Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for approval by the County Administrator of the Grant Agreement with the United States Environmental Protection Agency (USEPA) for Fine Particulate Matter Ambient Air Monitoring Network Support. The Grant Agreement is to continue funding an existing County program to protect air quality with partial funding in the amount of \$65,000.00 USEPA grant funds for project period April 1, 2025, to March 31, 2027. USEPA will reimburse County 100% of project costs. No County match required. EPA is funding this agreement incrementally. There is no guarantee of funding beyond the first year. The Total Approved Assistance Amount identified on Line 12 of the budget table of this award is contingent upon the availability of appropriated funds, EPA funding priorities, and satisfactory progress in carrying out the activities described in the scope of work.

Funding for this grant is included in the current year budget of Public Works in the General Fund.
