Review & Comments

The OMB Grants Team has conducted a review of the **Public Works** intent to apply for the **Beach Management Funding Assistance Program** funded by **Florida Department of Environmental Protection (FDEP)**.

Project Scope of Work

This project is being undertaken in response to severe erosion along Pinellas County beaches. The proposed project will nourish and build dunes on portions of Long Key and complete permit required monitoring.

Benefit Summary

Resilient Infrastructure and Environment

4. Improve environmental quality
5. Strengthen resilience and adaptation

Healthy and Safe Communities

2. Enhance community safety

Prosperity and Opportunity

2. Provide and promote tourism opportunities.

Anticipated Impact to the County Budget

This is a **multi-year** grant potentially affecting **FY25 & FY26**. The application request is for \$722,162.50 with a \$722,162.50 cost share requirement.

Grant Review Comments

- If grant funding is awarded, the fiscal impact may be later in FY25 or FY26, and an analysis of the total project budget will be made at that time.
- The grant application will require Director approval for submission.
- The OMB Grants Team has no objection to submittal of this grant application.
