Review & Comments

This OMB Grants Team has conducted a review of the **Human Services** intent to apply for the **FY25 DNA CEBR Formula Grant Program** funded by **Bureau of Justice Assistance**.

Project Scope of Work

Funding will be used to aid in performing DNA analysis for the purposes of capacity enhancement and backlog reduction by funding the following positions/equipment: (1) The salaries and benefits of one full-time and one part-time DNA Analyst to perform casework and technical reviews of casework submitted to the forensic lab by local law enforcement; (2) Fund DNA kits (extraction, quantitation, and amplification) for use by grant funded analysts in casework submitted to the laboratory from the local criminal justice community.

Strategic Initiatives

Healthy and Safe Communities

Anticipated Impact to the County Budget

This is a **Multi Year** grant potentially affecting **FY26 and FY27**. The application request is for \$225,835.00 with no cost share requirement. The total project budget is \$225,835.00.

Grant Review Comments

- If grant funding is awarded, the fiscal impact will be in FY26, and an analysis of the total project budget will be made at that time.
- The grant application will require Department Director approval for submission.
- The OMB Grants Team has no objection to submittal of this grant application.
