Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This award provides funding in the amount of \$190,002 for the budget period 7/1/18-6/30/19, and also extends the project period to 6/30/21. No funds are to be carried over from the prior budget period, therefore this action is not a modification of the previous supplemental award received in May for budget period 7/1/17-6/30/18. There is no County match required for this grant. EPA agrees to reimburse the County for 100% of all approved and allowable costs incurred, up to and not exceeding the total funding amount.

This contract is consistent with the FY18 & FY19 Budget submission and an amendment will not be needed.
