This is a request for approval and execution by the County Administrator of the Interlocal Agreement between Pinellas County and Forward Pinellas, in its role as the Pinellas Planning Council, for the development of a Housing Regulatory Toolkit.

A consultant will assist in drafting the Housing Regulatory Toolkit, which will provide a menu of regulatory incentives and design standards that all local governments in Pinellas County will be encouraged to use in their own communities.

Forward Pinellas and Pinellas County Housing and Community Development staff have selected the Pritchett Steinbeck Group to assist with the development of the Housing Regulatory Toolkit.

The project is \$90,000, to be jointly funded by Forward Pinellas (\$50,000) and Pinellas County Housing and Community Development Department (\$40,000) per interlocal agreement.

Funding for this Project is included for the current-year budget of the Housing and Community Development Department in the General Fund; funding for this project is also included in the current-year budget of the Forward Pinellas Department in the Pinellas Planning Council Fund.
