<b>Comments</b>	<p>Dear Commissioners,</p> <p>I would like to petition the county for the development of additional boat launch and parking facilities. After the pandemic started, the already limited parking at local launches (including Bellaire, Seminole Boat Ramp, Park Blvd, and others) has become grossly inadequate. The number of boat owners has increased dramatically in the county, and as a result the already maxed out resources are no longer enjoyable by many. Granted, the majority of the crowding occurs during the weekends, and during summer months. However, that reason alone is precisely why I feel the need for additional resources to be considered to develop more access and/or parking to allow residents who live here to enjoy more water access without the need to preplan usage and unreasonably early arrival</p>

times in order to secure parking.

I hope you'll take this recommendation into consideration. I am also planning a formal petition in the near future.

Respectfully,

Brad P.
