Section II: Project Overview

Project Title: Statewide Criminal Analysis Laboratory System
Recipient Organization: Pinellas County Board of County Commissioners/Pinellas County Forensic Laboratory
Project Start Date: October 1, 2019
End Date: September 30, 2020

Purpose and Scope:

Section 943.32, F.S., establishes a statewide criminal analysis laboratory system composed of the FDLE laboratories and five locally-funded laboratories in Broward, Indian River, Miami-Dade, Palm Beach and Pinellas Counties, specifically designated in s. 943.35 F.S., to be eligible for state matching funds.

Criminal fines are collected statewide by Clerks of Court and forwarded to FDLE via the Department of Revenue pursuant to ss. 938.07 and 938.055, F.S. These include mandatory fines imposed for driving or boating under the influence and discretionary fines the courts may impose when a locally-funded crime laboratory provides services that are used in the prosecution of any violation included in Title XLVI, CRIMES, chapters 775-896 of Florida Statutes (943.361, F.S.).

Funds received by FDLE as a result of these criminal fines are passed-through to statutorily designated crime laboratories quarterly on a formula distribution basis, and utilized by each lab in accordance with s. 943.361, F.S., as matching funds for services provided in eligible disciplines up to 75 percent of each lab's operating costs for those disciplines.

The Recipient shall perform all tasks, activities, and provide budget, expenditure and workload reports as prescribed in s. 943.36, F.S., on the FCLC-1 form template provided in conjunction with this agreement.

The State of Florida's performance and obligation to pay under this agreement is contingent upon an appropriation by the Legislature, and subject to any modification in accordance with Chapter 216, Florida Statutes or the Florida Constitution.

Expenditures of state financial assistance shall be compliant with laws, rules and regulations specified in s. 943.361, F.S. The Department's determination of acceptable expenditures shall be conclusive.

Crime Laboratory Responsibilities:

The Recipient will provide crime laboratory services on a regular and ongoing basis during the 2018-2019 contract period to meet the forensic science service needs of criminal justice agencies within the state in accordance with s. 943.32, F.S.

The Recipient will maintain adequate staffing levels and provide forensic services in eligible disciplines based on the specific needs of the law enforcement community it serves, as directed by the Recipient's governing board, county commission, or public unit of governance, and in accordance with established policies and procedures. The Recipient shall provide a copy of the current year annual budget for the lab within 30 days of execution of the agreement.

As a partially state-funded laboratory, the Recipient may be called upon by any Florida law enforcement official to provide crime laboratory services, even if the agency is outside the Recipient's regular geographic jurisdiction. The Recipient will provide assistance when possible, based on availability of services, current staffing and workload levels, and the Recipient's internal acceptance guidelines.

The Recipient will be reimbursed not to exceed 75 percent of the actual operating costs including, but not limited to, salaries, benefits, expenses, and operating capital outlay. Operating costs for equipment, health, safety, and training of member crime laboratories in the forensic discipline services listed below are eligible for funding through this agreement:

- Biology/DNA
- Chemistry
- Crime Scene
- Digital evidence
- Firearms
- Latent prints
- Toxicology
- Trace evidence

Recipient may not utilize funds received as part of this agreement for the following:

- Identification photography
- Identification of fingerprints, other than latent
- Polygraph
- Electronic surveillance
- Medical examiners

Deliverables:

The scope and responsibilities above identify the project deliverables. Crime laboratories will provide forensic services for Florida criminal justice agencies as requested by criminal justice agencies, and in accordance with each lab's operating procedures based on the needs of their jurisdictions and requesting agencies.

For payment purposes, each crime lab will receive a quarterly payment initiated by the Department and based on the percentage identified in Section: Payments and Financial Reports of this contract, pursuant to ss. 938.055 and 938.07, F.S.

Recipients shall assure files are being maintained to substantiate forensic services provided and expenditures paid from this agreement. Supporting documentation for the deliverables and use of funds for each crime laboratory will be submitted to FDLE on FCLC-1 (Attachment A) in accordance with specifications and deadlines prescribed in s. 943.36, F.S., unless written approval has been given by FDLE for a deadline extension not to exceed December 31, 2019. Any state funds received from this agreement that are determined to be in excess of 75 percent of the crime lab's operating costs, or utilized for ineligible disciplines or expenditures, must be returned to the state.

Other Requirements:

In the event the Recipient ceases providing crime laboratory services during this contract period, a final report shall be submitted to the Department to include the actual operating costs from the beginning of

this contract through the date the Recipient ceased laboratory operations. The actual costs will be compared to the distributions to date, and any state funds in excess of 75 percent of the actual operating costs must be refunded to the Department by November 30, 2020.

If the Recipient fails to provide criminal laboratory services as directed by the Recipient's governing unit and as outlined in this Agreement, additional distributions of cash will be withheld and future funding under this program may be jeopardized.

Payments and Financial Reports

Funds will be disbursed to the Recipient based upon each crime lab's proportional distribution determined by population served using 2018 population estimates published by the Florida Legislature, Office of Economic and Demographic Research. The distribution information for each crime lab is provided in the table below. Payments will be issued as quarterly disbursements to each crime lab after the end of each quarter in which FDLE receives the funds from the Department of Revenue. Awards under this program are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

By execution of this agreement and the submission of completed FCLC-1 reports, the Recipient shall receive quarterly payments as outlined in this agreement. The Recipient and Department agree that the reimbursement and reconciliation process outlined in s. 943.36, F.S. will be followed.

The Recipient may only retain funds up to an amount equal to 75 percent of the crime laboratory's total actual operating cost, excluding federally-funded expenditures, for the fiscal year. After the close of the current fiscal year (September 30, 2020), the amount distributed under this agreement will be compared to the actual crime laboratory expenditures as disclosed in the subsequent annual report (FCLC-1). Any state funds received in excess of the 75 percent threshold, as well as any balance of unobligated funds, must be refunded to the Department by November 30, 2020, or no later than 30 days of notification by the Department.

The funds received during the Recipient's fiscal year must be applied to the current operating budget, and expenditures incurred outside the agreement period (October 1, 2019 – September 30, 2020) are not eligible to be paid with these funds.

Each crime laboratory shall establish procedures to accept payments during the contract period and maintain supporting documentation including purchase orders, receipts, invoices, and proof of payment for all expenditures made with state matching funds.

No request for payment shall be made, nor shall any such request be honored, for any activity not covered by this agreement; and no monies distributed to the crime lab will be used to fund any operations unrelated to this agreement.

For this contract period, the Recipient will receive approximately 12.55% of the collected funds.

Recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of s. 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

Pursuant to s. 215.97(8), F.S., State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with s. 215.97, F.S.. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.

Any reports, management letters, or other information required to be submitted to the Department pursuant to this agreement shall be submitted within nine (9) months after the end of the Recipient's fiscal year or within 30 days of the recipient's receipt of the audit report, whichever occurs first, unless otherwise required by Florida Statutes:

The Recipient shall establish and administer a system to protect, preserve, use, maintain, and dispose of any property furnished to it by the Department or purchased pursuant to this agreement.

Recipient's Confidential and Exempt Information

By executing this Agreement, the Recipient acknowledges that, having been provided an opportunity to review all provisions hereof, all provisions of this Agreement not specifically identified in writing by the Recipient prior to execution hereof as "confidential" or "exempt" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to s. 215.985, F.S. The Recipient agrees that, upon written request of the Department, it shall promptly provide to the Department a written statement of the basis for the exemption applicable to each provision identified by the Recipient as "confidential" or "exempt", including the statutory citation to an exemption created or afforded by statute, and state with particularity the reasons for the conclusion that the provision is exempt or confidential.

Any claim by Recipient of trade secret (proprietary) confidentiality for any information contained in Recipient's documents (reports, deliverables or work papers, etc., in paper or electronic form) submitted to the Department in connection with this Agreement cannot be waived, unless the claimed confidential information is submitted in accordance with the following two paragraphs.

The Recipient must clearly label any portion of the documents, data, or records submitted that it considers exempt from public inspection or disclosure pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, the Recipient shall include information correlating the nature of the claims to the particular protected information.

The Department, when required to comply with a public records request including documents submitted by the Recipient, may require the Recipient to expeditiously submit redacted copies of documents marked as trade secret in accordance with this section. Accompanying the submission shall be an updated version of the justification, correlated specifically to redacted information, either confirming that the statutory and factual basis originally asserted remain unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions that

are claimed to be trade secret. If the Recipient fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of proprietary or trade secret information.

VI. PENALTIES, TERMINATION, DISPUTE RESOLUTION, LIABILITY AND COMMUNICATION

Financial Penalties for Failure to Take Corrective Action

Corrective action plans may be required for noncompliance, nonperformance, or unacceptable performance under this Agreement. Penalties may be imposed for failures to implement or to make acceptable progress on such corrective action plans.

Termination

The Department reserves the right to unilaterally cancel this agreement for refusal by the Recipient to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Recipient in conjunction with this agreement, unless the records are exempt pursuant to Article I, Section 24(a), of the Florida Constitution and s. 119.07(1), F.S.

The Department shall be the final authority as to the appropriation, availability and adequacy of funds. In the event the Recipient fails to fully comply with the terms and conditions of this Agreement, the Department may terminate the Agreement upon written notice. Such notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, notice of termination will be issued after the Recipient's failure to fully cure such noncompliance within the time specified in a written notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. In addition, the Department may employ the default provisions in Rule 60A-1.006(3), F.A.C., but is not required to do so in order to terminate the Agreement. The Department's failure to demand performance of any provision of this Agreement shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Agreement shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this Agreement. The provisions herein do not limit the Department's right to remedies at law or in equity. The validity of this agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Recipient in this agreement, in any subsequent submission or response to Department request, or in any submission or response to fulfill the requirements of this agreement, and such information,

representations, and materials are incorporated by reference. The lack of accuracy thereof or any material changes shall, at the option of the Department and with thirty (30) days written notice to the Recipient, cause the termination of this agreement and the release of the Department from all its obligations to the Recipient. This agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this agreement shall lie in Leon County. If any provision hereof is in conflict with any applicable statute or rule, or is otherwise unenforceable, then such provision shall be deemed null and void to the extent of such conflict, and shall be deemed severable, but shall not invalidate any other provision of this agreement.

No waiver by the Department of any right or remedy granted hereunder or failure to insist on strict performance by the Recipient shall affect or extend or act as a waiver of any other right or remedy of the Department hereunder, or affect the subsequent exercise of the same right or remedy by the Department for any further or subsequent default by the Recipient. Any power of approval or disapproval granted to the Department under the terms of this agreement shall survive the terms and life of this agreement as a whole.

The agreement may be executed in any number of counterparts, any one of which may be taken as an original.

In the event of termination, the Recipient will be compensated for any work satisfactorily completed through the date of termination or an earlier date of suspension of work.

Disputes and Appeals

The Department shall make its decision in writing when responding to any disputes, disagreements, or questions of fact arising under this agreement and

shall distribute its response to all concerned parties. The Recipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the Recipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The Recipient's right to appeal the Department's decision is contained in Chapter 120, F.S., and in procedures set forth in Fla. Admin. Code R.28-106.104. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S. After receipt of a petition for alternative dispute resolution the Department and the Recipient shall attempt to amicably resolve the dispute through negotiations. Timely delivery of a petition for alternative dispute resolution and completion of the negotiation process shall be a condition precedent to any legal action by the Recipient concerning this Agreement.

Liability

Unless the Recipient is a state agency or subdivision, the Recipient shall be solely responsible to parties with whom it shall deal in carrying out the terms of this agreement, and shall save the Department harmless against all claims of whatever nature by third parties arising out of the performance of work under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor.

Nothing herein shall be construed as consent by a state agency of the State of Florida to be sued by third parties in any matter arising out of any contract.

Nothing in this Agreement shall be construed to affect in any way the Recipient rights, privileges, and immunities under the doctrine of "sovereign immunity" and as set forth in s. 768.28, F.S.

BOARD OF COUNTY
COMMISSIONERS
PINELLAS COUNTY FLORIDA

Good morning Jim –

I am attaching the FDLE Lab Grant received on 11/27/19 to this e-mail for your review. I have highlighted and written notes next to the sections that appear to have been edited from the original Legistar document on #: 19-1734A. Also, the first page of this attachment is the cover letter notifying Pinellas County of the award and page two is the fully executed, signed agreement (which was the LAST page of the Legistar document, pg 14).

Please let me know if I need to request FDLE to change/update their document submitted to us to ensure it is filed correctly as fully executed.

Sincerely,

Kellie Pettye

Good Afternoon, Kellie.....

The correct document that everyone agrees to will be the “fully-executed” document in **Legistar**. The partially-executed version can remain in the Attachments Index for reference as such.

Thank You.

Importance: High

Yes, it appears they did make a few changes. They are mailing us a hard copy of the signed agreement.

Page one of the newest [attached] document is the letter announcing the formal award to Pinellas County and then the second page of this document is the signature page (in the original, partially signed agreement in Legistar, this would have been the last page, page 14 of 14).

It also appears as though they've made changes or removed a few pages from the document we had moving through Legistar on item: 19-1734A. Please let me know if you'd like me to bring it over to your offices since the document has been altered by FDLE.

Thank you again,
Kellie

Hello James –

I am emailing you regarding the above mentioned Legistar item for Board records. We received an email from the awarding agency, FDLE (FL Department of Law Enforcement) with the fully executed agreement. Can you please advise if you need a hard copy, printed and brought directly to your department for records retention or can I email the file, as an attachment, to you for the records retention?

Thank you in advance for your assistance in this matter.
