

OFFICE BUILDING LEASE

1. **PARTIES TO THE LEASE.** This Lease is made as of the date fully executed below, hereinafter referred to as the "Effective Date" by and between **NORTHSIDE SQUARE, LLC**, a Florida limited liability company, whose address for purposes hereof is 311 Park Place Blvd., Suite 600, Clearwater, Florida 33759, hereinafter called "Landlord", and **PINELLAS COUNTY**, a political subdivision of the State of Florida, whose address for purposes hereof is c/o Real Estate Management Department, Real Property Division, 509 East Avenue South, Clearwater, Florida 33756, hereinafter called "Tenant".

2. **LEASE OF PREMISES.** Landlord is the owner of Northside Square, an office building (the "Building"), containing approximately 50,385 square feet ("Gross Rentable Area of Building") situated on certain real estate commonly known as 29399 U.S. Hwy. 19 North, Clearwater, Florida 33761, further described in Exhibit "A", attached hereto and made a part hereof (the Building and real estate being hereinafter called "Property"). Landlord does hereby lease unto Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions hereinafter set forth, approximately 15,275 square feet, ("Tenant's Gross Rentable Area") of office space known and described as Suite 200 on the second floor of the Building (hereinafter referred to as "Premises"). Tenant's Allocated Share shall mean 30.32 percent, which is the sum obtained by multiplying by 100 the quotient obtained by dividing (i) Tenant's Gross Rentable Area by (ii) the Gross Rentable Area of Building.

3. **TERM.** Subject to and upon the conditions set forth herein, or in any exhibit or addendum hereto, this Lease shall continue in force for a term of five (5) years, commencing on the Possession Commencement Date, as defined in Paragraph 5, and ending sixty (60) months thereafter (hereinafter referred to as "Lease Term"), unless sooner terminated or extended to a later date under any term or provision of this Lease. In the event, the Possession Commencement Date occurs on a date other than the first day of a month, said Lease Term shall extend for said number of days as to make the effective date of the first lease year the first day of the following month and subsequently, each anniversary date thereafter (each an "Anniversary Date").

4. **CONDITION OF PREMISES.** No agreement to alter, remodel, decorate, clean or improve the Premises or the Building has been made between Landlord and Tenant other than Landlord shall reconfigure the Premises in accordance with the space plan as shown on Exhibit "B", attached hereto and made a part hereof, hereinafter referred to as "Space Plan" and improve the Premises in accordance with Exhibit "B-1", attached hereto and made a part hereof, hereinafter referred to as "Tenant Improvements". The target date for completion of the Tenant Improvements shall be September 1, 2016, subject to substantial completion of Tenant Improvements.

Any modification by Tenant to the Space Plan or Tenant Improvements which increases the construction costs in excess of the Budget Cap, attached as Exhibit "B-2" shall be paid

by Landlord and amortized as Additional Rent, over the term of the lease at a rate of five (5%) percent per annum.

If, for any reason, Tenant terminates this Lease, or Landlord terminates this Lease based on a Tenant default, prior to the end of the initial five (5) year Lease Term, Tenant is responsible to pay to Landlord the balance of the then unamortized portion of the Tenant Improvements, to include Landlord's unamortized contribution based upon on a five (5) year monthly amortization schedule at a rate of eight (8%) percent per annum.

5. POSSESSION AND RENTAL COMMENCEMENT DATE. Rent shall commence on the date the Premises are substantially completed with all facilities in operating order ("Possession Commencement Date"). Tenant agrees that it will, within ten (10) days following Tenant's receipt of a written request by Landlord, execute Exhibit "E", attached hereto and made a part hereof, hereinafter referred to as "Tenant's Acceptance Certificate". If there are any finishing touches remaining to be completed which do not materially interfere with the conduct of Tenant's business on the Premises, Tenant will accept delivery of Premises and allow Landlord to complete said finishing touches within 10 days of Landlord's receipt of the Acceptance Certificate accompanied by a list in writing of finishing touches remaining to be completed.

6. RENT. Tenant agrees to pay Landlord Full Service Rent for the Premises during the Lease Term, together with any Additional Rent, beginning on the Possession Commencement Date. If the Possession Commencement Date commences on a day other than the first (1st) day of a month, then the installment of Rent and any adjustments thereto shall be prorated, based on the number of days in such month, and thereafter Rent shall be paid on the first (1st) day of each successive month. Landlord agrees that the October payment during each Lease Year can be made as late as October 21st before said installment shall be deemed delinquent. All other payments due under this Lease may be deemed delinquent by Landlord if payment is received after the tenth (10th) of each month.

A. Initial Annual Rate. During the first Lease year, Tenant shall pay to Landlord Full Service Rent ("Rent") for the Premises an amount equal to \$20.15 per square foot per annum, plus Additional Rent as described in Paragraph 10.

B. Time and Place of Payment. The Rent shall be due and payable, in advance, on the first (1st) day of each calendar month during the Lease Term. Tenant shall pay the Rent to Landlord's address that appears in Paragraph 1 or to such other place as Landlord may hereinafter designate in writing. Tenant's covenant to pay Rent shall be independent of every other covenant contained in this Lease.

C. Tenant is tax exempt. If Tenant loses tax exempt status, Tenant shall pay, together with Rent and Additional Rent due under this Lease, an amount equal to all sales, use, excise and other taxes now, or hereinafter, imposed by

any lawful authority on all amounts due or required under this Lease and classified as Rent by any such authority.

7. **ADJUSTMENT OF RENTAL RATE.** Full Service Rent shall increase annually on each Anniversary Date by an amount equal to three percent (3%) of the Full Service Rent for the preceding Lease year as follows: Lease Year 2 - \$20.75/SF, Lease Year 3 - \$21.38/SF, Lease Year 4 - \$22.02/SF, Lease Year 5- \$22.68/SF.

8. **SECURITY DEPOSIT.** Intentionally deleted.

9. **RENEWAL OPTION.** Provided the Tenant is not in default of this Lease, Landlord agrees to extend the Lease up to three (3), one (1) year renewal terms (each an "Option Term"), upon written notification from Tenant to Landlord at least one hundred eighty (180) days prior to the expiration of the then current Lease Term. Full Service Rents during the Option Terms shall be as defined in Exhibit "C", attached hereto and made a part hereof.

10. **ADDITIONAL RENT.** All monetary obligations of Tenant to Landlord under this Lease, of any type or nature, other than Landlord Full Service Rent, shall be deemed Additional Rent. Landlord shall have the same rights and remedies with respect to defaults in the payment of Additional Rent as set forth in this Lease with respect to payment of Landlord Full Service Rent. The term "Rent" when used in this Lease shall be deemed to include Landlord Full Service Rent and all forms of Additional Rent.

Tenant shall pay to Landlord, as Additional Rent, (i) its Allocated Share of the increase in Expenses over the Base Expense Year 2016 in accordance with the terms and provisions of this Section, (ii) its Allocated Share of the increase in Real Estate Taxes over the Base Tax Year 2016 in accordance with the terms and provisions of this Section, and (iii) its Allocated Share of the increase in Insurance over the Base Insurance Year 2016 in accordance with the terms and provisions of this Section. Notwithstanding anything herein to the contrary, (i) Expenses for the Base Year shall reflect, if the rentable area of the Building is less than ninety-five percent (95%) occupied, all additional costs and expenses of operation, management and maintenance of the Building which Landlord reasonably determines that it would have paid or incurred during the Base Year if ninety-five percent (95%) of the rentable area of the Building was occupied; and (ii) Expenses for all other years shall reflect, if the rentable area of the Building is less than ninety-five percent (95%) occupied, all additional costs and expenses of operation, management and maintenance of the Building which Landlord reasonably determines that it would have paid or incurred during such year if ninety-five percent (95%) of the rentable area of the Building was occupied.

Expense Payment:

Landlord shall reasonably estimate the increase in Expenses over the Base Expense Year which will be payable for each calendar year during the Lease Term in advance and Tenant shall pay one-twelfth (1/12) of its share of such increase monthly in advance, together with the payment of Annual Base Rent. After the end of each calendar

year and after receipt by Landlord of all necessary information and computations, Landlord shall furnish Tenant a detailed statement of the actual increase in Expenses over the Base Year for the year; and an adjustment shall be made between Landlord and Tenant with payment to or repayment by Landlord, as the case may require, to the end that Landlord shall receive the entire amount actually owed by Tenant for Expenses for its share of the increase for such year and Tenant shall receive reimbursement for any overpayments. Any payment adjustment owed by Tenant will be due forthwith. Any refund will be credited against Tenant's monthly Rent obligations.

Tenant waives and releases any and all objections or claims relating to Expenses for any calendar year unless, within thirty (30) days after Landlord provides Tenant with the annual statement of the actual Expenses for the calendar year, Tenant provides Landlord with written notice that it disputes the accuracy of the statement or its appropriateness, which notice shall specify the particular respects in which the statement is allegedly inaccurate or inappropriate. If Tenant shall dispute the statement, then, pending the resolution of such dispute, Tenant shall pay the Additional Rent to Landlord in accordance with the disputed statement.

In no event shall the Annual Base Rent under this Lease be reduced by virtue of this section (except where a credit may be due Tenant pursuant to this section).

Upon the date of any expiration or termination of this Lease (except termination because of Tenant's default), whether such date is the date set forth in this Lease for the expiration of the Lease Term or any prior or subsequent date, a proportionate share of the Expenses for the year during which such expiration or termination occurs over the Base Year and increase in Real Estate Taxes for the year during which such expiration or termination occurs over the Base Year shall immediately become due and payable by Tenant to Landlord, if not previously billed and paid. Such proportionate share shall be based upon the number of days that this Lease shall have been in existence during such year. Notwithstanding any expiration or sooner termination of this Lease, Landlord shall, as soon as reasonably practicable, compute the Additional Rent due from Tenant, as aforesaid, which computations shall either be based on that year's actual figures or be an estimate based upon the most recent statements previously prepared by Landlord and furnished to Tenant under this section. If an estimate is used, then Landlord shall cause statements to be prepared on the basis of the year's actual figures promptly after they are available, and within ten (10) days after such statement or statements Landlord and Tenant shall make appropriate adjustments of any estimated payments previously made.

Any delay or failure of Landlord in billing for any Additional Rent under this section shall not constitute a waiver of or in any way impair the continuing obligation of Tenant to pay such Additional Rent. If any statement of Expenses should not be determined on a timely basis, Tenant shall continue to make payments at the rate in effect during the preceding period, and, promptly following such final determination by Landlord, there shall be an appropriate adjustment and payment by Tenant of all amounts on account of Expenses which would have been made if such Expenses had been timely determined. Similarly, if any statement of the increase in Real Estate Taxes over the Base Year should not be determined on a timely basis, Tenant shall continue to make payments

at the rate in effect during the preceding period, and promptly following such final determination by Landlord there shall be an appropriate adjustment and payment by Tenant of all amounts on account of the increase in Real Estate Taxes which would have been made if the increase in Real Estate Taxes had been timely determined. If any amount is owed Tenant pursuant to such final determination, then Tenant shall deduct such amount from the Annual Base Rent due hereunder for the month immediately following the month in which such final determination is made, provided, however, that if the Lease Term shall have expired in due course (and not because of a default by Tenant) on the date when such final determination is made, then Landlord shall promptly pay to Tenant all such amounts which are then due and owing.

Notwithstanding anything contained in this section to the contrary, in lieu of including certain utility charges or services in Expenses, Landlord may, at Landlord's sole option, bill Tenant and Tenant shall pay for such utilities or services in any one or a combination of the following manners: (i) direct charges for services provided for the exclusive benefit of the Premises which are subject to quantification; (ii) based on a formula which takes into account the relative intensity or quantity of use of utilities or services by Tenant and all other recipients of such utilities or services, as reasonably determined by Landlord; or (iii) pro rata based upon the proportion that the Rentable Area of the Premises bears to the total rentable area of the other premises occupied by other tenants which use the Premises within the Building which receive the applicable utilities or services. In addition, Landlord may, in lieu of including certain utility charges in Expenses, provide for direct delivery of such utility services to Tenant by the utility providers. In such event, all costs and expenses incurred in connection with provision of such utility services directly to tenants, including all costs associated with the provision of separate meters to the premises, shall be includable in Expenses or paid by Tenant and the other tenants receiving such meters in amounts as reasonably allocated by Landlord, and, after such direct provision of utility services has been effected, the applicable utility charges for ongoing service shall not be included in Expenses.

G. Increases in the Controllable Operating Expense portion of the Operating Expenses for the Building shall not exceed five percent (5%) per calendar year compounded annually on a cumulative basis during the Lease Term. Controllable Operating Expenses are defined as all Building operating expenses except real estate taxes, building insurance and utilities (including electric, water, and sewer). Increases in the Non-Controllable Operating Expense portion of the Operating Expenses for the Building shall not exceed eighteen percent (18%) per calendar year compounded annually on a cumulative basis during the Lease Term. Non-Controllable Operating Expenses are defined as real estate taxes, building insurance and utilities (including electric, water, and sewer).

11. ALTERATIONS & IMPROVEMENTS TO PREMISES. Tenant shall not, without prior written consent of Landlord, make any alterations, improvements, additions, or installations, or perform any decorating, painting or other similar work in or about the Premises.

12. LANDLORD AND TENANT RESPONSIBILITIES. As a condition of this full service Lease, the Landlord is responsible for the cost and operation, management,

maintenance, repair and replacement of the Premises, land and Building of which the Premises constitutes a part. Landlord shall keep common areas free of all graffiti, trash, rubbish, pests and similar debris and maintain the same in a clean, neat, orderly and sanitary condition at all times. In connection with the operation of the Premises, land and Building of which the Premises constitutes a part, the Landlord hereby covenants, throughout the Lease Term, to pay and discharge before delinquency thereof and before penalties shall accrue thereon: any real estate taxes, including ad valorem taxes, intangible taxes, and any special or otherwise assessments levied against the Premises, including improvements thereof; expenses associated with utilities (including, but not limited to electricity, gas, water, sewer and outside garbage collection/recycling services); salaries, or other compensation for maintenance, management personnel, and all other employees or agents of Landlord rendering services; cost of all supplies and equipment used in connection therewith; and premiums and other charges incurred by Landlord in connection with insurance for fire and extended coverage, public liability, workmen's compensation, and any other policies of insurance maintained in respect of the land or Building of which the Premises constitutes a part.

Landlord shall not be liable for damages or abatement of rent, or otherwise, for failure to furnish or delay in furnishing power, electric, heat, air conditioning or water when such failure to furnish or delay in furnishing is caused, in whole or in part, by the need for repairs, a strike or labor controversy, the inability to secure fuel for the Building, any accident or casualty, unauthorized act or default by other tenants, Tenant, or employees of Landlord, or any cause beyond reasonable control of Landlord. Landlord shall not be liable for injury to persons or property caused by any defects in the power, electric, heating, air conditioning and water unless injury or damages to property result from Landlord's negligence.

Throughout the Lease Term, Landlord shall, at its sole cost and expense, maintain in reasonably good condition, order, and repair, the structural portions of the Premise and Building, including the foundation, floors, roof, and supporting walls and the common areas of the Building and the exterior of Premises, including appurtenant grounds, site drainage, sidewalks, signs, parking areas, electrical and lighting fixtures, sewer and/or septic systems and plumbing, including main water and sewer piping, exterior doors and locks, windows, windows' hardware.

Landlord shall, at its sole cost and expense, maintain the interior of the Premises in reasonably good condition, order, and repair throughout the Lease Term, ordinary wear and tear excepted; provided that Tenant shall remain liable for any damage or destruction to the Premises caused or occasioned by the gross negligence or willful misconduct of Tenant, its agents, employees or invitees. Such maintenance obligation of Landlord as set forth in this Paragraph shall include, but not be limited to, janitorial service for the Premises and common areas of the Building, reasonable preventative maintenance and all necessary repairs and replacement of the heating, ventilation and air conditioning (HVAC), excluding any supplemental HVAC or mechanical systems installed for Tenant's exclusive use, plumbing and electrical systems, doors, door frames, locks, panic hardware, walls, ceilings, ceiling tiles, floors, windows, window frames, glass, lighting fixtures, and ensure

compliance with any and all life safety code requirements, unless due to the negligence or intentional wrongful acts of Tenant. Tenant shall not commit or allow to be committed any waste on any portion of the Premises.

Notwithstanding the provisions of this Paragraph, Tenant shall immediately give Landlord written notice of any defects or need for repairs in Premises known to Tenant, whether Landlord is obligated to make such repair or not. Reasonable written notice to Landlord, specifying the repairs to be made, constitutes an absolute condition precedent to Landlord's duty of repair. However, Landlord shall not be required to make any such repairs where same are caused or occasioned by the gross negligence or willful misconduct of Tenant, its agents, employees or invitees. If Tenant neglects or refuses promptly to make any repairs or perform any maintenance required by this Paragraph, Landlord may, at its option, perform the same on Tenant's behalf, and Tenant shall reimburse Landlord for all costs and expenses incurred within thirty (30) days of demand in the form of a detailed invoice.

Landlord or his agent shall have sufficient time to commence correction of any deficiencies after notice by Tenant.

All property of any kind that may be on the Premises during the continuance of this Lease shall be at the sole risk of the Tenant, except that Landlord shall be liable for damage to Tenant's property caused by failure of Landlord to adequately perform any of Landlord's duties specified herein. Tenant waives any right of offset or abatement of Rent or self-help, nor shall Tenant have the right terminate this Lease based on any alleged failure of Landlord to make repairs.

Tenant, at all times, shall maintain the interior of the Premises in a clean and orderly condition and free from all debris. Tenant is responsible, at its sole cost and expense to provide pest control inside the Premises. Tenant shall, at its sole cost and expense install and maintain all telephone, internet, television and security systems, if any. Tenant shall use and operate in a reasonable and safe manner all electrical, heating, ventilating, air-conditioning, and other fixtures, equipment and appliances appurtenant to or serving the Premises.

Landlord shall furnish air conditioning and heating in season from 7:30 A.M. to 6:30 P.M. Monday through Friday and 8:00 A.M. to 12:00 P.M. on Saturdays, Legal Holidays excluded ("Normal Business Hours"). At other times, air conditioning and heating will be furnished at a building standard charge, which is currently **\$35.00 per hour, plus sales tax** (payable by Tenant to Landlord on written demand by Landlord), and on building standard terms relating to advance notice, minimum hours, minimum zones, and other matters, subject to increases commensurate with the Duke Energy power rate to the Building. Access to the Premises shall be twenty four (24) hours per day, seven (7) days per week.

As long as Tenant is entitled to possession of the Premises, Tenant shall conform to the Rules and Regulations attached as **Exhibit "D"** to this Lease and all other rules and

regulations promulgated by Landlord regarding the use of the Building of which Tenant is given written notice.

13. USE OF PREMISES. Unless other uses are specifically stated and authorized herein, the Premises shall be used and occupied by Tenant solely for the purpose of general office space. The Premises shall not be occupied or used for any illegal purpose, nor in violation of any valid regulation of any governmental body, nor in any manner which would injure the reputation of the Building, nor in any manner to create any nuisance or trespass, nor in any manner to invalidate or to increase the premium rate for any policy of insurance carried on the Building, or covering its operation, or to violate the terms thereof.

14. QUIET ENJOYMENT. If Tenant shall pay the Rent reserved herein and other amounts to be paid by Tenant to Landlord, and well and faithfully keep, perform and reserve all the covenants, agreements and conditions herein stipulated to be kept, performed and observed by Tenant, Tenant shall at all times during the Lease Term have the peaceful and quiet enjoyment of said Premises without hindrance of Landlord, or any person lawfully claiming under Landlord, subject, however, to the terms of this Lease and any mortgage provided for herein.

15. ASSIGNMENT AND SUB-LETTING. Tenant may not, without the prior written consent of Landlord, assign this Lease or any interest thereunder, or sublet the Premises or any part thereof, or permit the use of the Premises by any party other than Tenant. Consent to one assignment or sublease shall not destroy or waive this provision and all other assignments and subleases shall likewise be made only upon prior written consent of Landlord. Subtenants or assignees shall become liable to Landlord for all obligations of Tenant hereunder without relieving Tenant's liability therefore. No such assignment or sublease shall be terminated, canceled, surrendered, modified or otherwise affected in any way to the detriment of any of Landlord's rights, without written consent of Landlord. No such assignment or sublease shall terminate or be terminated by reason of the termination of this Lease unless the sub-lessee shall be given notice by Landlord of such termination.

16. PROPERTY OF TENANT. Tenant may (if not in default hereunder) prior to the expiration of the Lease, or any extension thereof, remove all personal property which it has placed in the Premises, provided Tenant repairs all damages to the Premises caused by such removal.

17. DAMAGE OR THEFT OF PERSONAL PROPERTY. Tenant agrees that all personal property brought into the Premises shall be at the risk of Tenant only, and Landlord shall not be liable for theft thereof or any damage thereto occasioned by any acts of any tenants, other occupants of the Building or any other person.

18. WAIVER OF CLAIMS AND INDEMNITY. Landlord is responsible for all personal injury and property damage attributable to the negligent acts or omissions of Landlord and the officers and employees thereof or individuals authorized to act on behalf of Landlord. The Tenant is responsible for the safety of its own invitees, licensees, or

participants in their programs in case of accidental injury, except as noted above. Nothing herein shall be construed as an indemnity or waiver of sovereign immunity enjoyed by either Party hereto, as provided in Section 768.28, Florida Statutes, as amended, or any other law providing limitations on claims.

19. NO ESTATE IN LAND. This Lease shall create the relationship of landlord and tenant between Landlord and Tenant; no estate shall pass out of Landlord; and Tenant has only a temporary right of use, which is not subject to levy and sale.

20. GOVERNMENTAL REQUIREMENTS. Tenant agrees, at its own expense, to promptly comply with all requirements of any legally constituted public authority necessitated by reason of Tenant's occupancy of said Premises.

21. HOLDING OVER. If Tenant retains possession of the Premises, or any part thereof, after the termination of this Lease by lapse of time or otherwise, Tenant shall pay to Landlord the monthly installments of Rent, at one and one half times the rate payable for the month immediately preceding said holding over, computed on a per-month basis, for each month or part thereof (without reduction for any such partial month) that Tenant thus remains in possession, and, in addition thereto, Tenant shall pay to Landlord all direct and consequential damages sustained by reason of Tenant's retention of possession. Alternatively, at the election of Landlord expressed in a written notice to Tenant and not, such retention of possession by Tenant shall constitute a renewal of this Lease on all the same terms and conditions contained herein for a period of one year. The provisions of this Paragraph shall not be deemed to limit or exclude any of Landlord's rights or re-entry to any other right granted to Landlord hereunder or under law.

22. EMINENT DOMAIN.

A. In the event the whole or any substantial part of the Building or the Premises shall be taken or condemned by any competent authority for any public or quasi-public use or purpose, this Lease shall terminate as of the date of the taking of possession or by the condemning authority, and Rent shall be apportioned as of said date.

B. In the event less than a substantial part of the Building or the Premises shall be taken or condemned for any public or quasi-public use or purpose, or if any adjacent property or street shall be condemned or improved in such manner as to require the use of any part of the Premises or of the Building, then at the election of Landlord expressed by delivery of written notice to Tenant within ninety (90) days after said date of taking, condemnation or improvements, this Lease shall terminate as of said date without any payment to Tenant therefore.

C. Landlord shall be entitled to receive the entire award from any taking or condemnation without any payment to Tenant, and Tenant hereby assigns to Landlord Tenant's interests, if any, in such award; provided, however, Tenant shall be entitled to receive any award or portion of any award specifically designated as being compensation

for Tenant's movable trade fixtures and the compensation to which Tenant shall be allowed by Florida Statute for the sole purpose of relocating its business.

23. DAMAGE BY FIRE OR OTHER CASUALTY.

A. If the Building or the Premises are made substantially untenable by fire or other casualty, Landlord may elect either to:

(i). Terminate this Lease as of the date of such fire or other casualty by delivery of notice of termination to Tenant within thirty (30) days after said date; or

(ii). Without termination of this Lease, proceed with due diligence to repair, restore or rehabilitate the Building or the Premises, other than leasehold improvements paid for by Tenant, at Landlord's expense.

B. If the Premises or the Building are damaged by fire or other casualty, but are not made substantially untenable, then Landlord shall proceed with due diligence to repair and restore the Building or the Premises, other than leasehold improvements paid for by Tenant.

C. If all or any part of the Premises are rendered substantially untenable by fire or other casualty and this Lease is not terminated, Rent shall abate for all or said part of the Premises which are tenantable, on a per diem basis from and after the date of the fire or other casualty and until the Premises are repaired and restored.

24. RIGHTS OF RECOVERY. Landlord and Tenant agree to have all fire and extended coverage and material damage insurance which may be carried with respect to the Premises or to the property located therein endorsed with a clause substantially as follows: "This insurance shall not be invalidated should the insured waive in writing prior to a loss any or all rights of recovery against any Party for loss occurring to the property described herein." Landlord and Tenant hereby waive all claims for recovery from each other for any loss or damage to them or to any of their property insured under valid and collectible insurance policies to the extent of the proceeds collected under such insurance policies.

25. ENTRY BY LANDLORD. Landlord may enter the Premises at reasonable hours to exhibit the same to prospective purchasers or tenants, to inspect the Premises to see that the Tenant is complying with all its obligations desirable by Landlord under the terms hereof or necessary to Landlord's adjoining property. The Landlord shall also be allowed to take any and all needed materials and equipment that may be required to make repairs, into and through the Premises without being liable to Tenant in any manner whatsoever. Such repairs shall not unduly interfere with Tenant's business except as is naturally necessitated by the nature of the repairs being affected. During the time such work is being done in or about the Premises, the Rent provided herein shall in no way abate, and Tenant waives any claim and cause of action against Landlord for damages by reason of interruption to Tenant's business or loss of profits therefrom. Landlord shall use its best

efforts to notify Tenant within 24 to 48 hours of Landlord's intent to enter Premises. However, in the event of emergency, Tenant waives its rights to prior notification.

26. MORTGAGEE'S RIGHTS AND SUBORDINATION. Landlord reserves the right to sell, assign, transfer, mortgage or convey any and all rights it may have in the Building, the Premises or this Lease, and to subject this Lease to the lien of any mortgage now or hereafter placed upon the Building or the Premises. However, the subordination of this Lease to any mortgage hereafter placed upon the Building or the Premises, shall be upon the express condition that this Lease is recognized by Landlord's mortgagee and that the rights of Tenant hereunder shall remain in force despite any default in performance of Landlord, or foreclosure proceedings with respect to any such mortgage, provided Tenant is not in default of any of its obligations hereunder. Upon the request of Landlord and within ten (10) days thereof, Tenant shall execute any and all instruments deemed by Landlord as necessary or advisable to subject and subordinate this Lease, and the rights given Tenant by this Lease, to such mortgages as described above. Any sale by Landlord of the Building or Landlord's interest under this Lease shall release and discharge Landlord from any and all further obligations under this Lease provided that the purchaser of the Building or Landlord's interest recognizes this Lease and the rights of Tenant herein.

27. SIGNS. Tenant shall not erect, install, maintain, or display any signs, lettering, canopies, awnings, or advertising on the exterior of the Premises, the interior or exterior of the Building, or the lands of which the Premises and the Building constitute a part, without the prior written consent of Landlord. In the event such consent of Landlord is obtained, Tenant, at its sole cost and expense, shall maintain the same in good condition and repair at all times during the Lease Term. Upon the termination of this Lease, Tenant agrees to remove all signs, lettering, canopies, awnings, advertising, and other personal insignia and to repair any and all damage caused to the Premises, the Building, or the lands of which the Premises and the Building constitute a part, by reason of such removal.

28. NOTICES. Any written notice required or allowed by this Lease to be given between Landlord and Tenant shall be deemed properly delivered when mailed by certified or registered mail, return receipt requested, postage prepaid and deposited in the United States mail to either Party at the address that appears in Paragraph 1 hereinabove.

29. DEFAULT. The parties covenant and agree that if Tenant fails to pay any installment of rent or Tenant fails to pay any other amount payable under this Lease within ten (10) days of due date then Tenant shall be in default of this Lease. If Tenant violates any of the covenants of this Lease, the Landlord shall provide written notice to the Tenant of the default and Tenant will have ten (10) days from receipt of notice to correct said default.

Landlord shall be in default under this Lease if Landlord has not commenced and pursued with reasonable diligence the cure of any failure of Landlord to meet its obligations under this Lease within thirty (30) days of the receipt of written notice from Tenant. This grace period shall be extended if the default is of a nature that it cannot be completely cured within the thirty (30) day period solely as a result of non-financial circumstances outside

of Landlord's control, provided that Landlord has promptly commenced all appropriate actions to cure the default within the thirty (30) day period and such actions are thereafter diligently and continuously pursued by Landlord in good faith. In no event, however, shall the grace period exceed a total of ninety (90) days.

If the defaulting Party fails to correct default, the other Party shall be entitled to any and all remedies available in law and equity.

30. DEFAULT BY REASON OF BANKRUPTCY. It is agreed between the Parties hereto that if Tenant shall become a debtor, or seek the entry of an order for relief under the Federal Bankruptcy Code, or become insolvent, or unable to pay its debts as they mature, or take the benefit of any insolvency law, or if Tenant's leasehold interest under this Lease shall be sold under any execution or process of law, or if a trustee in bankruptcy or a receiver be appointed or elected or had for Tenant (whether under federal or state laws), or if said Premises shall be abandoned or deserted while the Rent is in arrears, or in the event Tenant is in default of any obligations hereunder, then and in any such event, at Landlord's option and ten (10) days after Landlord has given tenant written notice of such act, conditions or default, the said Landlord may:

A. Terminate this Lease; or

B. Landlord may re-enter and retake possession for the benefit of Tenant and may relet the Premises for the benefit of Tenant and may proceed to collect any deficiency for Rent without thereby waiving Landlord's right to bring any action; or

C. Landlord shall have the option of declaring the balance of the entire Rent plus Additional Rent for the entire Lease Term to be immediately due and payable.

Nothing contained hereinabove shall impair or affect Landlord's right to maintain summary proceedings provided for by law. If this Lease shall be terminated, Landlord may immediately or at any time thereafter re-enter or repossess the Premises and remove all persons and property in a commercially reasonable manner therefrom without being liable for trespass or damages.

Landlord may elect to accept Rent from such receiver, trustee, or other judicial officer during the term of their occupancy in their fiduciary capacity without affecting Landlord's rights as contained in this Lease, but no receiver, trustee, or other judicial officer shall ever have any right, title or interest in or to the above described property by virtue of this Lease.

All rights and remedies of Landlord hereunder shall be cumulative and in addition to all rights and remedies provided by applicable law.

The aforementioned written notice shall satisfy the notice requirement of Section 83.20, Florida Statutes.

31. FISCAL FUNDING. In the event funds are not appropriated by Pinellas County Government, as Tenant in any succeeding fiscal year for purposes described herein, then this Lease shall be deemed to terminate at the expiration of the last fiscal year for which funds were appropriated and expended. Upon termination, Additional Rent as defined in paragraph 10 shall be due in full.

32. SURRENDER OF PREMISES. Upon termination of this Lease, whether by lapse of time or otherwise, or upon any termination of Tenant's right to possession of the Premises without termination of the Lease, Tenant shall surrender and vacate the Premises immediately and deliver possession thereof to Landlord in a clean, good and tenable condition, ordinary wear excepted. Upon any termination which occurs other than by reason of Tenant's default, Tenant shall be entitled to remove from the Premises all furnishings, equipment, and records, provided that Tenant shall repair all damage resulting from such removal and shall restore the Premises to a tenable condition. Landlord reserves the right to exclude from the Building at all times other than the Normal Business Hours all persons who do not present a pass to the Building on a form or card approved by Landlord. Tenant shall be responsible for all its employees, agents, invitees, or guests who have been issued such a pass at the request of Tenant and shall be liable to Landlord for all acts of such persons.

Tenant shall comply with any recycling programs for the Building implemented by Landlord from time to time.

Landlord may, upon request by any tenant, waive compliance by such tenant with any of the Rules and Regulations provided that (i) no waiver shall be effective unless in writing and signed by Landlord or Landlord's authorized agent, (ii) any such waiver shall not relieve such tenant from the obligation to comply with such Rule or Regulation in the future unless expressly consented to by Landlord, and (iii) no waiver granted to any tenant shall relieve any other tenant from the obligation of complying with the Rules and Regulations unless such other tenant has received a similar waiver in writing from Landlord.
