

Youth's First Name	Youth's Last Name	Youth's Age	Youth's Grade	City	Where you a member of Pinellas Youth Advisory Committee in the past?	Why do you want to join the Youth Advisory Committee?	What do you hope to gain from your experience in YAC (former prep, skills, knowledge, connections, etc.)	What are your career goals, extra-curricular activities, hobbies, or other interests you would like to explore? (Share in the form below or upload your resume in following question)	What year YAC made a service project based on or related to the committee? For example, mental health was identified as a huge issue facing the youth for two years, to YAC focused it's efforts on mental health from 2019-2021. What other issues?	What year YAC made a service project based on or related to the committee? For example, mental health was identified as a huge issue facing the youth for two years, to YAC focused it's efforts on mental health from 2019-2021. What other issues?
Judson	V	17	Senior	Saint Petersburg	Yes	I want to join YAC because of the opportunity it provides. It provides the opportunity to voice change in your community. This is a new opportunity as a kid, and when I see the opportunity I wanted to take advantage of. I hope to make the community that surrounds me better for the youth.	I hope to gain more skills and connections from the Youth Advisory Committee. The significance of YAC is that it gives the youth a voice in the community, but from a working perspective that I had to learn how to do. I wanted to be a part of the Youth Advisory Committee. Now I want to learn how to take my ideas and execute them into reality.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club. I have also been a member of the Florida State University's Young Professionals Club.	Workforce Preparation/Higher Education	Economic Security
Alexandra	G	17	Senior	Pinellas Park	No	I want to join the Youth Advisory Committee to better understand and influence positive change within my community while simultaneously developing leadership skills.	Throughout my time in YAC, I hope to gain professional relationships with the members, improve development and leadership skills, and further contribute to the community's betterment.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Civic Engagement/Public Service Education	Workforce Preparation/Higher Education
Sofia	O	15	Sophomore	Seminole	Yes	I want to join the Youth Advisory Committee because I was in it last year and I really enjoyed being able to connect to my community, learn about how the county is run, and meet other members of the community who have the same passion for community service.	This year I hope to gain skills and knowledge that can help me in the future. I also hope to meet other members of the community who have the same passion for community service. I also hope to learn about how the county is run, and meet other members of the community who have the same passion for community service.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Diversity, Equity, Inclusion	Environmental Issues/Climate Change
Philp	S	16	Junior	Saint Petersburg	Yes	I have been a member of the YAC for the past two years. I am interested in continuing to learn more about Pinellas County and what we can do to make our community better. I hope to continue to give my voice to the community and help make a difference in our community.	I hope to gain knowledge from YAC, specifically knowledge about the community I live in. I also hope to gain skills and connections that can help me in the future. I also hope to meet other members of the community who have the same passion for community service.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Environmental Issues/Climate Change	Mental Health
Leslie	B	16	Junior	Palm Harbor	Yes	I would like to be more involved in my county by being a part of this committee. I was part of YAC last year and enjoyed being able to do it. I'm hoping to be part of it again this year. I also like learning about government and how it works which something I learned more about while being in YAC.	I hope to learn more connections with people in different counties to be able to share information about what would be best for my future career. Although I already have a lot of connections, I hope to learn more about different careers and how they work. I also hope to learn more about government and how it works which something I learned more about while being in YAC.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Mental Health	Workforce Preparation/Higher Education
Naya	D	16	Junior	Palm Harbor	Yes	I would like to join YAC to continue contributing my experiences and opinions to help improve the quality of the underrepresented youth community within Pinellas County. The past 2 years in YAC have not only helped me learn about the community, but has also taught me a lot about our county and the things we individuals can do to help improve the environment. With this knowledge we can help create better opportunities for the youth in the future.	I hope to gain knowledge and the opportunity to be able to help others the best I can. I can't really help the county commissioners, so I hope to be a bigger impact on the community as a whole.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Diversity, Equity, Inclusion	Mental Health
Myah	T	16	Junior	Odessa	No	I want the opportunity to work with people in my community and be able to serve my community after all I have done for it. I think it would be a great way to demonstrate and express my leadership as a young woman making projects with impact and benefit for the public.	I hope to gain knowledge on how meetings are run and what subjects should be discussed. I also hope to gain insight on how to communicate and work with others in the community. I also hope to gain insight on how to communicate and work with others in the community.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Mental Health	Diversity, Equity, Inclusion
Vivienne	C	15	Senior	Tarpun Springs	Yes	I wanted to be YAC secretary last year. I want to return to the Youth Advisory Committee for the leadership opportunity to work as an active and leading role in the community. Membership with the YAC makes it easier to get involved in projects with impact and benefit for the public.	I hope to gain experience in organization and leadership. Serving as a member of the YAC is an excellent way to gain experience in organization and leadership. I also hope to gain experience in organization and leadership.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Workforce Preparation/Higher Education	Economic Security
Macklin	P	15	Sophomore	Palm Harbor	No	I would want to join the youth advisory committee because I am in the IB program and do not need volunteer hours. I believe it is very important to still get volunteer hours as something extra to do. I also like to help the community and make a difference in our community.	I hope to gain knowledge on how meetings are run and what subjects should be discussed. I also hope to gain insight on how to communicate and work with others in the community. I also hope to gain insight on how to communicate and work with others in the community.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Mental Health	Environmental Issues/Climate Change
Jacob	C	17	Senior	St. Pete	No	I want to join the youth advisory committee because I am passionate about helping out my community and want to take any opportunity I can to do that.	I hope to meet the needed individuals and gain a better understanding of what we can do to help our community.	I have had many leadership roles in many different clubs and extra-curriculars. These include: Student Government, Student Council, and various other organizations. I have also been a member of the Florida State University's Young Professionals Club, and I have been a member of the Florida State University's Young Professionals Club.	Environmental Issues/Climate Change	Civic Engagement/Public Service Education
Elizabeth	S	17	Senior	Clearwater	Yes	I have been a member of YAC for the past two years. I have really enjoyed working together with the members to make projects around our community that are important to us.	I hope to gain more leadership skills.
