuer or the Bank, as the case may be, all funds held by the Trustee which the Company or the Credit Issuer, as the case may be, is entitled to receive pursuant to this Indenture after all Bonds have been paid at maturity or redeemed.

ARTICLE VI DEFAULT PROVISIONS AND REMEDIES

Section 6.1 Events of Default. Any one of the following shall constitute an Event of Default hereunder:

- (a) Failure to pay interest on any Bond when and as the same shall have become due;
- (b) Failure to pay the principal of or any premium on any Bond when and as the same shall become due, whether at the stated maturity or redemption date thereof or by acceleration;
- (c) Failure to pay the Purchase Price of any Bond required to be purchased hereunder when and as the same shall become due;
- (d) Failure to observe or perform any other of the covenants, agreements or conditions on the part of the Issuer included in this Indenture or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the Issuer, the Credit

Issuer, if a Credit Facility is then in effect, and the Company has been given by the Trustee, provided that the Credit Issuer shall have consented to the same constituting an Event of Default;

(e) The occurrence of an Event of Default under the Loan Agreement; or

(f) If a Credit Facility is in effect, the Trustee shall have received a written notice from the Credit Issuer that an event of default under the Reimbursement Agreement has occurred and is continuing and a written request from the Credit Issuer that the Bonds be accelerated.

(g) At any time during a Bank Rate Period, receipt by the Trustee of written notice from the Bank that an Event of Default has occurred under the Bank Mode Credit Agreement and instructing the Trustee to accelerate the Bonds.

Section 6.2 Acceleration. Subject to the requirement that the consent of the Credit Issuer, if any, to any acceleration must be obtained in the case of an Event of Default described in Section 6.1(d) or (e), upon the occurrence of any Event of Default hereunder the Trustee may and upon (i) the written request of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding or (ii) the occurrence of an Event of Default under Section 6.1(a), (b), (c), (f) or (g), the Trustee immediately shall, by notice in writing sent to the Issuer, the Company, the Paying Agent, the Remarketing Agent, and the Credit Issuer, if any, declare the principal of all Bonds then Outstanding (if not then due and payable) and the interest accrued thereon to be due and payable immediately, and, upon said declaration, such principal and interest shall become and be immediately due and payable. Upon any declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have under the Loan Agreement to declare all payments thereunder to be immediately due and payable and, if a Credit Facility is in effect, the Trustee shall immediately draw upon the Credit Facility as provided in Section 3.8(a)(iii). If the Credit Issuer honors the drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall accrue only to the date of such declaration and the Trustee shall pay the principal of and interest on the Bonds to the Holders immediately following the receipt of funds from such drawing. If no Credit Facility is in effect or the Credit Issuer fails to honor the drawing under the Credit Facility upon acceleration of the Bonds, interest on the Bonds shall cease to accrue as provided in Section 6.7.

Immediately following any such declaration of acceleration, the Trustee shall cause to be mailed notice of such declaration by first-class mail, postage prepaid, to each Holder of a Bond at his/her last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

Section 6.3 Other Remedies; Rights of Holders. Upon the happening and continuance of an Event of Default hereunder the Trustee may, only with the prior written consent of the Credit Issuer, if any, in the case of an Event of Default described in Section 6.1(d)

or (e), with or without taking action under Section 6.2, pursue any available remedy to enforce the performance of or compliance with any other obligation or requirement of this Indenture or the Loan Agreement.

Subject to the requirement that the consent of the Credit Issuer, if any, to the exercise by the Trustee of any such available remedy must be obtained in the case of an Event of Default described in Section 6.1(d) or (e), upon the happening and continuance of an Event of Default, and if requested to do so by the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding and if the Trustee is indemnified as provided in Section 7.1, the Trustee shall exercise such of the rights and powers conferred by this Section and by Section 6.2 as the Trustee, being advised by Counsel, shall deem most effective to enforce and protect the interests of the Holders and, except to the extent inconsistent with the interests of the Holders, the Credit Issuer, if any.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Holders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Holders hereunder or now or hereafter existing.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

The Trustee, as the assignee of substantially all right, title and interest of the Issuer in and to the Loan Agreement, shall be empowered to enforce each and every right granted to the Issuer under the Loan Agreement other than Reserved Rights.

Section 6.4 Right of Holders and Credit Issuer to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, and subject, if a Credit Facility is then in effect, to the rights of the Credit Issuer as provided in Sections 6.2 and 6.3, the Holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee shall be indemnified to its satisfaction and the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. No Holder shall individually have the right to present a draft to, or otherwise make a demand on, the Credit Issuer to collect amounts available under the Credit Facility.

No Holder shall have the right to institute any proceeding for the enforcement of this Indenture unless such Holder has given the Trustee and the Company written notice of an Event of Default, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding shall have requested the Trustee in writing to institute such proceeding, the Trustee shall have been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, there shall have been offered to the Trustee indemnity satisfactory to it against the cost, expense and liability to be incurred in connection with such request and the Trustee shall have thereafter failed or refused to exercise such powers or to institute such proceeding within sixty (60) days after receipt of notice with no inconsistent direction given during such sixty (60) days by the Holders of a majority in aggregate principal amount of the Bonds then Outstanding. Nothing in this Indenture shall affect or impair any right of enforcement conferred on any Holder by the Act to enforce (i) the payment of the principal of and premium, if any, and interest on Bonds at and after the maturity thereof, or (ii) the obligation of the Issuer to pay the principal of, premium, if any, and interest on Bonds to such Holder at the time, place, from the sources and in the manner as provided in this Indenture.

Section 6.5 Discontinuance of Default Proceedings. Prior to the drawing on a Credit Facility, if any, pursuant to Section 3.8(a)(iii), in case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Credit Issuer, if any, and the Trustee shall be restored to their former positions and rights hereunder and all rights, remedies and powers of the Issuer, the Trustee and the Credit Issuer shall continue as if no such proceedings had been taken subject to the limits of any adverse determination.

Section 6.6 Waiver. The Trustee, with the consent of the Credit Issuer, if any, may waive any default or Event of Default hereunder and its consequences and rescind any declaration of acceleration of maturity of principal, and shall do so upon the written request of the Credit Issuer, if any; provided, however, that there shall be no such waiver or rescission unless the Purchase Price and all principal, premium, if any, and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate of interest borne by the Bonds and all fees and expenses of the Trustee and the Issuer shall have been paid or provided for. The Trustee may not waive any default or Event of Default until the Trustee has received notice in writing from the Credit Issuer that the amount available to be drawn under any Credit Facility then in effect in respect of the principal and Purchase Price of and interest on the Bonds has been reinstated in full.

Section 6.7 Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall be deposited in the Bond Fund and, after payment (out of moneys derived from a source other than the Credit Facility, moneys held for the purchase of Untendered Bonds, moneys held for the redemption of Bonds and proceeds from the remarketing of Bonds) of (i) the cost and expenses of the

proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, including reasonable attorneys' fees, and all other outstanding fees and expenses of the Trustee, and thereafter any fees, expenses, liabilities and advances due to, or incurred or made by, the Paying Agent and the Registrar and (ii) any sums due to the Issuer hereunder or under the Loan Agreement (other than Repayments), such moneys shall be applied in the order set forth below:

(a) Unless the principal of all Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First: To the payment of all installments of interest then due on the Bonds in order of priority first to installments past due for the greatest period and, if the amount available shall not be sufficient to pay in full any particular installment, then to the ratable payment of the amounts due on such installment; and

Second: To the payment of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), with interest on such Bonds from the respective dates upon which they became due (at the rate borne by the Bonds, to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such premium, then to the ratable payment of the amounts due on such date.

(b) If the principal of all the Bonds shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal, premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority as between principal, premium, interest, installments of interest or Bonds, ratably according to the amounts due respectively for principal, premium and interest to the persons entitled thereto.

(c) If the principal on all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded under this Article then, subject to subsection (b) of this Section in the event that the principal of all the Bonds shall again become or be declared due and payable, the moneys shall be applied in accordance with subsection (a) of this Section.

Notwithstanding the foregoing, unless the Credit Facility permits drawings to pay premium with respect to Bonds, the Trustee shall be obligated to apply moneys received under a Credit Facility then in effect only to principal and Purchase Price of, and interest on the Bonds (except Bonds that are not entitled to any benefit of the Credit Facility as provided in Section 3.8). Whenever moneys (other than moneys received under a Credit Facility) are to be applied pursuant to this Section, the Trustee shall fix the date which shall be not more than seven calendar days after such acceleration upon which such application is to be made and upon such date interest on the principal amount of Bonds to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such

moneys and of the fixing of any such date. As provided in Section 6.2, moneys received under a Credit Facility upon declaration of acceleration are to be applied as soon as is practicable following receipt to pay the principal of and interest on the Bonds to the Holders.

Section 6.8 Rights of a Credit Issuer. All rights of any Credit Issuer under this Indenture to consent to certain extensions, remedies, waivers, actions and amendments hereunder shall be suspended: (i) for so long as the Credit Issuer wrongfully dishonors any draft (or other appropriate form of demand) presented in strict conformity with the requirements of the Credit Facility and has not honored a subsequent draft (or other appropriate form of demand), if any, thereunder, or (ii) if no Credit Facility is in effect or any Credit Facility terminates in accordance with its terms.

**ARTICLE VII
THE TRUSTEE; THE PAYING AGENT; THE REGISTRAR;
THE REMARKETING AGENT**

Section 7.1 Appointment of Trustee. The Trustee is hereby appointed and does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees and shall not be held liable for their actions if such agents are selected with reasonable care. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, if the same are selected by the Issuer, approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording, re-recording, filing or re-filing of this Indenture, of any financing statements or continuation statements (if any), or for insuring the Security or the Project or collecting any insurance moneys, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value of or title to the Project or otherwise as to the maintenance of the Security. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Loan Agreement. The Trustee shall not be liable to the Company, any Holder, any Beneficial Owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 4.7. The Trustee shall not be liable to the Company for any loss suffered as a result of or in connection with any investment of funds made by the Trustee in good faith as instructed by or approved by a Company Representative. The Trustee shall have no duty or responsibility to

examine or review and shall have no liability for the contents of any documents submitted to or delivered to any Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder after such Bonds shall have been delivered in accordance with instructions of the Issuer or for the use by the Company of the proceeds of the Bonds advanced to the Company as provided in the Loan Agreement or for the use or application of any moneys received by the Paying Agent. The Trustee may become the owner of Bonds secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon all future Holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof. The Trustee may conclusively rely upon a certificate furnished by a Credit Issuer as to amounts owing under the Reimbursement Agreement.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Loan Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its negligence or bad faith in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holders (except for acceleration of the Bonds as required by Section 6.2, for drawing on the Credit Facility as required by Section 3.8(a), with respect to the payment of principal, interest and Purchase Price to Holders and effecting mandatory tenders and redemptions), the Trustee may require satisfactory security or indemnity bond for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its own negligence or bad faith by reason of any action so taken.

(i) All moneys received by the Trustee or the Paying Agent, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holders of the Bonds and the Credit Issuer as herein provided. Such moneys need not be segregated from other funds except to the extent

required by law or herein provided, and neither the Trustee nor the Paying Agent shall otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Company or the Issuer under the Loan Agreement or this Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture (other than under Section 6.1(a), (b) or (c) if notice thereof has been received from the Paying Agent or under Section 6.1(f)) or the occurrence of a Determination of Taxability, except (i) if no Credit Facility is in effect, in the event the Company fails to pay any Repayment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest payment on the Bonds, (iii) written notification of a Determination of Taxability by the Holder of any Bonds, (iv) written notification of such default by two or more Holders with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, (v) written notification from the Credit Issuer pursuant to Section 6.1, or (vi) receipt of an opinion of Bond Counsel concluding that a Determination of Taxability has occurred, and in the absence of such notice the Trustee may conclusively presume there is no Determination of Taxability and no default except as aforesaid. The Trustee may nevertheless require the Issuer and the Company to furnish information regarding performance of their obligations under the Loan Agreement and this Indenture, but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs. The foregoing shall not limit the Trustee's obligations under Section 3.8(a) or Section 6.2.

(l) The Paying Agent and the Registrar shall each be entitled to the same rights and immunities with respect to their respective duties under this Indenture as the Trustee is under this Section 7.1 with respect to its duties hereunder.

(m) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel Bonds as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer and the Company at all reasonable times. All Bonds shall be made available for authentication, exchange and registration of transfer at the principal office of the Trustee.

(n) The Trustee shall have no duty to inspect or oversee the construction or completion of the Project or to verify the truthfulness or accuracy of the certifications made by the Company with respect to the Trustee's disbursements for Costs of the Project in accordance with the Loan Agreement and this Indenture.

(o) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bonds or the interest thereon; (ii) the consequences of the investment or non-investment of any funds or accounts relating to the Bonds or the Credit Facility under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.

(p) No provision of this Indenture, the Loan Agreement or the Bonds shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(q) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part, rely upon a written certificate of a Company Representative or an Issuer Representative (as defined in the Loan Agreement).

(r) Except as provided in Section 7.9, in the event that the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Indenture, then the Trustee, in its sole discretion, may determine what action or actions, if any, shall be taken or not taken.

(s) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bonds.

(t) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in any of the Bonds and may join in any action that any Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the Company and may act as depository, trustee or agent for any committee of Holders secured hereby or other obligations of the Company, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

(u) Neither Section 2.4(g) nor any other provision of this Indenture shall require the Trustee to enter into any continuing disclosure agreement or other undertaking or to take any other action as may be required to cause compliance with Rule 15c2-12 under the Securities Exchange Act of 1934, as amended.

(v) The Trustee shall have no responsibility or obligation to Participants, to Indirect Participants, or to the Persons for whom they act as nominees with respect to the Bonds, or to any Beneficial Owner of Bonds in respect of the accuracy of any records maintained by the Securities Depository, the Securities Depository Nominee or any Participant or Indirect Participant, the payment by the Securities Depository, the Securities Depository Nominee or any Participant or Indirect Participant of any amount in respect of the principal or Purchase Price of or interest on the Bonds, any notice which is permitted or required to be given under this Indenture, the selection by the Securities Depository, the Securities Depository Nominee or any Participant or Indirect Participant of any Person to receive payment in the event of a partial redemption of the Bonds, or any consent given or other action taken by the Securities Depository or the Securities Depository Nominee as Holder.

(w) Whether or not expressly so provided, each and every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section 7.1.

Section 7.2 Compensation and Indemnification of Trustee, Paying Agent and Registrar; Trustee's Prior Claim. The Loan Agreement provides that the Company will pay the reasonable fees and expenses of the Issuer, the Trustee, the Paying Agent, the Remarketing Agent and the Registrar under this Indenture and all other amounts which may be payable to the Trustee, Paying Agent or Registrar under this Section, and the reasonable fees and expenses of the Remarketing Agent and all other amounts which may be payable to the Remarketing Agent under the Remarketing Agreement, such fees and expenses to be paid when due and payable by the Company directly to the Trustee, Paying Agent, Registrar and Remarketing Agent, respectively, for their own account.

The Company shall (a) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (b) pay the Paying Agent and the Registrar and any other agent of the Issuer or the Company acting hereunder or under the Loan Agreement (the Paying Agent and the Registrar and any other agent of the Issuer being herein referred to as a "Company Agent") reasonable compensation, (c) pay or reimburse each of the Trustee and any Company Agent upon request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Loan Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own negligence or bad faith, and (d) indemnify each of the Trustee and any Company Agent for, and to hold it harmless against, any loss, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of its duties hereunder or under the Loan Agreement, including the reasonable costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to its own negligence or bad faith. The obligations of the Company under the Loan Agreement referred to

in this Section shall constitute additional indebtedness hereunder and shall survive the satisfaction and discharge of this Indenture. Such additional indebtedness shall be a senior claim to that of the Bonds upon all property and funds held or collected by the Trustee as such, except funds held with respect to Untendered Bonds and unredeemed Bonds for which notice of redemption has been given, and except for any arbitrage rebate fund or account established pursuant hereto or pursuant to any arbitrage regulatory agreement. Notwithstanding the foregoing, neither the Trustee nor any Company Agent shall have any claim upon or shall be paid, prior to any Holder, from any Credit Facility or proceeds from the remarketing of Bonds, or the proceeds thereof, with respect to any such compensation, payment, reimbursement or indemnity. "Trustee", "Company Agent", "Paying Agent" and "Registrar" for purposes of this Section shall include any predecessor Trustee, Company Agent, Paying Agent and Registrar but the negligence or bad faith of any Trustee, Company Agent, Paying Agent or Registrar shall not affect the indemnification of any other Person. The obligations of the Company under this Section shall survive the termination of this Indenture.

Section 7.3 Intervention in Litigation. In any judicial proceedings to which the Issuer is a party, the Trustee may intervene on behalf of Holders, and shall intervene if requested in writing by the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding.

Section 7.4 Resignation; Successor Trustees. The Trustee and any successor Trustee may resign only upon giving sixty (60) days prior written notice to the Issuer, the Credit Issuer, if any, the Company and each Holder of Bonds then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the Issuer with the written consent of the Company and the Credit Issuer, if any, and the acceptance of such appointment by the successor Trustee. If no successor is appointed within sixty (60) days after the notice of resignation, the resigning party may appoint a successor or petition any court of competent jurisdiction to appoint a successor. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Security (including any Credit Facility then in effect) to the successor Trustee. The successor Trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States, or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the Issuer, the Credit Issuer, if any, and the Company.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder without the execution or filing of any paper of any further act on the part of any Person, anything herein to the contrary notwithstanding, provided

(i) that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture and (ii) if the resulting entity from such merger, conversion or consolidation is a different organization, notice shall be given to the Issuer and the Bondholder containing the contact name and information. Also, if the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Company and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation. The Company has the right to appoint a new trustee if it objects to the successor corporation.

Section 7.5 Removal of Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee, the Credit Issuer, if any, the Issuer and the Company and signed by the Holders of a majority in aggregate principal amount of Bonds then Outstanding. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument in writing delivered to the Trustee, the Credit Issuer, if any, and the Issuer and signed by a Company Representative. Such removal shall take effect only upon the appointment of a successor Trustee by the Issuer with the written consent of the Company and the Credit Issuer, if any, and the acceptance of such appointment by the successor Trustee. Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Security (including any Credit Facility then in effect) in the same manner as provided in Section 7.4. If the Bonds are rated by a Rating Agency, notice concerning any change in the Trustee shall be furnished to such Rating Agency.

Section 7.6 Paying Agent. Prior to the Conversion Date of Bonds from the Bank Rate Period to any other Interest Period the Issuer Representative, at the direction of the Company and with the approval of the Remarketing Agent and the Credit Issuer, if any, shall appoint a Paying Agent or a successor Paying Agent for the Bonds, subject to the conditions set forth in Section 7.7. The Paying Agent shall designate to the Issuer and the Trustee its principal office for all purposes hereof and signify its acceptance of the duties imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer and the Trustee under which the Paying Agent shall agree, particularly:

(i) to hold all sums held by it for the payment of the principal and Purchase Price of, premium, if any, or interest on the Bonds in trust for the benefit of the Holders of the Bonds until such sums shall be paid to such Holders of the Bonds or otherwise disposed of as herein provided;

(ii) to perform its obligations under this Indenture; and

(iii) to keep such books and records relating to its duties as Paying Agent as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer, the Trustee and the Company at all reasonable times.

The Issuer shall cooperate with the Trustee, the Paying Agent and the Company to cause the necessary arrangements to be made and to be thereafter continued whereby:

(a) funds derived from the sources specified in this Indenture will be made available at the principal office of the Paying Agent for the timely payment of principal and Purchase Price of, premium, if any, and interest on the Bonds; and

(b) the Paying Agent shall be furnished such records and other information, at such times, as shall be required to enable the Paying Agent to perform the duties and obligations imposed upon it hereunder.

In carrying out its responsibilities hereunder the Paying Agent will act for the benefit of the Holders. Notwithstanding anything to the contrary in this Indenture, the Paying Agent shall not invest any moneys it receives from a draw on the Credit Facility, if any or any remarketing proceeds, but shall hold such moneys un-invested.

No purchase of Bonds by the Paying Agent shall constitute a redemption of Bonds or any extinguishment of the debt represented thereby or constitute the Paying Agent the owner of such Bonds for any purpose whatsoever. No delivery of Bonds to the Trustee shall constitute a redemption of Bonds or any extinguishment of the debt represented thereby or constitute the Trustee the owner of such Bonds for any purpose whatsoever unless the Trustee has purchased such Bonds for its own account.

Section 7.7 Qualifications of Paying Agent. The Paying Agent shall be a bank with trust powers or trust company with trust powers duly organized under the laws of the United States of America or any state or territory thereof, having a combined capital stock, surplus and undivided profits of at least \$15,000,000 and authorized by law to perform all the duties imposed upon it by this Indenture. The principal office of the Paying Agent for all purposes hereof shall be the office of the Paying Agent at which all deliveries to it hereunder shall be made and any and all notices and other communications in connection herewith shall be delivered. The Paying Agent may at any time resign and be discharged of its duties and obligations created by this Indenture by giving at least sixty (60) days' notice to the Issuer, the Company and the Trustee. The Paying Agent may be removed at any time, at the direction of the Company, by an instrument, signed by the Issuer, filed with such Paying Agent and with the Trustee.

Section 7.8 Resignation of Paying Agent; Removal; Successors.

(a) In the event of the resignation or removal of the Paying Agent, the Paying Agent shall deliver any moneys and any related books and records held by it in such capacity to its successor or, if there be no successor, to the Trustee.

(b) In the event that the Paying Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Paying Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other

reason, and the Issuer shall not have appointed a successor Paying Agent (any appointment by the Issuer shall be with the prior written consent of the Company), the Trustee shall ipso facto be deemed to be the Paying Agent for all purposes of this Indenture until the appointment by the Issuer of a successor Paying Agent.

Section 7.9 Instruments of Holders. Any instrument required by this Indenture to be executed by Holders may be in any number of writings of similar tenor and may be executed by Holders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof;

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bonds therein mentioned.

The Trustee may rely on such an instrument of Holders unless and until the Trustee receives notice in the form specified in (i) or (ii) above that the original such instrument is no longer reliable. In the event that the Trustee shall receive conflicting directions from two or more groups of Holders, each with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, the directions given by the group of Holders which holds the largest percentage of Bonds shall be controlling and the Trustee shall follow such directions to the extent required herein.

Section 7.10 Power to Appoint Co-Trustees. At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Project may at the time be located, the Issuer and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holders of a majority of the aggregate principal amount of the Bonds then Outstanding, the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more persons approved by the Trustee and the Company either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the Project, or to act as separate trustee or separate co-trustees of all or any part of the Project, and to vest in such person or persons, in such capacity, such title to the Project or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

The Trustee and co-trustee, if any, may by written instrument between them designate and assign either the Trustee or the co-trustee or both of them to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

If the Issuer shall not have joined in such appointment within thirty (30) days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Company shall have the power to make such appointment.

The Issuer shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

Every co-trustee or separate trustee appointed pursuant to this Section, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(a) This Indenture shall become effective at the time the Bonds shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(b) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(c) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(d) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(e) The Trustee at any time, by an instrument in writing, with the concurrence of the Company and the Issuer evidenced by a resolution, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Issuer and the Company. Upon the request of the Trustee, the Issuer and the Company shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary

or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(f) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(g) Any moneys, paper, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the security interest in the Security and with such rights, powers, duties, trusts or obligations, as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee.

In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the security interest in the Security and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.4 hereof.

Section 7.11 Filing of Financing Statements. The Company shall file or record or cause to be filed or recorded all Financing Statements that are required, if any, in order to fully protect and preserve the security interests and the priority thereof and the rights and powers of the Trustee in connection therewith, including without limitation all continuation statements for the purpose of continuing without lapse the effectiveness of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bonds, if any, in connection with the security for the Bonds pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements that shall have been filed as required herein. The Issuer and the Trustee shall sign, if necessary, and the Trustee shall deliver to the Company or its designee, all such Financing Statements as may be required for the purposes specified in the preceding sentence. Upon the filing of any such Financing Statement (or any continuation statement with respect thereto) the Company shall immediately notify the Trustee that the same has been accomplished and provide a copy of the statement so filed.

Section 7.12 Successor Remarketing Agent. A Remarketing Agent may, and prior to any Conversion Date of Bonds from the Bank Rate Period to an Interest Rate Determination Method other than a Long-Term Rate Period ending on the final maturity date of the Bonds shall, be appointed by the Company with the prior written approval, to the extent applicable, of the Credit Issuer and with written notice to the Issuer, subject to the conditions set forth in Section 7.13. To the extent permitted by any Remarketing Agreement then in effect, the

Remarketing Agent may at any time transfer all of its duties and obligations as Remarketing Agent hereunder to an affiliate of such Remarketing Agent that satisfies the conditions set forth in Section 7.13 and, upon such transfer, such affiliate shall automatically become the Remarketing Agent hereunder without any further action.

Any Remarketing Agent shall designate to the Issuer and the Trustee its principal office for purposes hereof, which shall be the office of such Remarketing Agent at which all notices and other communications in connection herewith may be delivered to it, and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Company, the Trustee and the Credit Issuer under which such Remarketing Agent shall agree particularly (i) to hold all Bonds delivered to it hereunder in trust for the benefit of the respective Holders of Bonds that delivered such Bonds until moneys representing the Purchase Price of such Bonds are delivered to or for the account of or to the order of such Holders of Bonds; (ii) to hold all moneys delivered to it hereunder for the purchase of Bonds in trust for the benefit of the person or entity that has delivered such moneys until the Bonds purchased with such moneys are delivered to or for the account of such person or entity; and (iii) to keep books and records with respect to its activities hereunder available for inspection by the Issuer, the Trustee, the Company and the Credit Issuer, if any, at all reasonable times.

Section 7.13 Qualifications of Remarketing Agent; Resignation; Removal. The Remarketing Agent shall be a financial institution or registered broker/dealer authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent may at any time resign and be discharged of its duties and obligations created by this Indenture by giving at least thirty (30) days' notice to the Issuer, the Company, the Paying Agent, the Trustee and the Credit Issuer, if any; provided, however, that if no successor Remarketing Agent has been appointed in accordance with Section 7.12 and this Section on or prior to the effective date of such resignation, (i) the resigning Remarketing Agent shall give written notice to Holders on the effective date of such resignation that all optional tender notices under Section 2.6(a) should be delivered to the Trustee until a successor Remarketing Agent has been appointed and (ii) until a successor Remarketing Agent has been appointed, the Trustee shall have no duty to remarket the Bonds, but shall provide the funds described in clauses (ii), (iii) and (iv) of Section 2.6(g) to the Paying Agent in that order on each Optional Tender Date specified in such notices to pay the Purchase Price of all Bonds tendered. The Remarketing Agent may be removed at any time, upon not less than thirty (30) days' notice, at the direction of the Company, by an instrument signed by the Company and filed with the Remarketing Agent, the Trustee, any Rating Agency then rating the Bonds, the Issuer, the Paying Agent and the Credit Issuer, if any; provided that no such removal shall be effective until a successor Remarketing Agent has been appointed in accordance with Section 7.12 and this Section and such successor Remarketing Agent has accepted such appointment.

Section 7.14 Several Capacities. Anything in this Indenture to the contrary notwithstanding, the same entity may serve hereunder as the Trustee, the Credit Issuer, the

Paying Agent, the Registrar and the Remarketing Agent and in any other combination of such capacities, to the extent permitted by law.

Section 7.15 Trustee Not Responsible for Duties of Remarketing Agent, Registrar and Paying Agent. Notwithstanding anything to the contrary in this Indenture, the Trustee shall not be liable or responsible for any of the duties or obligations of the Remarketing Agent, the Registrar or the Paying Agent under this Indenture (or be liable or responsible for the acts or omissions of the Paying Agent, the Registrar or the Remarketing Agent or any action taken by the Trustee or failure to act in reasonable reliance upon any action or failure to act by the Paying Agent, the Registrar or the Remarketing Agent) except for the duties imposed upon, or the acts and omissions of, (i) the Trustee while deemed to be the Paying Agent pursuant to Section 7.8(b) because a successor Paying Agent has not been appointed by the Issuer and (ii) the Trustee as recipient of optional tender notices after the written notice provided for in Section 7.13 has been given by the resigning Remarketing Agent to Holders to the effect that no successor Remarketing Agent has been appointed. The Trustee shall not be bound to ascertain or inquire as to the truth or accuracy of any information provided to it by the Paying Agent, the Registrar or the Remarketing Agent but may for any purpose conclusively rely upon any information given to the Trustee by the Paying Agent, the Registrar or the Remarketing Agent.

Section 7.16 Cooperation of the Trustee, the Remarketing Agent, the Registrar and the Paying Agent. The Trustee, the Remarketing Agent, the Registrar and the Paying Agent shall cooperate in all respects and shall provide to the other in a timely fashion the information and knowledge each possesses so that the Trustee and each of such parties may faithfully exercise their respective obligations hereunder.

ARTICLE VIII AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures. The Issuer and the Trustee, with the consent of the Credit Issuer (during any Credit Facility Period) or the Bank (during a Bank Rate Period) but without the consent of or notice to any Holders (except during a Bank Rate Period or in the case of supplemental indentures described in (j) below, in which case prior notice shall be given to Holders by the Trustee), may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holders for one or more of the following purposes:

(a) to grant to or confer upon the Trustee for the benefit of the Holders and such Credit Issuer, if any, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders or the Trustee;

(b) to grant or pledge to the Trustee for the benefit of Holders and such Credit Issuer, if any, any additional security other than that granted or pledged under this Indenture; provided that no additional security shall be granted or pledged to the Trustee for the benefit of such Credit Issuer unless such Credit Issuer agrees that the Trustee shall hold such security in

trust for the equal or ratable benefit of such Credit Issuer, on the one hand, and the Holders, on the other hand;

(c) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States;

(d) to appoint a successor Trustee, separate trustees or co-trustees in the manner provided in Article VII hereof;

(e) to modify, amend or supplement this Indenture for the purpose of obtaining or retaining a rating on the Bonds from a Rating Agency;

(f) to modify, amend or supplement this Indenture to permit a transfer of Bonds from one Securities Depository to another or the discontinuance of the Book-Entry System and issuance of replacement Bonds to the Beneficial Owners;

(g) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not materially adversely affect the interest of the Holders or such Credit Issuer, if any;

(h) to modify, amend or supplement this Indenture to permit the Paying Agent or the Registrar to assume any administrative duties of the Trustee hereunder (except any duties of the Trustee with respect to the acceptance, modification, reduction or release of or drawing on, any Credit Facility) or for the Trustee to assume any administrative duties of the Paying Agent or the Registrar hereunder;

(i) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes; and

(j) to make any change to the administrative provisions hereof, to accommodate the provisions of an Alternate Credit Facility, bond insurance or a liquidity facility;

When requested by the Issuer, and if all conditions precedent under this Indenture have been met, the Trustee shall join the Issuer in the execution of any such supplemental indenture unless it imposes additional obligations on the Trustee or adversely affects the Trustee's rights and immunities under this Indenture or otherwise. A copy of all such supplemental indentures shall be promptly furnished to the Credit Issuer and the Paying Agent, and the Registrar shall be promptly advised of any modifications of its rights, duties and obligations hereunder.

The Trustee shall file copies of all such supplemental indentures with the Company and, if the Bonds are rated by a Rating Agency, shall forward copies of all such supplemental indentures to such Rating Agency.

Section 8.2 Amendments to Indenture; Consent of Holders, the Credit Issuer, the Bank and the Company. Exclusive of supplemental indentures covered by Section 8.1 and subject to the terms and provisions contained in this Section, and not otherwise, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding and affected by such indenture or indentures supplemental hereto, with the consent of the Credit Issuer (during any Credit Facility Period) or the Bank (during any Bank Rate Period), shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and direct the execution by the Trustee of such other indenture or indentures supplemental hereto as shall be consented to by the Issuer in its sole discretion for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the consent of the Holders of all Outstanding Bonds, (a) an extension of the maturity of the principal of, or the mandatory redemption date of, or interest on, any Bond, or (b) a reduction in the principal amount of, or the premium or the rate of interest on, any Bond, (c) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (d) the creation of a lien on the Security prior to the lien of this Indenture, or (e) a reduction in the aggregate principal amount of the Bonds required for any consent to any supplemental indenture; provided further, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any supplemental indenture that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee. The giving of notice to and consent of the Holders to any such proposed supplemental indenture shall be obtained pursuant to Section 8.6.

Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the Company shall not become effective unless and until the Company shall have consented to the execution of such supplemental indenture, amendment or other document.

The Trustee shall file copies of all such supplemental indentures with the Company and, if the Bonds are rated by a Rating Agency, shall furnish copies of all such supplemental indentures to such Rating Agency.

Section 8.3 Amendments to the Loan Agreement or the Note Not Requiring Consent of Holders. The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement or the Note without the prior written consent of the Trustee. The Issuer may, with the consent of the Credit Issuer (during any Credit Facility Period) or the Bank (during any Bank Rate Period), but without the consent of or notice to any of the Holders, enter into or permit (and the Trustee shall consent to) any amendment of the Loan Agreement or the Note acceptable to the

Company as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holders, (ii) to grant or pledge to the Issuer or Trustee, for the benefit of the Holders or the Credit Issuer (during any Credit Facility Period) or the Bank (during any Bank Rate Period), any additional security, (iii) to modify, amend or supplement the Loan Agreement or the Note for the purpose of obtaining or retaining a rating on the Bonds from a Rating Agency, (iv) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes or (v) in connection with any other change therein which, in the judgment of the Trustee acting in reliance upon an opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holders of the Bonds; provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

The Issuer and the Company shall file copies of any such amendments to the Loan Agreement or the Note with the Trustee and, if the Bonds are rated by a Rating Agency, the Trustee shall furnish copies of such amendments to such Rating Agency.

Section 8.4 Amendments to the Loan Agreement or the Note Requiring Consent of Holders and the Credit Issuer. Except as provided in Section 8.3 hereof, the Issuer shall not enter into, and the Trustee shall not consent to, any other modification or amendment of the Loan Agreement or the Note, nor shall any such modification or amendment become effective, without the consent of the Credit Issuer (during any Credit Facility Period) or the Bank (during any Bank Rate Period), and the consent of the Holders of a majority in aggregate principal amount of the Bonds at the time Outstanding, such consent to be obtained in accordance with Section 8.6. No such amendment may, without the consent of the Holders of all the Outstanding Bonds, reduce the amounts or delay the times of payment of Repayments under the Loan Agreement or the Note.

The Issuer and the Company shall file copies of all such amendments to the Loan Agreement or the Note with the Trustee and, if the Bonds are rated by a Rating Agency, the Trustee shall furnish copies of such amendments to such Rating Agency.

Section 8.5 Amendments, Changes and Modifications to the Credit Facility. Except as otherwise provided in the Loan Agreement or in this Indenture, subsequent to the initial issuance of the Bonds and prior to payment of the Bonds in full (or provision for the payment thereof having been made in accordance with the provisions of this Indenture), no Credit Facility may be effectively amended, changed or modified without the prior written consent of the Trustee and the Paying Agent. The Trustee may, without the consent of the Holders of the Bonds, consent to any amendment of the Credit Facility as may be required to extend the term thereof or for purposes of curing any ambiguity, formal defect or omission or obtaining or retaining a rating on the Bonds from a Rating Agency that, in the Trustee's and the Paying Agent's judgment, does not prejudice in any material respect the interests of the

Holder. Except for such amendments, and as otherwise provided herein, the Credit Facility may be amended only with the consent of the Issuer, the Trustee and the Holders of a majority in aggregate principal amount of Outstanding Bonds, except that no such amendment may be made that would reduce the amounts required to be paid thereunder, change the time for payment of such amounts or accelerate the expiration date of the Credit Facility without the written consent of the Holders of all Outstanding Bonds. The foregoing shall not limit the Trustee's obligation to send notice to the Credit Issuer to reduce amounts available to be drawn under a currently effective Credit Facility under the circumstances set forth therein.

The Trustee shall file copies of all such amendments, changes or modifications with the Rating Agency, if any, rating the Bonds.

Section 8.6 Notice to and Consent of Holders. If consent of the Holders is required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement, the Note or the Credit Facility or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid, to the Holders of the Outstanding Bonds then shown on the Register. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the principal office of the Trustee for inspection by all Holders. If, within sixty (60) days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Holders of a majority or all, as the case may be, of the principal amount of the Bonds Outstanding by instruments filed with the Trustee shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Holders shall thereby be conclusively presumed. Notwithstanding the foregoing provisions of this Section, the Remarketing Agent shall be deemed to be the Holder of the Outstanding Bonds on any Mandatory Purchase Date for the purpose of giving any consent required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement or the Credit Facility, if notice of such amendment has been given to the Persons to whom the Bonds are proposed to be remarketed.

ARTICLE IX MISCELLANEOUS

Section 9.1 Right of Trustee to Pay Taxes and Other Charges. If the Project is part of the Security and any tax, assessment or governmental or other charge upon any part of the Project is not paid as required, the Trustee may, subject to any indemnity required pursuant to Section 7.1(h) of this Indenture, pay such tax, assessment or governmental or other charge, without prejudice, however, to any rights of the Trustee hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment until paid at the greater of the rate of interest borne by the Bonds or the per annum rate of interest announced from time to time by the bank serving as Trustee as its "prime rate" shall become so much additional indebtedness secured by this Indenture, shall be given a

preference in payment over the Bonds, and shall be paid out of the Security (other than from funds obtained from the Credit Facility).

Section 9.2 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Holders, the Credit Issuer, the Paying Agent, the Remarketing Agent and the Company any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions herein being intended to be and being for the sole and exclusive benefit of the parties hereto, the Holders, the Credit Issuer, the Paying Agent, the Remarketing Agent and the Company as herein provided.

Section 9.3 Severability. If any provision of this Indenture is held to be in conflict with any applicable statute or rule of law or is otherwise held to be unenforceable for any reason whatsoever, such circumstances shall not have the effect of rendering the other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatsoever.

The invalidity of any one or more phrases, sentences, clauses or sections of this Indenture, shall not affect the remaining portions of this Indenture or any part thereof.

Section 9.4 Notices. Except as otherwise provided herein, all notices, approvals, consents, requests, and other communications hereunder shall be in writing and shall be deemed to have been given when the writing is delivered if given or delivered by hand, overnight delivery service or facsimile transmitter (with confirmed receipt) to the address or facsimile number set forth below and shall be deemed to have been given on the date deposited in the mail, if mailed, by first-class, registered or certified mail, postage prepaid, addressed as set forth below. The Issuer, the Company, any Credit Issuer, the Trustee, the Remarketing Agent and the Paying Agent may, by written notice given hereunder, designate any different addresses, phone numbers and facsimile numbers to which subsequent notices, certificates, approvals, consents, requests or other communications shall be sent.

AND NO/100 DOLLARS

FOR VALUE RECEIVED, Pinellas County Industrial Development Authority, Florida, a special district duly organized and existing under the Constitution and laws of the State of Florida (the "Issuer"), hereby promises to pay to the Registered Owner specified above, or registered assigns, upon surrender hereof, at the principal office of the Paying Agent named below, on the Maturity Date specified above, unless redeemed prior thereto, the Principal Amount specified above, together with interest thereon at the rates determined as set forth herein from the Issue Date specified above, but only from the sources and in the manner hereinafter provided on the first Business Day of each calendar month during any Weekly Rate Period, on each _____ and _____ during any Medium-Term Rate Period or Fixed Rate Period, on the first Business Day immediately succeeding the last day of each Flexible Term Rate Period (but only as to Bonds for which such Flexible Term Rate Period is applicable) and on each Conversion Date (an "Interest Payment Date") until the principal hereof is paid or duly provided for upon redemption or maturity. Payment of the principal and redemption premium, if any, and interest on this Bond shall be made in lawful money of the United States of America which on the respective dates of payment thereof shall be legal tender for the payment of public and private debts. Unless other arrangements are made pursuant to the

Indenture (hereinafter defined), interest is payable by check or draft drawn upon Regions Bank, as Paying Agent (the "Paying Agent"), mailed on the Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) to the Holder hereof at the close of business on the Record Date immediately preceding each Interest Payment Date at the address of such Holder as it appears on the Register. Interest on this Bond shall be computed on the basis of a 365-day year (366 days in a leap year) for the actual days elapsed during any Weekly Rate Period, a 360-day year consisting of twelve months of thirty days each during any Long-Term Rate Period and a 360-day year for actual days elapsed during any Flexible Term Rate Period (calculated by multiplying the principal amount of Bonds by the interest rate, dividing that sum by 360, and multiplying that amount by the actual days elapsed). In any case where the date of maturity of interest on or premium, if any, or principal of this Bond or the date fixed for redemption of this Bond shall not be a Business Day, then payment of such interest, premium or principal need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

This Bond shall be a limited obligation of the Issuer, the principal, interest and premium (if any) of which are payable solely from and secured by the Security described in the Indenture, including the moneys available to be drawn by the Trustee under any Credit Facility (as defined in the Indenture) that may be in effect from time to time to support payments due on or with respect to this Bond, all as described in and subject to limitations set forth in the Indenture, for the equal and ratable benefit of the Holders, from time to time of this Bond. THIS BOND AND THE INTEREST THEREON AND REDEMPTION PREMIUM, IF ANY, SHALL NOT BE DEEMED TO CONSTITUTE OR CREATE AN INDEBTEDNESS, LIABILITY OR OBLIGATION OF THE ISSUER, PINELLAS COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION OR A PLEDGE OF THE FULL FAITH AND CREDIT OR THE TAXING POWER OF THE PINELLAS COUNTY OR THE STATE OF FLORIDA OR ANY SUCH POLITICAL SUBDIVISION OR AGENCY. THE ISSUER HAS NO TAXING POWER.

This Bond is one of the Bonds of a duly authorized issue of Industrial Development Revenue Bonds of the Issuer in the aggregate principal amount of \$_____ known as Pinellas County Industrial Development Industrial Development Revenue Bonds (Volunteers of America Project), Series 2015 (herein called the "Bonds"), dated as of the Issue Date referenced above. All of the Bonds are issued under and pursuant to the Constitution and laws of the State of Florida (the "State"), particularly Parts II and III of Chapter 159, Florida Statutes, as amended, and other applicable provisions of law (hereinafter called the "Act"), and an Indenture of Trust (as amended or supplemented from time to time, the "Indenture"), dated as of December 1, 2015, by and between the Issuer and Regions Bank, as Trustee (the "Trustee"). Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds, the collection and disposition of revenues, a

description of the funds charged with and pledged to the payment of the principal of and redemption premium, if any, and interest on the Bonds, the nature and extent of the security for the Bonds, the terms and conditions under which the Bonds are or may be issued, the rights, duties and obligations of the Issuer and of the Trustee and the rights of the Holders of the Bonds, and, by the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Indenture. Capitalized terms used herein and not defined shall have the meaning ascribed to them in the Indenture.

The Bonds have been issued for the purpose of financing and refinancing the acquisition, construction, installation and equipping of certain health care and social service facilities located in the State of Florida (the "Project"). The Issuer and Volunteers of America of Florida, Inc., (the "Company") have entered into a Loan Agreement, dated as of December 1, 2015 between the Issuer and the Company (the "Loan Agreement"), pursuant to which the Issuer has agreed to lend the proceeds of the sale of the Bonds to the Company, and the Company has agreed to make payments in an amount, corresponding to the principal amount of, interest rate on, Purchase Price of and due dates of the Bonds. To evidence its obligation to make such payments, the Company has delivered to the Issuer its Promissory Note (the "Note") dated the Issue Date, which has been endorsed without recourse to the Trustee. The Loan Agreement also provides for the payment by the Company of certain fees and expenses.

Pursuant to the Indenture the Issuer has, for the benefit of the Holders of the Bonds, assigned, without recourse, representation or warranty, to the Trustee in trust the Security, which includes:

- (i) all Repayments received by the Issuer under the Loan Agreement and the Note, which Repayments are to be paid directly by the Company to the Trustee and deposited in the Bond Fund or the Bond Purchase Fund established under the Indenture in accordance with the Indenture;
- (ii) all moneys in the Bond Fund, the Bond Purchase Fund, the Surplus Fund and the Project Fund established under the Indenture, including the proceeds of the Bonds pending disbursement thereof;
- (iii) all of the Issuer's rights, title and interest in the Loan Agreement and the Note except Reserved Rights, as defined in the Indenture;
- (iv) all other rights and interests granted to the Issuer in connection with the Loan Agreement (except Reserved Rights) as set forth in the Indenture or granted directly to the Trustee as provided in the Indenture; and
- (v) all of the proceeds of the foregoing (except the amounts payable to or on behalf of the Issuer on account of its Reserved Rights, as defined in the Indenture), including without limitation investments thereof.

The Bonds are additionally secured by an irrevocable, direct-pay letter of credit (the "Credit Facility") from _____ (the "Credit Issuer"), in the amount of the aggregate principal amount of the Bonds outstanding from time to time, plus 45 days interest computed at an assumed interest rate of [12%] per annum, which Credit Facility will expire on _____, 20__, unless extended or earlier terminated in accordance with its terms. Under certain circumstances described in the Indenture, the Company may obtain an Alternate Credit Facility in substitution for the Credit Facility.

The Bonds are issuable as fully registered Bonds in the principal amount of \$100,000 and multiples of \$5,000 in excess thereof (during any Short-Term Rate Period or Medium-Term Rate Period, an "Authorized Denomination"). This Bond, upon surrender hereof at the principal office of the Registrar with a written instrument of transfer satisfactory to the Registrar executed by the Holder hereof or his/her attorney duly authorized in writing, may, at the option of the Holder hereof, be exchanged for an equal aggregate principal amount of Bonds of the same aggregate principal amount and tenor as the Bonds being exchanged and of any Authorized Denomination. This Bond may be registered as transferred as provided in the Indenture, subject to certain limitations therein contained, only upon the Register, and only upon surrender of this Bond for registration of transfer to the Registrar accompanied by a written instrument of transfer (in substantially the form of the assignment attached hereto) duly executed by the Holder hereof or his/her duly authorized attorney. Thereupon, one or more new Bonds of any Authorized Denomination and in the same aggregate principal amount and tenor as the Bond surrendered (or for which registration of transfer has been effected) will be issued to the designated transferee or transferees.

1. Interest Rates on Bonds.

(a) Initial Rate -- General. This Bond shall bear interest as provided in the Indenture from the Issue Date to the date of payment in full hereof. Interest accrued on this Bond shall be paid on each Interest Payment Date (or, if such day is not a Business Day, the next succeeding Business Day) commencing on the earlier of _____, 2015 or the first Conversion Date. The interest rate on this Bond will be determined as provided in the Indenture; provided, that no Rate shall exceed the lesser of (i) the Ceiling Rate and (ii) the maximum rate permitted by applicable law. The Bonds shall bear interest at the Weekly Rate from the Issue Date until the date, if any, on which the Interest Rate Determination Method is changed as described in the Indenture. The Weekly Rate for the initial Interest Period shall be determined by the Underwriter on the Issue Date.

(b) Determination of Rate. After the determination of the Weekly Rate for the initial Interest Period, the applicable Rate shall be determined by the Remarketing Agent at the time and in the manner specified in the Indenture; provided, that if for any reason such Rate is not established by the Remarketing Agent, no Remarketing Agent shall be serving as such under the Indenture or the rate so established is held to be invalid or unenforceable, then the applicable Rate shall be determined as provided in the Indenture. The determination of any Rate in accordance with the terms of the Indenture shall be conclusive and binding.

2. Tender of Bonds for Purchase.

(a) **Optional Tender.** Except as set forth in the Indenture, during any Weekly Rate Period, the Holders of the Bonds shall have the right to tender any such Bond (or portion thereof in an Authorized Denomination, provided that any Bond or portion thereof remaining is also in an Authorized Denomination) for purchase on any Optional Tender Date, but only upon:

(1) delivery to the Remarketing Agent at its principal office, not later than 4:00 p.m., Local Time, on the seventh (7th) day (or on the immediately preceding Business Day if such seventh (7th) day is not a Business Day) next preceding such Optional Tender Date, of an irrevocable written, telephonic (followed, if requested by the Remarketing Agent, by written or facsimile confirmation delivered to the Remarketing Agent no later than the close of business on the next succeeding Business Day), facsimile or telegraphic notice (with a written or facsimile copy to the Trustee) stating (i) that such Holder will tender for purchase all or any portion of his/her Bonds in an Authorized Denomination and the amount of Bonds to be tendered, and (ii) the Optional Tender Date on which such Bonds will be tendered; and

(2) delivery of such Bond (with an appropriate instrument of transfer duly executed in blank) to the Trustee at its principal office at or prior to 10:00 a.m., Local Time, on such Optional Tender Date; provided, however, that no Bond (or portion thereof) shall be purchased unless such Bond as delivered to the Trustee shall conform in all respects to the description thereof in the aforesaid notice.

Any election of a Holder to tender a Bond for purchase on an Optional Tender Date in accordance with the Indenture shall be irrevocable and shall be binding on the Holder making such election and on any transferee of such Holder.

(b) **Optional Tender By Beneficial Owners.** If the Bonds are held in a Book-Entry System and bear interest at a Weekly Rate, a purchase notice pursuant to 2(a)(1) above may be delivered by a Beneficial Owner. Such purchase notice must be delivered as set forth in 2(a)(1) above and must state that such Beneficial Owner will cause its beneficial interest (or portion thereof in an Authorized Denomination) to be tendered, the amount of such interest to be tendered, the Optional Tender Date on which such interest will be tendered and the identity of the Participant through which the Beneficial Owner maintains its interest. Upon delivery of such notice, the Beneficial Owner must make arrangements to have its beneficial ownership interest in the Bonds being tendered transferred to the Trustee at or prior to 10:00 a.m., on the Optional Tender Date, but need not otherwise comply with 2(a)(2) above.

(c) **Certain Required Tenders for Purchase.** Bonds are subject to mandatory tender for purchase as provided in the Indenture on any Mandatory Purchase Date (i.e., any Conversion Date, any Credit Modification Date, any Credit Issuance Date, the first Business Day immediately succeeding the last day of each Flexible Term Rate Period applicable to such

Bond then bearing interest at a Flexible Term Rate and certain dates designated by the Credit Issuer or the Company) at the Purchase Price thereof.

(d) Bonds Deemed Tendered. If (1) with respect to a Mandatory Purchase Date, a Holder fails to deliver such Bond to the Trustee on or before the Mandatory Purchase Date, or (2) with respect to an Optional Tender Date, a Holder gives notice pursuant to 2(a)(1) above to the Remarketing Agent and thereafter fails to deliver such Bonds (or portion thereof), to the Trustee, as required, then such Bond (or portion thereof) that is not delivered to the Trustee shall be deemed to have been properly tendered (such Bond being hereinafter referred to as an "Untendered Bond") and, to the extent that there shall be on deposit with the Paying Agent on the date purchase thereof is required as provided in the Indenture, an amount sufficient to pay the Purchase Price thereof, such Untendered Bond shall cease to constitute or represent a right to payment of principal or interest thereon and shall constitute and represent only the right to the payment of the Purchase Price payable on such date.

3. Conversion of the Interest Rate Determination Method for the Bonds. The Indenture provides that the Company may change the Interest Rate Determination Method for the Bonds, subject to the terms and conditions set forth therein.

4. Issuance of a Credit Facility or Alternate Credit Facility. The Indenture provides that the Company may arrange for the issuance of a Credit Facility or an Alternate Credit Facility, subject to the terms and conditions set forth therein.

5. Optional Redemption.

(a) During a Short-Term Rate Period. During any Weekly Rate Period, the Bonds are subject to redemption, at the direction of the Company, in whole on any Business Day or in part on any Interest Payment Date at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date. During any Flexible Term Rate Period, each of the Bonds is subject to redemption, at the direction of the Company, in whole or in part, on any Interest Payment Date applicable to such Bond to be redeemed at a redemption price equal to the principal amount of such Bond plus accrued interest thereon to, but not including, the redemption date.

(b) During a Long-Term Rate Period. During any Long-Term Rate Period, the Bonds are subject to redemption, at the direction of the Company, in whole or in part, on any Interest Payment Date occurring on or after the First Day of Redemption Period as described below, at a redemption price equal to the principal amount thereof, plus a redemption premium (expressed as a percentage of principal amount) plus accrued interest thereon to, but not including, the redemption date as follows, provided, however, if a Credit Facility is then in effect, such redemption premium shall be paid only from Eligible Funds described in clause (i) of the definition of Eligible Funds on deposit in the Bond Fund, unless such Credit Facility provides for payment of such premium:

Length of Long-Term Rate Period From Conversion Date Until End of Rate Period (Expressed in Years)	First Day of Redemption Period	Redemption Premium as a Percentage of Principal Amount of Bonds
More than 15	10th Anniversary of Conversion Date	3% declining by 1% every year after the 10th Anniversary of the Conversion Date until reaching 0%, and thereafter 0%.
More than 10 but not more than 15	7th Anniversary of Conversion Date	3% declining by 1% every year after the 7th Anniversary of the Conversion Date until reaching 0%, and thereafter 0%
More than 5 but not more than 10	4th Anniversary of Conversion Date	2% declining by 1% every year after the 4th Anniversary of the Conversion Date until reaching 0%, and thereafter 0%.
5 or less	Bonds not redeemable pursuant to this paragraph.	N/A

The above premiums may be changed upon the conversion to a Long-Term Rate upon the receipt of an Opinion of Bond Counsel subject to and in accordance with the provisions of the Indenture.

6. Extraordinary Optional Redemption. The Bonds are subject to redemption in whole, at the direction of the Company, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date, on any date for which the requisite notice of redemption can be given, within one hundred eighty (180) days of the occurrence of certain events specified in the Indenture relating to damage or destruction of the Project or portions thereof, the taking by eminent domain of the Project or portions thereof, changes in law or other events that render continued operation of the Project uneconomical, legal curtailment of the use of the Project or the termination of the Loan Agreement other than because of an event of default thereunder.

7. Certain Mandatory Redemptions. The Bonds are subject to mandatory redemption in whole at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus accrued interest thereon (and not including any premium which might otherwise be payable during any Long-Term Rate Period) to, but not including, the redemption date on any Business Day for which the requisite notice of redemption can be given within forty-five (45) days after the occurrence of a Determination of Taxability; provided, however, if mandatory redemption on account of a Determination of Taxability of less than all the Bonds would result, in the Opinion of Bond Counsel, in the interest on the Bonds Outstanding

following such mandatory redemption not being includable in the gross income of the Holders of such Bonds Outstanding, then the Bonds are subject to mandatory redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion.

8. Notice of Redemption. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days before the redemption date to each Holder of the Bonds to be redeemed in whole or in part at his/her last address appearing on the Register, but no defect in or failure to give such notice of redemption shall affect the validity of the redemption. A notice of optional redemption may state that redemption of the Bonds is conditioned upon the deposit with the Trustee of sufficient Eligible Funds on or prior to the date selected for redemption to reimburse the Credit Issuer for the drawing under the Credit Facility to redeem the Bonds or to pay any redemption premium, and that if sufficient Eligible Funds are not so available on the date selected for redemption, such call for redemption shall be revoked. All Bonds properly called for redemption will cease to bear interest on the date fixed for redemption, provided Eligible Funds for their redemption have been duly deposited with the Trustee pursuant to the Indenture and, thereafter, the Holders of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed.

9. Miscellaneous. Under certain circumstances as described in the Indenture, the principal of all the Bonds may be declared due and payable in the manner and with the effect provided in the Indenture.

Modifications or alterations to the Indenture, the Loan Agreement or the Credit Facility may be made only to the extent and in the circumstances permitted by the Indenture and the Loan Agreement.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture or the Loan Agreement, or to institute action to enforce the covenants therein, or to take any action with respect to a default under the Indenture or the Loan Agreement, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided under certain limited circumstances described in the Indenture; provided, however, that nothing contained in the Indenture shall affect or impair any right of enforcement conferred on the Holder hereof by the Act to enforce (i) the payment of the principal of and premium, if any, and interest on this Bond at and after the maturity hereof, or (ii) the obligation of the Issuer to pay the principal of and premium, if any, and interest on this Bond to the Holder hereof at the time, place, from the source and in the manner as provided in the Indenture.

It is hereby certified that all acts, conditions and things required to happen, exist and be performed under the laws of the State of Florida and under the Indenture precedent to and in the issuance of this Bond have happened, exist and have been performed as so required and that the issuance, authentication and delivery of this Bond have been duly authorized by the Issuer.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature of one of its authorized signers, this Bond shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Pinellas County Industrial Development Authority has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of the Mayor of the Issuer and its official seal to be impressed or imprinted hereon and attested by manual or facsimile signature of the Chairman of the Issuer and countersigned by the Executive Director of the Issuer, all as of the Issue Date referenced above.

<u>Interest Rate</u>	<u>Maturity Date</u>	<u>Issue Date</u>
As Stated Below	_____, 20__	December __, 2015

REGISTERED OWNER: REGIONS BANK

PRINCIPAL AMOUNT: _____

THE PINELLAS COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY, a special district duly organized and existing under the Constitution and laws of the State of Florida (the "Issuer"), for value received, promises to pay from the source and as hereinafter provided, to the Registered Owner identified above on the Maturity Date set forth above, upon surrender hereof, the Principal Amount set forth above, and in like manner to pay interest on said sum as provided in this Bond.

1. **Indenture; Loan Agreement.** This Bond is one of an authorized issue of bonds (the "Bonds") issued under the Indenture of Trust dated as of December 1, 2015 (the "Indenture"), between the Issuer and Regions Bank, as trustee (the "Trustee"). The terms of the Bonds include those in the Indenture. Holders are referred to the Indenture for a statement of those terms. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Indenture.

The Issuer has loaned the proceeds of the Bonds to Volunteers of America of Florida, Inc., a Florida not-for-profit corporation (the "Company"), pursuant to a Loan Agreement dated as of December 1, 2015 (the "Loan Agreement"), between the Issuer and the Company. The

Company used the proceeds of the Bonds for the purpose of financing and refinancing the acquisition, construction, installation and equipping of certain health care and social service facilities located in the State of Florida (the "Project"). The Company has agreed in the Loan Agreement to pay the Issuer amounts sufficient to pay all amounts coming due on the Bonds, and the Issuer has assigned its rights to such payments under the Loan Agreement to the Trustee as security for the Bonds.

The Indenture and the Loan Agreement may be amended, and references to them include any amendments.

2. **Source of Payments.** This Bond and the series of Bonds of which it forms a part are issued pursuant to and in full compliance with Chapter 159, Florida Statutes, Parts II and III, the municipal charter of the Issuer, and other applicable provisions of law (the "Act"). This Bond shall be a limited obligation of the Issuer, the principal, interest and premium (if any) of which are payable solely from and secured by the Security described in the Indenture, including the moneys available to be drawn by the Trustee under any Credit Facility (during any Credit Facility Period) to support payments due on or with respect to this Bond, all as described in and subject to limitations set forth in the Indenture, for the equal and ratable benefit of the Holders, from time to time of this Bond. THIS BOND AND THE INTEREST THEREON AND REDEMPTION PREMIUM, IF ANY, SHALL NOT BE DEEMED TO CONSTITUTE OR CREATE AN INDEBTEDNESS, LIABILITY OR OBLIGATION OF THE ISSUER, PINELLAS COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION OR A PLEDGE OF THE FULL FAITH AND CREDIT OR THE TAXING POWER OF THE PINELLAS COUNTY OR THE STATE OF FLORIDA OR ANY SUCH POLITICAL SUBDIVISION OR AGENCY.

3. **Interest Rate.** Interest on this Bond will be paid at the lesser of (a) the Bank Rate as determined in accordance with the Indenture and (b) the maximum rate permitted by law. The Company may direct a change in the interest rate determination method from time to time as described under paragraph 5 below. A change in the method will result in the Bonds becoming subject to mandatory tender for purchase on the effective date of such change.

Interest will be computed on the basis of the actual number of days elapsed over a year of 360 days.

4. **Interest Payment and Record Dates.** Interest will accrue on the unpaid portion of the principal of this Bond from the last date to which interest was paid or duly provided for or, if no interest has been paid or duly provided for, from the date of initial authentication and delivery of this Bond, until the entire principal amount of this Bond is paid or duly provided for. When interest is payable at the rate in the first column below, interest accrued during the period (an "Accrual Period") shown in the second column will be paid on the date (an "Interest Payment Date") in the third column to Holders of record on the date (a "Record Date") in the fourth column:

<u>TYPE OF INTEREST PERIOD</u>	<u>ACCRUAL PERIOD</u>	<u>INTEREST PAYMENT DATE</u>	<u>RECORD DATE</u>
Bank Rate	First Business Day of a month through the day immediately preceding the first Business Day of the next month	First Business Day of each month and the final maturity date of the Bond	Last Business Day of the Accrual Period

5. **Conversion Option.** The Company shall have the option (the "Conversion Option") to direct a change in the type of Interest Period to another type of Interest Period by delivering to the Trustee and the Remarketing Agent written instructions setting forth (i) the Conversion Date (which may be any Business Day), (ii) the new type of Interest Period and (iii) whether such Interest Period will be a Credit Facility Period, and by otherwise complying with the terms of the Indenture.

No change in Interest Period shall occur after an Event of Default shall have occurred and be continuing.

Conversion from the Bank Rate Period at the option of the Company to another Interest Period shall require authentication and delivery by the Trustee of new Bonds of like dates and denominations and in the form attached to the Indenture as Exhibit A.

6. **Method of Payment.** For so long as the Bonds bear interest at a Bank Rate, the Issuer agrees that all amounts payable to the Bank with respect to any Bond held by the Bank shall be made to the Bank directly by the Company without payment by the Company to the Trustee (without any presentment thereof, except upon payment of the final installment of principal, and without any notation of such payment being made thereon) in such manner or at such address in the United States as may be designated by the Bank in writing to the Company. Any payment made in accordance with the provisions hereof shall be accompanied by sufficient information to identify the source and proper application of such payment. The Bank shall notify the Trustee in writing of any failure of the Company to make any payment of principal of or interest on the Bonds when due, and the Trustee shall not be deemed to have any notice of such failure unless it has received such notice in writing. Notices requesting wire transfers may provide that they will remain in effect for later interest payments until changed or revoked by another written notice. Principal and interest will be paid in money of the United States that at the time of payment is legal tender for payment of public and private debts or by checks or wire transfers payable in such money. If any payment on the Bonds is due on a day other than a Business Day, such payment will be made on the next Business Day, and no additional interest will accrue as a result.

7. **Mandatory Tender for Purchase of Bonds on Mandatory Purchase Date.** The Bonds shall be subject to mandatory tender by the Beneficial Owners thereof for purchase on (a) any Conversion Date, (b) the first Interest Payment Date following the occurrence of a Determination of Taxability for which the Trustee can give notice of mandatory tender in accordance with the Indenture and (c) while the Bonds bear interest at the Bank Rate, each Bank Put Date, unless the Trustee and the Company shall have received written notice from the Beneficial Owner not less than one hundred eighty (180) days prior to the applicable Bank Put Date that such Beneficial Owner has elected not to tender such Bonds for purchase on such Bank Put Date, and upon such giving of notice, such date shall not be a Mandatory Tender Date; provided, that in the event the Beneficial Owner elects not to tender such Bonds for purchase upon any Bank Put Date as described above, the Beneficial Owner may also deliver written notice to the Trustee and the Company modifying the date of the next succeeding Bank Put Date or all succeeding Bank Put Dates, and from and after such notice, the succeeding Bank Put Date(s) shall be the date(s) described in such notice unless again modified by subsequent notice, but in all events, each Bank Put Date shall be an Interest Payment Date. The dates described in clauses (a), (b) and (c) of the preceding sentence each constitute a "Mandatory Purchase Date."

In connection with any mandatory purchase, the Trustee shall deliver or mail by first class mail a notice in substantially the form required by the Indenture at least fifteen (15) days prior to the Mandatory Purchase Date.

Any notice given by the Trustee as provided above shall be conclusively presumed to have been duly given, whether or not the Beneficial Owner receives the notice. Failure to mail any such notice, or the mailing of defective notice, to any Beneficial Owner, shall not affect the proceeding for purchase as to any Beneficial Owner to whom proper notice is mailed.

On each Mandatory Purchase Date, Beneficial Owners of Bonds shall be required to tender their Bonds to the Trustee for purchase by 10:00 A.M. New York City time at a purchase price equal to 100% of the principal amount of the Bonds tendered or deemed tendered, and any such Bonds not so tendered on the Mandatory Purchase Date, for which there has been irrevocably deposited in trust with the Trustee an amount of moneys sufficient to pay said purchase price of the untendered bonds, shall be deemed to have been tendered and purchased pursuant to the Indenture. In the event of a failure by a Beneficial Owner of Bonds to tender its Bonds on or prior to the Mandatory Purchase Date by the requisite time, said Beneficial Owner shall not be entitled to any payment (including any interest to accrue subsequent to the Mandatory Purchase Date) other than said purchase price for such untendered bonds, and any untendered bonds shall no longer be entitled to the benefits of the Indenture, except for the purpose of payment of said purchase price therefor.

8. **Optional Redemption by the Company.** The Bonds are subject to redemption by the Issuer, at the option and direction of the Company, in whole at any time or in part on any Interest Payment Date, less than all of such Bonds to be selected by lot or in such other manner

as the Trustee shall determine, at a redemption price of 100% of the Outstanding principal amount thereof plus accrued interest to (but not including) the redemption date.

On any Conversion Date the Bonds are subject to redemption by the Issuer, at the option and direction of the Company, in whole or in part, less than all such Bonds to be selected by lot or in such other manner as the Trustee shall determine, at a redemption price of 100% of the Outstanding principal amount thereof plus accrued interest to (but not including) the redemption date.

In the event any of the Bonds or portions thereof are called for redemption as aforesaid, notice of the call for redemption, identifying the Bonds or portions thereof to be redeemed, shall be given by the Trustee by mailing a copy of the redemption notice by first class mail at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption to the Beneficial Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books. Any notice mailed as provided above shall be conclusively presumed to have been duly given, whether or not the Beneficial Owner receives the notice. Failure to mail any such notice, or the mailing of defective notice, to any Beneficial Owner, shall not affect the proceeding for redemption as to any Beneficial Owner to whom proper notice is mailed. No further interest shall accrue on the principal of any Bond called for redemption after the date of redemption if moneys sufficient for such redemption have been deposited with the Trustee.

9. **Denominations; Transfer; Exchange.** The Bonds are in registered form without coupons in \$100,000 minimum denominations, with \$1 increments in excess thereof. A Beneficial Owner may transfer or exchange Bonds in accordance with the Indenture. The Trustee may require a Beneficial Owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Except in connection with Bonds tendered for purchase, the Trustee will not be required to transfer or exchange any Bond which has been called for redemption (except the unredeemed portion of any Bond being redeemed in part) or during the period beginning fifteen (15) days before the mailing of notice calling the Bonds or any portion of the Bonds for redemption and ending on the redemption date.

10. **Persons Deemed Beneficial Owners.** The registered holder of this Bond shall be treated as the Beneficial Owner of it for all purposes.

11. **Non-presentment of Bonds.** If money for the payment of principal, premium, if any, interest or purchase price remains unclaimed for two years after the due date therefor, the Trustee will pay the money to the Company upon written request. After that, Beneficial Owners entitled to the money must look only to the Company and not to the Trustee for payment.

12. **Discharge Before Redemption or Maturity.** If the Company deposits with the Trustee money or securities as described in, and in accordance with the provisions of, the Indenture sufficient to pay at redemption or maturity principal of and interest on the

outstanding Bonds, and if the Company also pays all other sums then payable by the Company under the Indenture, the lien of the Indenture will be discharged. After discharge, Beneficial Owners must look only to the deposited money and securities for payment.

13. **Amendment, Supplement, Waiver.** Subject to certain exceptions, the Indenture, the Loan Agreement or the Bonds may be amended or supplemented, and any past default may be waived, with the consent of the Beneficial Owners of a majority in principal amount of the Bonds then Outstanding. Any such consent shall be irrevocable and shall bind any subsequent Beneficial Owner of this Bond or any Bond delivered in substitution for this Bond. Without the consent of any Beneficial Owner, the Issuer may amend or supplement the Indenture, the Loan Agreement or the Bonds as described in the Indenture.

14. **Defaults and Remedies.** The Indenture provides that the occurrences of certain events constitute Defaults. If a Default occurs and is continuing, the Trustee may declare the principal of all the Bonds to be due and payable immediately; provided that in certain circumstances, the Trustee shall make such declaration upon the written request of the Beneficial Owners of not less than a majority in principal amount of the Bonds then Outstanding and provided further, that in the case of certain Defaults, the principal of all of the Bonds shall automatically become due and payable. A Default and its consequences may be waived as provided in the Indenture. Beneficial Owners may not enforce the Indenture or the Bonds except as provided in the Indenture. Except as specifically provided in the Indenture, the Trustee may refuse to enforce the Indenture or the Bonds unless it receives indemnity satisfactory to it. Subject to certain limitations, Beneficial Owners of not less than a majority in principal amount of the Bonds then Outstanding may direct the Trustee in its exercise of any trust or power.

15. **No Recourse Against Others.** No recourse shall be had for the payment of the principal, purchase price, or redemption price of, or interest on, this Bond, or for any claim based hereon or on the Indenture, against any member, officer or employee, past, present or future, of the Issuer or of any successor body, as such, either directly or through the Issuer or any such successor body under any constitutional provision, statute or rule of law or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise. Each Beneficial Owner by accepting a Bond waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Bond.

16. **Authentication.** This Bond shall not be valid until the Trustee signs the certificate of authentication on the other side of this Bond.

17. **Abbreviations.** Customary abbreviations may be used in the name of a Beneficial Owner or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), U/G/M/A (= Uniform Gifts to Minors Act), and U/T/M/A (= Uniform Transfers to Minors Act).

18. **Consent to Indenture Provisions.** Reference to the Indenture is hereby made for a more complete description of the funds and accounts created thereunder, the nature and extent of the security, rights, duties and obligations of the Issuer and the Trustee, the terms and conditions under and upon the occurrence of which the Indenture and the Loan Agreement may be modified, and the terms and conditions under and upon the occurrence of which the lien of the Indenture may be defeased as to this Bond prior to the maturity or redemption date hereof and the rights of the Beneficial Owners of the Bonds, to all of the provisions of which the Beneficial Owner hereof, by the acceptance of this Bond, assents.

21. **Qualified Tax-Exempt Obligation.** The Issuer has designated this Bond as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986. As of the date hereof, the Issuer does not reasonably anticipate having issued for its benefit during calendar year 2015 tax-exempt obligations, including the Bonds, such that the aggregate amount of such tax-exempt obligations would exceed \$10,000,000
