Present value shall be calculated by using the Current Swap Rate. No Prepayment Premium shall be due for the related Principal Amount of the Series 2021B Note if the difference between the Original Swap Rate minus the Current Swap Rate is zero or negative. **Section 2:** Authority for This Resolution. This Resolution is adopted pursuant to the provisions of the Act.

**Section 3:** Findings. It is hereby found and determined that:

(A) For the benefit of its citizens, the Issuer presently owns, operates and maintains the System for the collection, treatment and disposal of sewage.

(B) The Issuer has determined that it is in the best interest of the health and welfare of the residents of the County and other users of the System to issue the Series 2021B Note to refund the Refunded Bonds.

(C) The Issuer deems it necessary, desirable and in the best interest of the Issuer that the Pledged Funds be pledged to the payment of the principal of and interest on the Series 2021B Note in the manner and to the extent provided in the Original Instrument, as amended and supplemented hereby.

(D) The estimated Gross Revenues to be derived in each year hereafter from the operation of the System will be sufficient to pay Operating Expenses, the principal of and interest on the Parity Bonds, the Series 2021B Note as the same become due, and all other payments provided for in the Original Instrument.

(E) The principal of and interest on the Series 2021B Note, the Parity Bonds and all other payments provided for in the Original Instrument will be paid solely from the sources therein provided in accordance with the terms thereof; and no ad valorem taxing power of the Issuer will ever be exercised nor will the Holder of the Series 2021B Note have the right to compel the exercise of such ad valorem taxing power to pay the principal of or interest on the Series 2021B Note or to make any other payments provided for in the Original Instrument, and the Series 2021B Note shall not constitute a lien upon the System or upon any other property of the Issuer or situated within its corporate territorial limits, except the Pledged Funds.

(F) It is necessary, desirable and in the best interest of the Issuer to provide for the refunding of the Refunded Bonds in order to produce debt service savings by taking advantage of current, low, long-term fixed interest rates.

(G) Upon issuance in accordance with the terms hereof, the Series 2021B Note will constitute a Series of Additional Bonds under the Original Instrument entitled to all the security and benefits thereof.

(H) It is necessary, appropriate and in accordance with Section 6.02 of the Original Instrument that the County Commission adopt this Supplemental Resolution at this time in order to authorize the issuance of the Series 2021B Note heretofore stated based on the terms and conditions as provided herein and as authorized by the Original Instrument.

(I) The Issuer is advised that due to the present volatility of the market for tax-exempt public obligations such as the Series 2021B Note, it is in the best interest of the Issuer to sell the Series 2021B Note by a private negotiated sale, allowing the Issuer to enter such market at the most advantageous time, rather than at a specified advertised date, thereby permitting the Issuer to obtain the best possible price, interest rate and other terms for the Series 2021B Note; and, accordingly, the Issuer does hereby find and determine that it is in the best interest

of the Issuer that a private negotiated sale, based on the method described below, of the Series 2021B Note be authorized.

(J) The Issuer's Financial Advisor solicited interest from possible lenders and based upon the ability to act quickly given the volatile market and the desire to achieve savings on a timely basis, evaluated the proposal from the Bank and has made a recommendation to select the Bank based upon its proposal and the terms thereof and hereof. The Bank has offered to purchase the Series 2021B Note, and the Issuer does hereby find and determine that it is in the best financial interest of the Issuer to accept such an offer based upon the terms provided herein.

(K) In order to modernize and update the Original Instrument the Issuer has determined to revise and amended certain terms therein as set forth in Sections 15, 16 and 17 hereof, in accordance with Section 8.02 of the Original Instrument.

**Section 4: Authorization of the Refunding of the Refunded Bonds; Escrow Deposit Agreement.**

The refunding of the Refunded Bonds is hereby authorized and approved. Simultaneously with the delivery of the Series 2021B Note to the Bank, the Issuer will enter into the Escrow Deposit Agreement in substantially the form attached hereto as Exhibit A with the Escrow Holder, which Escrow Holder is hereby appointed to act in such capacity pursuant to the Escrow Deposit Agreement. At the time the Escrow Deposit Agreement is executed, the Issuer will furnish to the Escrow Holder appropriate documentation, including a verification report from the Verification Agent, to demonstrate that the sum being deposited with the Escrow Holder pursuant to this Resolution, together with other funds deposited into the Escrow Account pursuant to the provisions of the Escrow Deposit Agreement, together with investment earnings thereon, shall be equal to the Total Debt Service for the Refunded Bonds and that such moneys and the investments to be made pursuant to the Escrow Deposit Agreement will be sufficient to produce the moneys required to make all payments described in the Escrow Deposit Agreement for the full and complete refunding and defeasance of the Refunded Bonds. The Issuer hereby authorizes the Notice of Redemption relating to the redemption of the Refunded Bonds to be given in accordance with the Escrow Deposit Agreement and the Original Instrument.

**Section 5: Approval of Proposal and Authorization of Series 2021B Note.**

(A) The Chairman of the Issuer or the County Administrator is hereby authorized and directed to accept the proposal of the Bank attached hereto as Exhibit B. The Chairman, the Vice Chairman, the County Administrator, the County Attorney, Chief Assistant County Attorney, the Director of the Office of Management and Budget, and the Chief Deputy Director, Financial Division of the Office of Ken Burke, Clerk of Circuit Court and Comptroller are each authorized to execute and deliver all additional documents, certificates and instruments, on behalf of the Issuer, which are necessary or desirable in connection with the

issuance of the Series 2021B Note and which are not inconsistent with the terms and provisions of this Resolution or the Original Instrument.

(B) The Series 2021B Note, entitled to the benefit, protection and security of this Resolution and the Original Instrument is hereby authorized to be issued in the aggregate principal amount of not to exceed \$5,500,000. The final maturity for the Series 2021B Note shall be no later than October 1, 2032.

(C) All of the covenants contained in the Original Instrument shall be applicable to the Series 2021B Note in the same manner and to the same extent as they apply to the Parity Bonds. Because of the characteristics of the Series 2021B Note, prevailing market conditions, and additional savings to be realized from an expeditious sale of the Series 2021B Note, it is in the best interest of the Issuer to accept the offer of the Bank to purchase the Series 2021B Note at a private negotiated sale. Prior to the issuance of the Series 2021B Note, the Issuer shall receive from the Bank a Bank's certificate, the form of which is attached hereto as Exhibit C and the Disclosure Letter containing the information required by Section 218.385, Florida Statutes, a form of which is attached hereto as Exhibit D.

**Section 6:** *Description of Series 2021B Note.* The Series 2021B Note shall be dated the date of its delivery, which shall be a date agreed upon by the Issuer and the Bank, subject to the following terms:

(A) The Series 2021B Note shall have a fixed interest rate to be set forth in the form of the Series 2021B Note, calculated on a 30/360 day basis; provided, however, that such interest rate shall in no event exceed the parameter described in Section 10 hereof or the maximum interest rate permitted by the Act.

(B) While the Series 2021B Note remains Outstanding, upon the occurrence of a Determination of Taxability, then the Interest Rate shall be adjusted to the Taxable Rate, effective retroactively to the date on which the interest payable on the Series 2021B Note is includable for federal income tax purposes in the gross income of the Holder thereof. In addition, the Holder of the Series 2021B Note or any former Holders of the Series 2021B Note, as appropriate, shall be paid an amount equal to any additions to tax, interest and penalties, and any arrears in interest that are required to be paid to the United States of America by the Holder or former Holders of the Series 2021B Note as a result of such Determination of Taxability. All such additional interest, additions to tax, penalties and interest shall be paid by the Issuer within sixty (60) days following the Determination of Taxability and demand by the Holder.

In addition, the Holder of the Series 2021B Note or any former Holder of the Series 2021B Note, as appropriate, shall be paid an amount equal to any additions to tax, interest and penalties, and any arrears in interest that are required to be paid to the United States by the Holder or former Holders of the Series 2021B Note as a result of such Determination of Taxability. All such additional interest, additions to tax, penalties and interest shall be paid by

the Issuer within sixty (60) days following the Determination of Taxability and demand by the Holder. The obligation to pay such additional amounts shall be payable solely from the Pledged Funds.

(C) Interest on the Series 2021B Note shall be paid semi-annually, commencing April 1, 2021, and on each subsequent April 1 and October 1 thereafter until maturity.

Principal on the Series 2021B Note shall amortize on October 1 of the years and in the amounts to be set forth in Series 2021B Note; provided, however, the final maturity of the Series 2021B Note shall be no later than October 1, 2032.

(D) The Series 2021B Note shall be subject to optional redemption in whole or in part prior to maturity, provided, however, that upon any such early optional redemption the Issuer shall be responsible for the payment of the make-whole Prepayment Fee.

(E) The Series 2021B Note shall be issued originally in a single certificate and is authorized to be in the Authorized Denomination.

(F) The Series 2021B Note is to be in substantially the form set forth in Exhibit E attached hereto, together with such non-material changes as shall be approved by the Chairman, such approval to be conclusively evidenced by the execution thereof by the Chairman. The Series 2021B Note shall be executed on behalf of the Issuer with the manual or facsimile signature of the Chairman and the official seal of the Issuer, and be attested and countersigned with the manual or facsimile signature of the Clerk. In case any one or more of the officers who shall have signed or sealed the Series 2021B Note or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Series 2021B Note so signed and sealed has been actually sold and delivered, such Series 2021B Note may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2021B Note had not ceased to hold such office. The Series 2021B Note may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Series 2021B Note shall hold the proper office of the Issuer, although, at the date of such Series 2021B Note, such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Series 2021B Note shall be actually sold and delivered.

(G) Upon the failure of the Issuer to provide the necessary sums for the payment of the principal and/or interest on the Series 2021B Note as described in this Section 6, any due and unpaid principal and interest on the Series 2021B Note shall bear interest at the Default Rate from the date due until paid and collected.

**Section 7: Registration and Exchange of Series 2021B Note; Persons Treated as Holder.** The Series 2021B Note is initially registered to the Bank. So long as the Series 2021B Note shall remain unpaid, the Issuer will keep books for the registration and transfer of the Series 2021B Note. The Series 2021B Note shall be transferable only upon such registration books.

Notwithstanding anything herein to the contrary, the Series 2021B Note may only be transferred in whole and not be transferred in part under any circumstances.

The person in whose name the Series 2021B Note shall be registered shall be deemed and regarded as the absolute Holder thereof for all purposes, and payment of principal and interest on the Series 2021B Note shall be made only to or upon the written order of the Holder. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Series 2021B Note to the extent of the sum or sums so paid.

**Section 8: Application of Proceeds of Series 2021B Note.**

(A) In accordance with a Closing Memorandum prepared by the Financial Advisor (the "Closing Memorandum") at the time of the delivery of the Series 2021B Note, the Issuer is hereby authorized to apply the proceeds from the sale of the Series 2021B Note to: (i) pay the associated costs of issuance of the Series 2021B Note (including but not limited to legal and financial advisory fees and expenses); and (ii) defease and refund the Refunded Bonds as set forth in the Escrow Deposit Agreement. The Chairman of the Issuer or the County Administrator is hereby authorized and directed to sign the Closing Memorandum.

(B) Proceeds from the sale of the Series 2021B Note, including accrued interest and premium, if any, together with certain funds held in the funds and accounts securing the Refunded Bonds shall, simultaneously with the delivery of the Series 2021B Note to the Bank, be applied by the Issuer in an amount which, together with investment earnings thereon, and together with any other legally available funds of the Issuer, will be equal to the Total Debt Service on the Refunded Bonds when due in accordance with the schedules to be attached to the Escrow Deposit Agreement. Such funds shall be transferred to the Escrow Holder for deposit into the Escrow Account created and established pursuant to the Escrow Deposit Agreement. Such funds shall be used and applied pursuant to and in the manner described in such Escrow Deposit Agreement to pay principal and interest on the Refunded Bonds and any costs with respect thereto.

**Section 9: Award of Series 2021B Note.** Notwithstanding anything herein to the contrary, the award of the Series 2021B Note to the Bank is subject to satisfaction of the following parameters: (i) the aggregate principal amount of the Series 2021B Note shall not exceed \$5,500,000, the fixed interest rate on the Series 2021B Note shall not exceed 3.00%, the final maturity date for the Series 2021B Note shall not be later than October 1, 2032, and (ii) there shall be demonstrated net present value savings as a result of this refunding transaction not less

than 3.00% of the par amount of the Refunded Bonds which are being refunded with proceeds of the Series 2021B Note.

**Section 10:** *This Instrument to Constitute Contract.* Upon and in consideration of the acceptance of the Series 2021B Note by the Bank, this Resolution, together with the Original Instrument, shall be deemed to be and shall constitute a contract between the Issuer and the Series 2021B Noteholder, as the case may be. The covenants and agreements set forth in the Original Instrument to be performed by the Issuer shall be for the equal benefit, protection and security of the Holders of the Series 2021B Note, the Parity Bonds and any Additional Bonds issued in the future pursuant to the Original Instrument and the terms thereof shall be of equal rank, without preference, priority or distinction over any other thereof, except as expressly provided in the Original Instrument.

**Section 11:** *Tax Covenant.* The Issuer covenants to the Holders of Series 2021B Note provided for in this Resolution that the Issuer will not make any use of the proceeds of the Series 2021B Note at any time during the term of the Series 2021B Note which, if such use had been reasonably expected on the date the Series 2021B Note were issued, would have caused such Series 2021B Note to be "arbitrage bonds" within the meaning of the Code. The Issuer will comply with the requirements of the Code and any valid and applicable rules and regulations promulgated thereunder necessary to ensure the exclusion of interest on the Series 2021B Note from the gross income of the Holders thereof for purposes of federal income taxation.

**Section 12:** *Business Days.* In any case where the due date of interest on or principal of the Series 2021B Note is not a Business Day, then payment of such principal or interest need not be made on such date but may be made on the next succeeding Business Day, provided that credit for payments made shall not be given until the payment is actually received by the Holder.

**Section 13:** *Registrar and Paying Agent; Escrow Holder and Verification Agent.* The Clerk is hereby appointed as Registrar and Paying Agent under the Original Instrument, to serve as Registrar and Paying Agent for the Series 2021B Note. The Bank of New York Trust Co., N.A. is hereby appointed as Escrow Holder and Robert Thomas CPA, LLC is here appointed as Verification Agent.

"Reserve Fund Requirement" shall mean an amount to be established for a Series of Bonds in a Supplemental Resolution authorizing such Series of Bonds, which may provide for the Reserve Fund Requirement to be set at zero (\$0.00.) or, subject to compliance with the Code (unless such Series of Bonds are issued as Taxable Bonds), any other amount.

**Section 18:** Financial Information. The Issuer shall provide the Bank with such financial information regarding the Issuer as the Bank may reasonably request. ### FORM OF BANK'S CERTIFICATE

This is to certify that JPMorgan Chase Bank, N.A. (the "Bank") has not required Pinellas County, Florida (the "Issuer") to deliver any offering document and has conducted its own investigation, to the extent it deems satisfactory or sufficient, into matters relating to business affairs or conditions (either financial or otherwise) of the Issuer in connection with the issuance of the \$\_\_\_\_\_ Pinellas County, Florida Sewer Revenue Refunding Note, Series 2021B (the "Series 2021B Note"), and no inference should be drawn that the Bank, in the acceptance of the Series 2021B Note, is relying on Bryant Miller Olive P.A., Bond Counsel, or the Office of the County Attorney, as to any such matters other than the legal opinions rendered by Bond Counsel and by the Office of the County Attorney. Any capitalized undefined terms used herein not otherwise defined shall have the meaning set forth in Resolution No. 93-292 adopted by the County Commission of the Issuer on October 5, 1993, as amended and supplemented from time to time, and as particularly amended and supplemented by Resolution No. 93-322 adopted by the County Commission of the Issuer on October 26, 1993, Resolution No. 94-77 adopted by the County Commission of the Issuer on March 15, 1994, Resolution No. 06-201 adopted by the County Commission of the Issuer on October 24, 2006, Resolution No. 08-109 adopted by the County Commission of the Issuer on July 1, 2008, Resolution No. 2011-56 adopted by the County Commission on July 12, 2011, Resolution No. 2012-35 adopted by the County Commission on May 22, 2012, Resolution No. 15-71 adopted by the County Commission of the Issuer on August 4, 2015, Resolution 21-\_\_\_\_ adopted by the County Commission of the Issuer of January 12, 2021 and as particularly supplemented by Resolution 21-\_\_\_\_ adopted by the County Commission of the Issuer of January 12, 2021 (collectively, the "Resolution").

We are aware that investment in the Series 2021B Note involves various risks, that the Series 2021B Note is not a general obligation of the Issuer or payable from ad valorem tax revenues, and that the payment of the Series 2021B Note is secured solely from the sources described in the Resolution (the "Note Security").

We have made such independent investigation of the Series 2021B Note Security as we, in the exercise of sound business judgment, consider to be appropriate under the circumstances. In making our investment decision, we have relied upon the accuracy of information which has been provided to us by the Issuer.

We have knowledge and experience in financial and business matters and are capable of evaluating the merits and risks of our investment in the Series 2021B Note and can bear the economic risk of our investment in the Series 2021B Note.

We acknowledge and understand that the Resolution is not being qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"), and is not being registered in reliance

upon the exemption from registration under Section 3(a)(2) of the Securities Act of 1933, and Section 517.051(1), Florida Statutes, and that neither the County, Bond Counsel nor the Office of the County Attorney shall have any obligation to effect any such registration or qualification.

We are not acting as a broker or other intermediary, and are purchasing the Series 2021B Note as an investment for our own account and not with a present view to a resale or other distribution to the public. We understand that the Series 2021B Note may not be transferred in a denomination less than an Authorized Denomination in any circumstances.

The Bank is a "qualified institutional buyer" as defined under Rule 144A promulgated by the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended.
