NOTES: The AOT program allows the County to enhance its mental health services for individuals with a serious mental illness (SMI) who have been court-ordered to treatment. The County's goals are to 1) reduce Baker Act re-admission rates among this population; 2) reduce interactions with law enforcement due to non-compliance with court orders; 3) improve integration with primary medical care and preventive health services; and 4) integrate key community programs including the jail diversion program with the courts, Public Defender's office, public receiving facilities and treatment providers.
