

July 16, 2024

This is my 3rd appearance before you. I have also emailed Mr. Burton twice requesting he and I negotiate a contract. The contract will award me as a Whistle Blower and will be very simple to write.

OFFER

I, Ronald Walker will inform Pinellas County government of a vast source of revenue the county has failed to collect.

CONSIDERATION

Ronald Walker will receive a Whistle Blower award of 30% of all the funds Pinellas County collects as result of revealing the Whistle Blower revelation.

ACCEPTANCE

The authorized county employee will accept my offer.

After the contract is accepted, the Commission will vote to make it binding. Then we well meet and I'll inform. As a result of my information vast sums of money will be collected. I will be a hero, you will have served your constituents well, and the people of Pinellas County will be the beneficiaries. The statute of limitations is running. Let's do good together!
