In Effect,

The Preamble to *THIS* Constitution states: “ We the People of the United States, in Order to form a *more* Perfect Union , establish *THIS* Constitution to secure blessings of liberty for ourselves and to promote our posterity, do ordain and establish *THIS* Constitution (The United States) for the United States of America.

~~insure, provide, promote establish justice, insure domestic tranquility, provide for the common Defense, promote the general welfare~~

Two separate Constitutions. One *Requisite* of the other as *Qualified* in Article 1 section 2.

Article VI of *THIS* Constitution, in *pursuance thereof*, engages the adoption of *THIS* #3 Constitution, as valid under *THIS* #1 Constitution, as under *THIS* #2 Constitution, as under the Confederation.

The Confederacy NOT being described as NORTH and SOUTH.

But, as being that of LAND and WATER in Federalist Paper #12.

The Federalist Papers labels these Three Constitutions as the FORMER, the LATTER and the LAST RESORT.

Revealing *THIS* Constitution #1 and *THIS* Constitution #2 as being a Bill of Attainder, as a Letter of Marque, seen as a Long Train of Usurpations in the Declaration of Independence.

TRUTHFULLY such “High Seas” Hypocrisy is, in REALITY, is in ACTUALITY, NOT a Constitution, but a playground for “*Adjunct*” Political Fraud and Delinquency. Political Piracy it is! Attempting to *Substantiate* itself and its posterity thereof, navigated under Maritime law “*Contrived*” thru the “immaterial” use of a Pronoun as a Direct Object under the 14th Amendment, giving rise to Water Jurisdictions “*Birthing*” itself as a Ship of War, further Declaring themselves to be God’s/Natures Gods in an act of Prejudice, Pride and Rebellion against God Almighty Himself!
