Good evening Commissioners,

Myself, as well as my organization supports Commissioner Nowicki's proposed resolution in regards to age inappropriate sexual explicit reading material in the children's section of Palm Harbor library. We also encourage Largo to do the same thing, as we support Representative Jacques stance on withholding funding.

We have laws in place to protect children from harmful materials. And majority of people in Pinellas County do not support this push on Children. At that age, kids can barely tie their shoes, but these librarians want to educate them on trans and non binary? Only one reason for that.

Please do the right thing and support Commissioner Nowicki in this matter. Thank you.

Dear Commissioners,

I am writing to express my strong support for the resolution you will consider next Tuesday, which prohibits the promotion of sexual identity in the children's section of the Palm Harbor Library and requires a new strategic plan free of Diversity, Equity, and Inclusion (DEI) principles. This measure aligns with your responsibility to ensure public spaces remain neutral, family-focused environments that prioritize age-appropriate content and respect parental rights.

I urge you to adopt this resolution to safeguard our children's innocence and maintain the library as a trusted resource for all Pinellas County families. Thank you for your leadership on this important issue.

Sincerely,  
Raymond and Anne Keckler

<b>Direction of Inquiry</b>	Commissioner Dave Eggers - District 4 (2025 Vice-Chair)
<b>Your Name</b>	Sandra J Rodolf
<b>Subject</b>	Palm Harbor Library
<b>Message</b>	I listened to your meeting today and fully support keeping gender identity literature out of the children's department of Palm Harbor Library. I have volunteered at the library since 2013 under the then director Gene Coppola and still give a few hours one day a week under the new director. When I listened to Mr. Nowicki speak outlining what had transpired two years ago and was disappointed that nothing had been corrected since then. I fully support a resolution be proposed to correct the diversity issues that I feel have no business in the children's room of the library.
