3. **Termination for Breach-Non-performance:** The Court may terminate this contract for the Contractor's non-performance upon no less than a twenty-four (24) hour notice in writing to the Contractor. Waiver of breach of any provision of this contract is not a waiver of any other breach and is not a modification of the terms and conditions of this contract. None of the provisions of this contract limit the Court's right to remedies at law or in equity. The Court will provide notice of such termination to the County.
4. **Termination for Breach-Unsatisfactory Performance:** The Court may terminate this contract if the Contractor fails to meet quality standards set forth in this contract, perform any contractual term, condition or obligation, or perform in a manner satisfactory to the Court. PART 3 — WORK REQUIREMENTS

A. Budget and Invoicing Procedures

1. The Court will develop an annual budget each year for the provision of treatment provider services. The budget must be established before any Legislative Funds are disbursed under this Agreement. Proposed changes to the approved budget must be approved by the Court prior to expenditures being reported and reimbursed by the Court. All service providers are required to report the amount of participant fees or co-pays collected with the total number of participants who have paid such fees or co-pays on a quarterly or monthly basis, to be provided to the Court when requested.

2. Contingent upon the receipt of Legislative Funds by the Court, the County will pay all treatment providers administering services to offenders in the Drug Court Expansion Program prior to reporting the expenditures to the Court for reimbursement. The County will submit monthly invoices to the Sixth Judicial Circuit's Trial Courts Administrator or her designee for review. Invoices will be submitted by the 15th day of the following month for services provided and program expenditures paid by the County for which reimbursement is requested. Invoices shall be submitted to the following address: Sixth Judicial Circuit Administration, 14250 49th Street N., Suite J4410, Clearwater, Florida 33762. Final invoices for expenses incurred in each state fiscal year (ending June 30 each year) must be received no later than 30 days after the termination date of the end of the state fiscal year.

3. Monthly invoices must include record of payment with payment date and check number, and a record of type of service or expense claimed, including an invoice with the number of units, cost per unit, total cost, and number of clients served, if applicable. Salaries and benefits claimed must include a payroll

record with the number of hours paid, hourly rate, copies of all timesheets, and the number of clients served by each employee, if applicable.

4. Monthly invoices will be reviewed by the Trial Courts Administrator or her designee for reimbursement from the Legislative Funds in accordance with section 215.422, Florida Statutes. Only those expenditures included in the approved budget, less any financial consequence adjustments, will be reimbursed. The Court will not reimburse the County for any services rendered prior to the execution date or after the termination date of this Agreement.

5. The County will provide the Court with additional reports for auditing purposes as requested and will comply with the provisions of the Florida Single Audit Act, section 215.97, Florida Statutes, if applicable.

6. From the Legislative Funds, the Court will reimburse the County for payment of services provided to the offenders in the Drug Court Expansion Program, less any financial consequence adjustments, during the term of this Agreement, including expenditures for personnel in the County's Office of Human Services for administration of the Legislative Funds. The total amount of reimbursement for treatment services and personnel expenditures during the first year of the contract period shall not exceed \$454,328, and is contingent on the availability of funds appropriated by the Florida Legislature and the Court's approval of a budget. The Parties agree that the provision of these funds by the Court to the County is intended solely to provide the County with resources to fund treatment providers for the Drug Court Expansion Program and it will not give the Court any role in the County's contractual relationships with treatment providers. The Court will continue to determine offender eligibility in accordance with state law. Under the funding partnership:

7. In the event that State funds are withheld from the County for previously paid invoices, and reimbursement or withholding is not able to occur from the service provider, the Court agrees to reimburse the difference from Pinellas County appropriated general fund dollars for Division N to ensure budget neutrality.

B. Performance Accountability Measures Form

1. Pinellas County will provide each month, based on information obtained from the Providers, a completed Performance Accountability Measures (PAM) form, attached to this Agreement as Attachment C, and all supporting documentation required by the PAM form.

2. Documentation required by the PAM form that does not change from month to month, such as Provider licenses, will reside in the contract manager's office and does not need to be resubmitted each month.

3. The PAM form will be submitted each month by the 15th day of the following month along with the invoices to the following address: Sixth Judicial Circuit Administration, 14250 49th Street North, Suite J4410, Clearwater, Florida 33762.

4. If the PAM form is not delivered with the invoice, the invoice will not be accepted or paid until both the invoice and PAM form are received.

C. Corrective Action

1. Should the Court identify any deficiency based on contract requirements, which the Court, in its sole discretion, deems to be of significant magnitude, the Court may notify the Contractor of the deficiency and of the need to submit a corrective action plan (CAP).

2. Upon such notification, the Contractor shall submit a formal written CAP within ten (10) business days of the date of the letter from the Court requiring submission of a CAP. The CAP shall be sent to the Contract Manager for review approval determination.

3. The Court shall notify the Contractor in writing of the acceptance or unacceptability of the CAP within five (5) business days of receipt of the CAP. If the CAP is unacceptable, the Court shall provide a written statement identifying in reasonable detail, why OSCA believes the CAP will not result in correction of the cited deficiencies. The Contractor shall have five (5) business days from receipt of the rejection letter to submit a revised CAP or letter of explanation.

4. Upon acceptance of the CAP, the Contractor shall have, at the discretion of the Court, up to thirty (30) calendar days to implement and successfully complete the agreed upon CAP. Acceptance of the CAP by the Court does not guarantee the implementation will result in elimination of future deficiencies.

5. The CAP will remain in effect until all deficiencies are corrected. Updates on the status of the plan will be required as determined by the Court's Contract Manager.

6. The Contractor's failure to respond to a request for a CAP, provide an acceptable CAP, or meet the requirements set forth in the CAP may result in termination of the contract, pursuant to the termination provisions set forth in this contract. The Court reserves the right to exercise other remedies as permitted by law.

D. Financial Consequences for Corrective Action Plans

During the period of any corrective action plan, the Court will withhold 25% of the Contractor's invoices until such time as the CAP is complete and the deficiencies are cured. At the end of a successful CAP, the Court will release the withheld amounts to the Contractor. Failure to complete the CAP on time or to cure the deficiencies will result in a forfeiture of the withheld amounts.
