<b>Brief Description of Organization and It's Mission (approx. 600 characters) (Required)</b>	We oversee the greenspace, recreation areas, street lights, and other aspects of the community of Feather Sound
<b>Project Name (Required)</b>	Dog Park

<b>Requested Program Budget (Required)</b>	20,000
<b>Community Need: Describe the problem or need to be addressed by this project. (Required)</b>	Feather Sound residents have been asking for a dog park for many years. The closest dog parks are in St. Pete and Pinellas Park, and we have the space at the recreational area for small and big dog parks. Our board is in agreement on the need for a park and are requesting funding.
<b>Project Summary: Describe how the project will be fully implemented and how it will address the need or gap in the community. Identify and describe other funding sources, if any, for this project/program. (Required)</b>	By providing a dog park, we not only meet the need to provide a recreational area of our resident's dogs, but we also make better use of our recreation area at Feather Sound. In a 4 acre patch, we only have a soccer field currently being used. This is an excellent use of that space.
<b>Program Outcomes: Describe the time-line by which the project will be implemented including short-term and long-term results. (Required)</b>	We have bids from park contractors, and we have one bid that we are comfortable with and can move forward. Upon acceptance, the dog park will be built across a 45-day period.
<b>Describe how your project aligns with the County's Strategic Plan: (Required)</b>	This would be an excellent example of providing first class services to the public. The local municipalities all have dog parks, and Feather Sound as a part of Pinellas County does not have one. This provides a place for people who cannot afford a backyard or the costs of traveling to another municipality for a dog park the opportunity to have one in their community.
