Dear Joe,

SVdP CARES was awarded County CDBG funding for the remodel of the Shelter restrooms in the amount of \$ 184,165 the accepted bid is for \$ 267,785.46 , the difference being \$ 83,620.46.

We have applied to Pinellas Community Foundation for the \$ 83,620.46- We anticipate hearing back from them sometime in January.

We are requesting from Pinellas County the \$ 83,620.46 to cover the cost not funded by the original award- in the case that we are awarded funding by Community Foundation we will use those funds to cover the difference .

Sincerely,

Jana Balicki
