IMPORTANT: You have ordered an oversized item as defined by the freight carrier. When ordering a door we will ship it in a crate via a freight carrier and it will be delivered curbside. Please be informed that oversized items that can not be lowered off of a lift gate may require that the customer pick up the product at the shipping hub or make arrangements to

assist with lifting the crate out of the truck. If you would like alternative delivery options please give us a call at 1-800-891-8312. Please see the Terms & Conditions page for more information (<https://rustica.com/terms-conditions/>)

▼ Description

Cathedral With Wooden Frame And Sidelites

Inspired by traditional french chateau homes, the Cathedral With Sidelights and Transom is a timeless style. The unique and coveted diamond-patterned design is engineered to be as elegant as it is durable. The double-paned insulated glass will welcome in natural light without compromising your family's privacy.

Choose your combination of sidelights and transom to make the Cathedral

With Sidelights and Transom perfect for your home. This product is made in the USA by our expert craftsmen and is available in multiple finishes.
