Hello!

OMB has no objection to the Department of Public Works - Natural Resources submitting a grant application to the United States Environmental Protection Agency (USEPA for the Air Pollution Control, Section 105 for assistance in the planning, developing, establishing, improving and maintaining adequate programs for prevention and control of air pollution..

This is a multi-year reimbursement grant project that will likely impact FY22-FY23. The requested funding is \$537,300 with \$1,924,920 expected match. The total project is estimated to cost \$2,462,220.

The County Administrator does NOT need to sign the application for the County. Please include this email when you send the application through Granicus. The review shall include the Director, and Assistant County Administrator along with any others as defined in Granicus/Legistar standard operating procedures.

If you have any questions, please do not hesitate to contact me. Thank you!

OPUS Project Title: FY20 AQ EPA 105 Grant

Duration: Multi Year

Proposed Abstract (Project Scope of Work): The EPA Air Pollution Control Section 105 Grant Program is to assist in the planning, developing, establishing, improving and maintaining adequate programs for prevention and control of air pollution. This application is for a new two-year budget/project period award to support continuing local air quality program activities.

EPA Section 105 Grants are typically awarded/issued for a project and budget period of 5 years. This application is for the third and fourth years of

the County's Section 105 Air Pollution Control Program project cycle, which includes costs from 10/01/21 through 9/30/23. Funding request is for \$537,300.00 (FY22 - \$250,000.00; FY23 - \$287,300.00).

A match is required and estimated at e\$1,924,920.00 over the two-year project period (FY22 - \$959,920.00; FY23 - \$ 965,000.00). The grant is on a reimbursement basis. The source of the estimated total project costs of \$2,462,220.00 is the Environmental Management Division's Air Quality operating budgets for FY 22 and FY23.

Benefit Summary (How will this benefit the County, Dept, etc?): This program supports Pinellas County's Strategic Plan Goal 3.3 (Practice Superior Environmental Stewardship) to protect and improve the quality of our air. This program focuses on the core air protection objectives of attaining and maintaining National Ambient Air Quality Standards (NAAQS), ambient monitoring, addressing air toxics, supporting compliance and enforcement efforts, and permitting air pollution sources.

Director Approval (Attach): Yes

Is the proposal submitted for a different Department?: No

If submitting for a different department, what is that department name?:
