1. Recitals

The recitals above are incorporated herein.

The County agrees to promptly notify TAMPA BAY WATCH in writing of such failure of appropriation, and upon receipt of such notice, this Agreement, and all rights and obligations contained herein, will terminate without liability or penalty to the County.

6. Conflicts of Interest

No officer, member, or employee of the County, and no member of its governing body, and no other public official of the governing body of any locality where Funding is expended who exercises any functions or responsibility in the review or approval of the undertaking or carrying out of this Agreement, may participate in any decisions relating to this Agreement which affect his personal interest or the interest of any corporation, partnership, or association in which he is, directly or indirectly, interested; nor may any such officer, member, or employee of the County, or any member of its governing body, or public official of the governing body, or public official of the governing body, or public official of the governing body of any locality where such Funding is expended, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this Agreement, have any interest, direct, or indirect, in this Agreement or the
