Subject: Holocaust Museum Grant Assistance

Steve,

Per our conversation this afternoon, I'm emailing as Board Member and Vice Chair of the Florida Holocaust Museum. As discussed, the Museum received a \$350,000 grant from the County for our new secured entry project. Currently the grant requires construction start by April 2022 and project completion by April 2023. Due to complications due to the Covid pandemic, the progress for the project has been slower than originally anticipated. We absolutely intend to proceed with the project but are looking for some flexibility on the start and finish dates. To be safe, Museum staff has suggested a two year extension.

We appreciate any assistance you can provide to let us know how we can achieve this.

Thanks, in advance, for your help. It is appreciated.
