

RESOLUTION NO. 24-_____

SUPPLEMENTING FY24 BUDGET

WHEREAS, Section 129.06(2)(d), F.S., provides that receipts of a nature from a source not anticipated in the FY24 Budget, and received for a particular purpose may, by Resolution of the Board of County Commissioners of Pinellas County, be appropriated and expended for that purpose; and

WHEREAS, unanticipated revenues are to be received and these funds are to be appropriated and expended for the purpose for which received; and

WHEREAS, the following funds have unanticipated funds in Fund Balance and these funds are to be appropriated and expended for the purpose for which received; and

WHEREAS, Section 129.06(2)(c), F.S., provides that appropriations from reserves for future construction and improvements may be appropriated by resolution of the board for the purposes for which the reserve was made.

WHEREAS, the Board of County Commissioners did, on March 24, 2024, advertise the date, time, place and purpose of the Public Hearing to amend the FY24 Budget pursuant to Section 129.06(2)(f), F.S., in the TAMPA BAY TIMES, a newspaper of general circulation in the County as provided herein.

THEREFORE, BE IT RESOLVED as part of this resolution, the Board of County Commissioners finds that project 002153A - Fueling System Retrofits continues to be appropriate within the ARPA Expenditure Category - 6.1 Revenue Replacement – Provision of Government Services, due to it being a part of the County’s response to the public health emergency and economic impact of COVID-19. Funding for the decommissioning and reconfiguring of fuel sites will promote and increase the County’s efforts impacted by the loss of revenue which was a direct result of the COVID-19 pandemic.

THEREFORE, BE IT RESOLVED as part of this resolution, the Board of County Commissioners finds that project 006032A – Countywide Electric Vehicle Infrastructure Master Plan continues to be appropriate within the ARPA Expenditure Category - 6.1 Revenue Replacement – Provision of Government Services, due to it being a part of the County’s response to the public health emergency and economic impact of COVID-19. Funding is for an electric vehicle charging infrastructure master plan for both County operations and public use which will promote and increase the County’s efforts impacted by the loss of revenue which was a direct result of the COVID-19 pandemic

THEREFORE, BE IT RESOLVED as part of this resolution, the Board of County Commissioners finds that project 002123A - Roosevelt Channel 5 Improvements continues to be appropriate within the ARPA Expenditure Category – 5.6 Water, Sewer, and Broadband Infrastructure – Clean Water: Stormwater, due to it being a part of the County’s response to the public health emergency and economic impact of COVID-19. Funding for this project will address existing flooding to roads, structures, and water quality improvements for the Roosevelt Creek Channel 5 basin.

THEREFORE, BE IT RESOLVED as part of this resolution, the Board of County Commissioners finds that project 004539A - 71st Street N Roadway and Sidewalk Improvement from 38th Ave. N. to 54th Ave. N. continues to be appropriate within the ARPA Expenditure Category – 2.22 Negative Economic Impacts - Strong Healthy Communities: Neighborhood Features that Promote Health and Safety, due to it being a part of the County’s response to the public health emergency and economic impact of COVID-19. Funding for this project provides ADA upgrades, drainage improvements, along with sidewalk improvements to promote pedestrian safety in a historically underserved community.

THEREFORE, BE IT RESOLVED as part of this resolution, the Board of County Commissioners finds that project 006011A - ARPA Pinellas County Consolidated CAD and GIS Integration Project continues to be appropriate within the ARPA Expenditure Category - 3.4 Public Health-Negative Economic Impact: Public Sector Capacity – Effective Service Delivery, due to it being a part of the County’s response to the public health emergency and economic impact of COVID-19. Funding for this project will improve the county’s Consolidated Computer-Aided Dispatch System with up-to-date geospatial data for use across multiple local municipalities, thus improving the 911 and law enforcement access to real-time routing solutions.

THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pinellas County, Florida, in a public meeting duly assembled this 26th day of March, 2024, that receipts from a source not anticipated and received for a particular purpose be appropriated and added to the proper fund and the total County budget for FY24 as follows:
