State your background, including your education, work experience, civic or community organization memberships and positions, and any professional licenses or memberships, and explain how this applies to the function of the board, council or committee:	I have over 15 years of experience as a communications consultant and strategist. I've been a consultant for the Florida City and County Management Association, the Florida League of Cities and the Florida Association of Counties. I'm also President of a chamber. This brings an understanding of the natural workings of government boards and an understanding of the appropriate role of an advisory board.
